

Arlington

Overview+Options

Arlington ensures quality and expert craftsmanship with a selection of configurations for today's functional workspaces including new Height Adjustable options. Providing all the grace and embellishments associated with traditional styling, Arlington features multiple worksurface materials and hand placed decorative and base molding to create a value driven collection with high end elegance.

Writing Shelf

All desk pedestals include an extendable pullout writing shelf that expands workspace area for immediate tasks at hand.

Decorative Molding

Select Arlington decorative raised panel molding or the Wilmington picture frame molding, both are hand applied by skilled craftsman with expert attention to detail only offered by Indiana Furniture.

Wire Management

Route power and data cables away from desktops for clutter free workspaces. Grommets are standard in back panels of returns, bridges, credenzas, and hutch units.

Filing & Locking

File drawers feature heavy-duty full extension slides that support heavy loads and provide entire drawer access. Standard desks feature central locking which locks all desk drawers with the turn of one key.

Height Adjustability

Applicable STS units come standard with an up/down switch or an optional advanced switch with Bluetooth capabilities, memory, and more!

Veneer & Laminate Options:

Arlington models come standard with a Veneer chassis and a Veneer or HPL worksurface.
