L-Group Assembly Instructions

Components:

- 2 – 4" Flat Brackets (Included with Return)
- 10 – 7/8" Screws (Included with Return)
- 1 – Z Bracket (Included with Return)
- 4 – 5/8" Screws (Included with Return)
- Double Sided Tape (Included with Hutch)

① Align top panels and attach flat brackets with 7/8" screws.

② Align and attach return back to wing end on desk with Z bracket and 5/8" screws.

Attach desk wing end to return support using 2 L-brackets as shown

③ Apply double sided tape to bottom edges of surface mounted hutch.

④ Carefully place the surface mounted hutch on the top surface in the desired location. Once placed the hutch cannot be moved without possible damage to the surface.
