

Spark Tables

Statement of Line

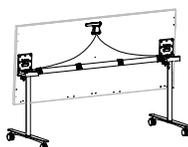

From classrooms to meeting rooms, libraries to auditoriums, our Spark multi-use tables couple design with functionality to create flexible learning and collaborative environments. With a variety of sizes, surface materials, and options for flip/nest, mobile, and static bases, as well as accessories like ganging brackets, modesty panels, power units, and lecterns, Spark can be easily configured, and reconfigured, to accommodate changing group sizes and engagement needs.
