

# Hinged Modesty Assembly Instructions

## Components:

- Spark Training Table
- Spark Hinged Modesty Panel
- Hinged Modesty Bracket
- Modesty Caps and Hardware

- 1 Fasten Hinged Modesty Brackets to Hinged Modesty Panel using Modesty Caps on the front face and the Brackets and Hardware on the back face. Ensure the Hinged Modesty Bracket is oriented as shown.
- 2 Align Hinged Modesty Brackets on bottom surface of Training Table using peck holes as shown.
- 3 Fasten Hinged Modesty Panel Brackets to bottom surface of Training Table using 5/8" PPH Screws.
