

One10 Collection

Technical Specifications

Construction & Materials

Veneer:	Exposed surfaces feature select grade plain-sliced hardwood veneers in Cherry, Maple, American Black Walnut, or Composite veneers. Veneers are carefully selected and matched to assure proper balance and consistency.
Laminate:	Exposed surfaces are produced from wood grained and solid color laminates fused to a particle-board core. Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance.
Tops:	Blade Conference and Meeting tops are 1 3/16" thick. Block Conference and Meeting tops are 1 1/2" thick. Blade and Block styles offer 3-ply balanced construction with 1mm PVC edge-banded rims on Laminate and 1.5mm wood edge-banded rims on Veneer. Credenza tops are 3/4" thick, 3-ply balanced construction with 0.5mm wood edge-banded rims. Veneer accent tops are 3/4" thick, 3-ply construction with 0.5mm edge-bands while laminate accent tops are 3/4" thick, 3-ply construction with 1mm edge-banded rims.
Chassis:	Chassis are securely fastened using high quality European fastening systems and heavy-duty 16-gauge joining brackets to assure maximum strength. Parsons Tables are formed with mitred construction to provide a clean aesthetic. All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors.
Drawers:	All drawer fronts are 3/4" thick 3-ply construction with vertical grain. Drawer sides, back, and front are woodgrain vinyl-wrapped 1/2" thick with 1/8" thick hardboard bottoms. 5-sided drawer construction allows for easy removal of drawer fronts. All drawer fronts are standard with elegant vertically matched veneer faces. All drawers feature full extension, progressive action slides with precision steel ball bearings. Box and file drawers are tested for 100lb capacity. All suspensions have a limited lifetime warranty.
Storage:	All hinged doors include soft close hinges. Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure.

Features

- One10 Conference provides a scalable aesthetic with a versatile range of tables that provide solutions for casual to formal meetings that can support individual technology, the sharing of personal technology, or communal technology equipment.
- From conference tables, meeting tables, TV stands, and Parsons Tables, the collection provides flexibility for tailored applications, virtually anywhere.
- Select from a Veneer chassis with our choice of either a Veneer or HPL top, or a Laminate chassis with a HPL top. Both feature HPL accents.
- Choice of the Knife/Blade or Square/Block edge profile.
- Available with Block, Blade, Single Column, or Dual Column bases and Rectangle, Boat, View, or Square top shapes with optional inlay.
- Complete your setting with a versatile range of Buffets, Credenzas, Monitor Stands, Lecterns, and Power/Data options.
- A holistic surface materials palette—veneer finishes and laminates; get inspiration at www.indianafurniture.com.
- 12 Year Warranty (some exclusions may apply, see Full Warranty in Price List)

Certifications & Compliance

- Intertek Sustainability Certified for compliance with VOC emission concentrations
