

Joy Task Seating

Technical Specifications

Construction & Materials

Seat:	Manufactured plywood
Back:	Formed with tubular steel frame with black or white mesh or plywood fully upholstered
Arms:	Black polyurethane and chrome
Base:	Black nylon or polished aluminum 5 star base
Casters:	60mm black dual-wheel casters, black, non-marring soft caster, black guides or chrome-rimmed hard surface caster with roll control

Features

- Choose from a Black or White mesh back or fully upholstered back.
- Black vinyl, graded-in, or COM seat fabrics.
- A variety of arm options, including armless, black/chrome height adjustable T with sliding and pivot arm pad, black/chrome height and width adjustable T with sliding and pivot arm pad, black/chrome height adjustable T with fixed arm pad, black/chrome height and width adjustable T with fixed arm pad, or fixed black cantilever arm.
- Contoured waterfall edge seat features molded foam with rounded, sloped front to relieve pressure on back of user's thighs and knees to improve blood circulation to lower legs.
- Comes standard with a 5-position adjustable ratchet back for comfort customization and maximum support. Mesh back includes a 4-position adjustable lumbar for individual comfort.
- Pneumatic lift for simple and easy height adjustment.
- 5-star black nylon or polished aluminum base.
- Synchro Tilt Control features back tilt, multi-angle and locking recline, and tension control; seat slider is standard on upholstered back models, optional on mesh back models.
- Rated for up to 400lbs, making Joy the natural go-to task chair for many different users and environments.
