TV Bracket Assembly Instructions

1 Separate VESA Plate from Wall Mount

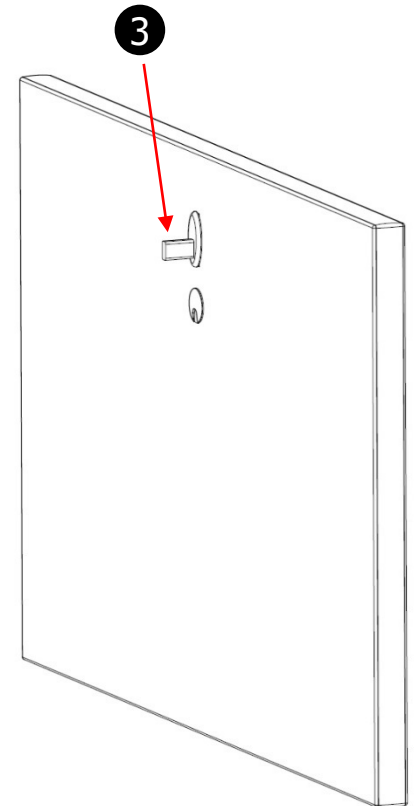

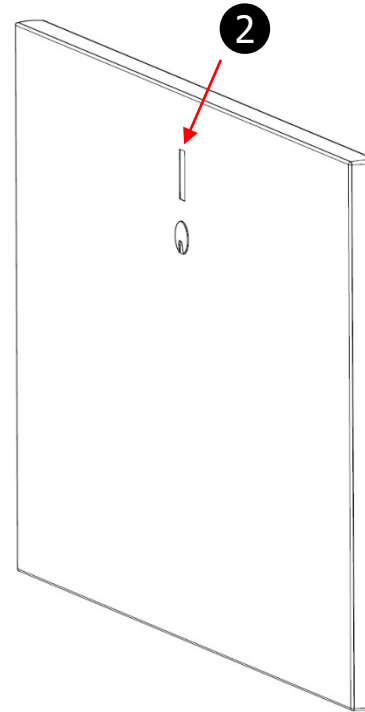

2 Locate the mounting holes in the Center Panel

Note: There are 6 total holes in this location. You will be using 3 to mount the TV Bracket.

3 Mount the Wall Mount to the Center Panel using the 3X - 2202-25213 – 1/4-20 x 2 3/4 bolt.

Note: Do not use the screws included with the TV Bracket to mount the Wall Mount

4 Follow remaining instructions provided with TV Bracket for VESA Plate attachment and VESA Plate to Wall Mount attachment

Note: Images shown are for clarity purposes only and may not match the items that you are assembling.
