

Canvas Casegoods

Technical Specifications

Construction & Materials

- Laminate:** Thermally-Fused Laminate (TFL) and High Pressure Laminate (HPL) are made of solid colors and woodgrain laminates fused to particleboard core. Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance.
- Tops:** 1" thick TFL or HPL with 3mm matching PVC rims contoured to selected profile and 1mm PVC rims on self edges. Grain direction runs left-to-right, unless otherwise noted. 1 ½" thick tops in HPL are available upon request.
- Chassis:** Chassis are fastened by using high quality European fastening systems to assure maximum strength. All units ship with heavy-duty, adjustable glides to ensure proper leveling and compensation for uneven floors.
- Drawers:** All drawer fronts are standard with woodgrain or solid color faces. Drawers feature 5-sided construction with ¾" 3-ply fronts, ½" thick hardwood sides and ⅛" hardboard bottoms. Units with 36" wide file drawers feature ¼" thick drawer bottoms for maximum storage strength. Drawer interiors are sanded, sealed, and finished to provide for a smooth, quality feel and appearance. All drawers feature full extension, progressive action slides with precision steel ball bearings. Box and file drawers are tested for 100lb capacity while Lateral files are tested for 200lb capacity. All suspensions have a limited lifetime warranty.
- Storage:** All hinged doors include soft close hinges. Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure.
- Locking:** All units with file drawers feature standard locking. Lock core available in black or silver. Removable lock cylinders allow for units to be re-keyed at a later date if required. Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.

Features

- Canvas Casegoods Collection enlivens environments with refined aesthetics born from an appealing mix of materials, finishes and components.
- Elevate the style of any space with integrated adjustable height and boutique style studio components, landing tables, soft-close doors, metal and acrylic options and premium details.
- Choice of four edge profiles—double kerf, duo, flute, and square.
- Available with a selection of 10 pulls, with a choice of aluminum, black, chrome and gold, for a combination of 22 different options.
- Select from the full line of buffets, credenzas, cabinets, wardrobes, visual boards, lecterns and table top power centers to complete your space and maximize functionality.
- Canvas offers distinct design details such as contrasting colored drawer fronts, modesty panels and worksurfaces.
- Change up the look of your workspace with horizontal woodgrain options on door and drawer fronts.
- Dove tail drawer construction offers stronger drawer joint connections and soft close drawer options reduces stress on the unit, extends the life of the drawer and ensures a gentle close.
- Maximize storage and get organized with surface mount or wall mount hutches that include components such as fabric or dry erase work walls
- Personalize your storage space with acrylic, dry erase or black or white glass door options on select hutch and storage cabinet models. Add paper slots to hutches with chrome or TFL slots to keep paper work organized and your workspace clean.
- Black and White Marker Boards come in array of sizes and application options to keep your lists fresh and let you build on great ideas.
- Wire management options are easy to specify to route cords away from the worksurface for a clean aesthetic.
- A holistic surface materials palette—vener finishes and woodgrain laminates; get inspiration at www.indianafurniture.com.
- 12 Year Warranty (some exclusions may apply, see Full Warranty in Price List).
