

Strut Legs

Statement of Line

Dress up a casual drop-in meeting room or add prestige to an executive suite. Strut Tables are designed with precision minimalist lines and angles to establish modern sensibility in any space. With tops available in circular, square, rectangle, modern rectangle, and boat shapes, in a range of veneer, laminate, and glass options, and in sizes ranging from 3.5 square feet to 5 by 20 feet, Strut can accommodate small meeting spaces, cafes, private offices, or even large board rooms.
