

# Isla Lounge

## Technical Specifications

### Construction & Materials

- Frame:** Exposed wood parts are kiln-dried hardwoods and structurally-engineered hardwood plywood. Exposed frame parts are selected from the highest grade of hardwoods and are free of splits, discoloration, pits, shakes and wormholes. European Beech on legs and arm caps. Joints are double doweled or mortised and tenoned, screwed and glued for maximum strength. Non-marring adjustable nylon glides included in each leg at floor level.
- Seat & Back:** High grade foam is 3¼" thick in the seat and 2" thick in the back. Stretch webbing ensures comfort.
- Finish:** Multi-step catalyzed varnish hand-finishing process is used on all legs and arms. Veneer tablet arms and table tops feature UVAdvantage, an ultra-violet finish on all exposed surfaces by utilizing roll-coat UV technology.

### Features

- Open spaces really come together with the Isla Collection. Create conversation settings or private areas by mixing components to fit the space and needs of the environment. Power and data options keep everyone working on-the-go.
- Select from standard and modular ganging components, including Club Chairs, Settees, Sofas, and Benches in single or contrasting upholsterys, Occasional or Bistro/Stadium Tables in Veneer, Laminate, and/or Solid Surfaces.
- Ganging seat units and tables ship with ganging hardware installed and can easily be folded under the unit when not being ganged to another unit.
- Tablet surfaces are available in left or right arm positions for all seating units with Black TFL, Veneer, or Solid Surface. Optional Upholstered, Veneer, or Solid Surface arm caps make Isla Lounge the solution for high traffic seating.
- Isla ganging or freestanding tables feature upholstered chassis and ¾" thick TFL, Veneer, or Solid Surface tops.
- Black or Silver power port options with one electrical power outlet and two charging USB ports available on seating, ottomans, and tables will keep everyone working on-the-go.
- Bistro Table option provides multi-layer seating when used with Settees or Sofas with Aluminum or Chrome legs.
- Bistro Tables are available with horizontal grain direction in TFL or HPL top with TFL vertical panel or Veneer or HPL top with Veneer vertical panel.
- A broad range of upholstery, leather, and finish options. Get inspired with our [Surface Material options](#).
- Lounge and Tables ship fully assembled; Bistro/Stadium Tables require some assembly.
