

# Chat Tables

## Technical Specifications

### Construction & Materials

- Veneer:** Exposed surfaces feature select-grade, plain-sliced hardwood Cherry, Maple, American Black Walnut, White Oak, and composite Veneers, carefully selected and matched to assure proper balance and consistency. Our veneer features UVAdvantage, an ultra-violet finish, on all exposed surfaces by utilizing roll-coat UV technology.
- Laminate:** Thermally-Fused Laminate (TFL) and High-Pressure Laminate (HPL) are made of woodgrain and solid color laminates fused to particleboard core; each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance.
- Tops:** TFL or HPL tops are 1" thick with 3mm matching PVC rims contoured to selected profile and 1mm PVC rims on self edges. Veneer tops are 1 3/16" thick. 3-ply balanced construction with 3mm wood edge-banded rims contoured to selected profile. Grain direction runs left-to-right, unless otherwise noted. 1 1/2" thick tops in HPL are available upon request.
- Chassis:** Chassis are fastened by using high quality European fastening systems to assure maximum strength. All units ship with heavy-duty, adjustable glides to ensure proper leveling and compensation for uneven floors.

### Features

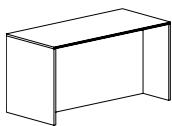

- Whether you're looking to outfit a meeting room, collaborative area, breakroom, library, or training space, Chat provides a simple design coupled with functional options to meet all of your needs.
- Seated, counter, and standing heights in a variety of sizes allows you to add style and functionality virtually anywhere.
- Tops available in four edge profiles—double kerf, duo, square, and flute.
- Dual modesty panels provide hidden wire management and are available in contrasting colors.
- Add accessories including a Purse Hook to hold personal items and power/data units to stay powered up and connected.
- A holistic surface materials palette—veneer finishes and woodgrain laminates; get inspiration at [www.indianafurniture.com](http://www.indianafurniture.com).
- 12 Year Warranty (some exclusions may apply, see Full Warranty in Price List)

### Certifications & Compliance

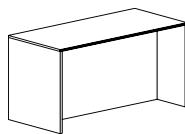

- Intertek Sustainability Certified for compliance with VOC emission concentrations
- BIFMA level® Certified for environmentally-preferable and socially-responsible office furniture
- BIFMA Compliant® Certified for meeting mechanical standards that focus on safety and durability
- TSCA Title VI (Formerly CARB) Compliance
- Contribution to U.S. Green Building Council's LEED Program
