Seat: High Grade Polyurethane foam, 2" thick on the seat and back

Tables Tops: Square and round table tops feature 1" thick TFL top and 1½" HPL top with a 1mm PVC edge band and a square edge profile

Features

- The Spirit Collection, designed by Edge Design, embodies clean lines and soft curves to provide a modern, yet comfortable solution for all your seating needs.
- Find your perfect fit with six back options ranging from Spirit Lite, Spirit Lite with a Headrest, Spirit, Spirit Wood, Spirit Lounge and Spirit High Back Lounge, all offering multiple base options to suit your functional need and design style.
- All units come standard with wireframe base, available in Black, Light Silver or Chrome or polished aluminum 4-star swivel base with non-marring nylon glides. Additional base options for select models include 4-star swivel wood base, wood rocker base and a polished aluminum 5-star base with pneumatic height adjustment, glides or casters and optional auto-return mechanism.
- The 4-star swivel wood base* features two unique wood finishes, Blond Oak and Spiced Walnut and can be used on seating or tables, while the wood rocker base is offers an array of color options with our standard seating wood finishes.
- Spirit Wood Back models are available with a Clear Walnut shell.
- Complementing Square and Round Occasional Tables in a broad range of laminates
- Spirit uses renewable and recyclable materials, allowing it to meet/exceed indoor air quality and environmental certifications.
- Spirit seating units are available in single or contrasting upholstery in a wide variety of graded-in or contract options. Find inspiration for upholstery options with our [Textiles Program](#).
