

Cameo Reception

Technical Specifications

Construction & Materials

- Veneer:** Veneers on exposed surfaces are select grade sliced American Black Walnut and are carefully selected and matched to assure proper balance and consistency. Our veneer features UV Advantage, an ultra-violet finish, on all exposed surfaces by utilizing roll-coat UV technology.
- Laminate:** HPL is made of woodgrain laminates fused to particleboard core. Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance.
- Tops:** Work surface tops are 3-ply balanced construction and 1 5/32" thick with a self-edge. Transaction tops are 1 5/32" thick and have a 5-ply balanced construction in Veneer or 3-ply balanced construction in Laminate. Transaction tops have solid hardwood rims and are profiled on all sides with mitered corners. Grain runs left to right unless otherwise stated.
- Chassis:** Tops and end panels are securely fastened using high quality European fastening systems to assure maximum strength. All units have finished backs unless noted. All pedestals have wire management access from pedestal to kneespace. Decorative moldings are hand applied. All units are equipped with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors.
- Drawers:** All drawer fronts are standard with elegant vertically matched (in sets) veneer faces. Fronts are 3-ply construction, 3/4" thick. Drawer interiors are constructed with woodgrain vinyl-wrapped sides, 1/2" thick. Box and file drawers have 1/8" thick hardboard bottoms. Lateral file drawers feature 1/4" thick bottoms for storage applications. 5-Sided drawer construction for easy removal of drawer fronts. All drawers feature full extension, progressive action slides with precision steel ball bearings. Box and file drawers are tested for 100lb capacity. Lateral files are tested for 200lb capacity. All suspensions have a limited lifetime warranty.
- Filing:** All file drawers are standard with filing systems designed to accommodate a variety of filing requirements. Modular component pedestals provide letter filing front to back and legal filing side to side. Lateral file drawers provide legal or letter filing front to back or side to side.
- Storage:** All hinged doors include soft-close hinges, unless otherwise noted.
- Locking:** All units with file drawers feature standard locking. Lock core available in black or silver, and will match pull color. Removable lock cylinders allow for units to be re-keyed at a later date if required. Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.

Features

- The traditional stylings of Cameo echo history and create a timeless foundation for welcoming environments that complement our Jefferson, Wilmington, and Arlington casegoods collections, as well as Cameo Conferencing.
- Create a customized work environment through combinations of shells, components, and work surfaces that address multiple configuration options.
- Wire management options are easy to specify to route cords away from the worksurface for a clean aesthetic.
- A holistic surface materials palette—veneer finishes and woodgrain laminates; get inspiration at www.indianafurniture.com.
- 12 Year Warranty (some exclusions may apply, see Full Warranty in Price List).
- Units ship fully assembled, unless noted.
