

KickStart Lounge

Technical Specifications

Construction & Materials

- Frame:** Internal wood components and frame are manufactured using Red Oak and European Beech. Frames are individually hand assembled, and all chair joints are mortised and tenoned, screwed and glued for maximum strength and durability. Non-marring Nylon Glides included in each leg at floor level.
- Seat & Back:** High Grade Polyurethane Foam, 3.5" thick in the seat and 2" thick in the back. Optional Accent Pillow Backs, measuring 22½" x 3¼" x 13½" are attached with a nylon hook and loop material.
- Finish:** Metal legs are 9"H and are available in Aluminum or Platinum.
Tables & Center Panels available in TFL, HPL & Veneer options. Center Panels also available in Upholstered options.

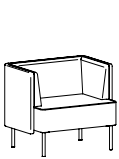

Features

- Standard and Modular ganging components, along with accent models like Pouffes and Club Nook Chairs come together to create multiple configuration options within a space.
- Two back height options, Low and High Surround, provide options for open planning and privacy where you need it.
- Available with and without Pillow Backs
- Contrasting fabrics available to add variety and interest to seats, back, surrounds and pillows.
- Power/USB options in virtually all models allow users to stay connected.
- Media Table paired with Booth models create a small meeting space anywhere.
- Ganging & Bistro Tables provide hard surfaces where you need them.
- A broad range of upholstery, leather, and finish options. Get inspired with all of our [Surface Material options](#).
