

Runna

Technical Specifications

Construction & Materials

- Frame:** Internal wood components and frame are manufactured using Red Oak plywood; frames are individually hand assembled, and all joints are mortised and tenoned, screwed, and glued for maximum strength and durability
- Pouffe:** High Grade Polyurethane Foam, 1½" thick; Small Pouffe comes standard with a black zipper, while the Large Pouffe does not have a zipper

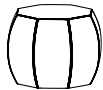

Features

- With its combination of stylish design and distinctive upholstery, Runna Pouffes express luxury and elegance
- Use for impromptu meetings, additional seating, or the fun component to complete your space
- Each unit includes non-marring, nylon adjustable glides to allow for uneven floors
- Runna Pouffes ship fully assembled
- Available in single upholstery; select from a wide variety of graded-in or contract options, including fabric, vinyl, and leather (we recommend avoiding the use of obvious directional patterns due to Runna's multiple seems and panels)
- Find inspiration for upholstery options with our [Textiles Program](#).

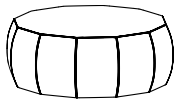

Certifications & Compliance

- Intertek Sustainability Certified for compliance with VOC emission concentrations
- BIFMA level® Certified for environmentally-preferable and socially-responsible office furniture
- BIFMA Compliant® Certified for meeting mechanical standards that focus on safety and durability
