

Phoenix

Overview+Options

Phoenix combines the desired mix of quality, function, and design to complement any interior concept. Rich veneers, durable laminates, essential components, and mindful details enable Phoenix to fluidly blend personal and shared work spaces throughout facilities.

Optional Center Drawer

The optional center drawer with pencil tray offers additional and convenient storage to keep desk tops clutter free.

Wire Management

Route power and data cables away from desktops for clutter-free workspaces. Grommets are standard in back panels of returns, bridges, credenzas, and hutch units. Silver grommets are available.

Filing

File drawers feature heavy-duty, full extension slides with a life-time warranty that support heavy loads and provide entire drawer access. Letter width pedestals provide front-to-back filing or legal side-to-side filing.

Soft-Close Hinges

All doors feature soft-close hinges. Soft-close hinges reduce stress placed on the cabinet when the door is closed and offer a quiet closure.

Veneer & Laminate Options:

Phoenix models come standard with a Veneer chassis and a Veneer or HPL worksurface.
