

# Me, Myself, and I

## Statement of Line

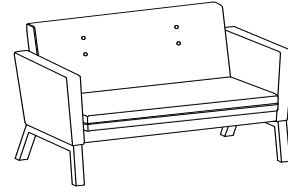

Me, Myself & I provides a relaxed and collective seating solution. It's easy to personalize Me, Myself, and I with contrasting fabrics, vinyls, and leathers, not to mention our broad range of wood finishes and laminates. Choose from two back heights on the club chair and a mid-back settee, each with tailored button detailing, then pair with coordinating tables to provide the perfect look and fit.
