

Synergy is a collection of partitions, tables, and seating to create spaces in an impromptu way without the need for complex architecture. This line promotes flexibility to adapt to different interactions, forming areas to gather, separate, and then gather again...all in personalized ways, and all within the same open space.

# Synergy

## Overview+Options

Synergy's simple and easy-to-personalize design allows it to effortlessly integrate into any environment.

Synergy's View-Shaped Tables seamlessly work with partitions to create media areas, great for virtual collaboration.

Mobile Planters and Partitions with Planter Boxes make it easy to add biophilia to your working environments.

Synergy offers multiple partitions for storage needs in collaborative environments.

Synergy's heavy-duty casters allow users to move the partitions, tables, and seating with confidence.
