

Synergy

Technical Specifications

Construction & Materials

- Frame:** Internal wood components and chair frames are manufactured using plywood. All bench and stool joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability.
- Tops:** Table tops have 1" thick Thermally-Fused Laminate (TFL) or High Pressure Laminate (HPL) surface with 3mm PVC edge band and Square edge profile.
- Legs:** Legs are 2" diameter European Beech, individually hand assembled and sanded prior to being finished; Non-marring, fixed, nylon glides included in each table and seating leg when casters are not selected.
- Foam:** High Grade Polyurethane Foam, 1½" thick on stool and bench seats.
- Storage:** Media Low Storage Partition hinged doors include touch latch and soft close hinges. Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure. Optional locking doors are available.

Features

- Synergy is a new collection of partitions, tables, and seating to create spaces in an impromptu way without the need for complex architecture.
- Partitions include four or six 75mm casters that are field installed.
- Table top grommets and power/data units are available on center and feature undersurface a 2"H metal accent to conceal wires.
- Additional wire management options are easy to order and specify to route cords away from the worksurface for a clean aesthetic.
- Tables available in three heights and multiple sizes with glides or casters.
- Tables and partitions require some assembly.
- Metal accents on tables, stools, and benches and available in Aluminum, Black and Snow.
- Stools and benches rated for users up to 275lbs, ship fully assembled and are available in single upholsteries.
- Infuse elements of nature into your Synergy workspace with the Planter Box Partition that includes three planter boxes made of ¾" thick thermally-fused laminate (TFL) with optional planter box inserts to protect box from water.
- Easily write on the Dry Erase Partition, available with dry erase panels, or black or white glass magnetic marker panels, to keep meetings on task, take notes, or brainstorm great ideas.
- Find inspiration for finish and upholstery with our [Surface Material options](#).
