

## Stationary Return Assembly Instructions

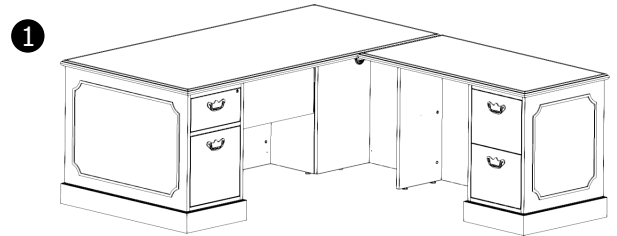

### Components:

- 6 - Screws, #8 x 5/8" PPH
- 1 - Flat Plate 2" x 6"

### Applies to:

- Return Unit & STS Pedestal Desk

**1** Align the units in the desired configuration.

**2** Attach the 2" x 6" flat plate between the return back and the STS desk end panel. Space the plate 5" from the bottom of the units. Use #8 x 5/8" screws to attach the plate.
