Transaction Top Assembly Instructions

Components:

- Canvas Reception Transaction Top
- Canvas Reception Desk Shell
- 4" L Brackets
- 5/8" PPH Screws
- Optional Glass Transaction Top
- Optional Glass Transaction Top Standoffs

- 1 Position transaction top on top of desk shell in desired location with 1-1/2" overhang as desired.
- 2 Secure transaction top to reception desk shell back and sides using 4" L brackets and 5/8" PPH screws.

Optional Glass Transaction Top:

- 3 Locate peck holes on top of transaction top and secure barrel of standoff to transaction top using screw provided with standoff.
- 4 Place plastic washer and glass surface on top of standoff barrel.
- 5 Screw standoff cap with plastic washer into standoff barrel through holes in glass surface.
