

# Canvas Cushion Installation Instructions

## Part List

- 2 Sided Tape
- Sponge Rubber

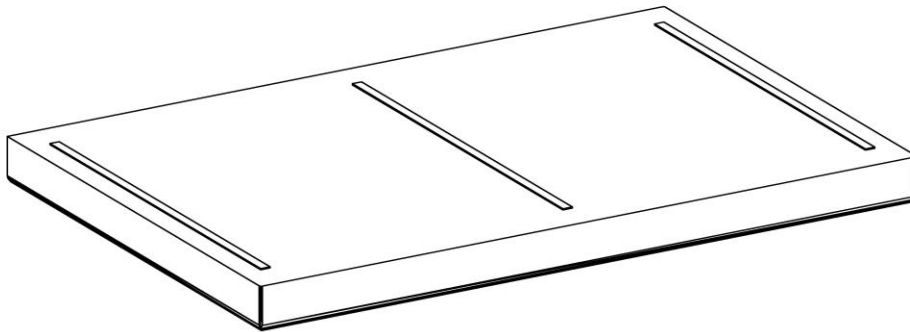

**Step 1:** If Cushion is being used in a **fixed application** use the supplied 2 Sided Tape.

*Or*

If the Cushion is being used in a **movable application** use the supplied Sponge Rubber. This will allow the Cushion to be moved but not slide when in use.

**Step 2:** Turn Cushion over and apply the desired method of attaching as shown below.

**Step 3:** Mount the Cushion to the desired surface.
