

Retrofit/Redesign with Screens+Dividers

In response to changes in working environments spurred by COVID-19, we have expanded our options to further provide privacy and safety.

Indiana
FURNITURE

Add additional safety to your welcoming areas and lobbies with 33"H Panel Screens with a transaction slot, which can easily be added to furniture that's already installed and in use.

AFTER

BEFORE

Retrofitting private offices is easy with our freestanding Screen Dividers. Available in multiple sizes, they can quickly be added to worksurfaces to provide users with a protective barrier for visitors.

AFTER

BEFORE

Even if you have a custom furniture setup, our Specials Team is ready to work with you and your environments to outfit your needs.

AFTER

BEFORE

Need to take your screens higher for additional privacy and protection?

No problem. Our Screens and Dividers are available in multiple heights and widths, and can be easily added to your current furniture.

AFTER

BEFORE

Additional Tip: Move Pedestals to help separate and provide additional space between users.

Take workstations to the next level with Gallery Screens and Toppers. Our Design Services and Specials Team can assist in retrofitting office spaces to meet today's needs.

AFTER

BEFORE

Easily convert areas for call centers with the addition of Gallery Screens, available in 30", 42", and 51" heights and a range of widths, and Toppers.

AFTER

BEFORE

Workstations in open plan environments and shared spaces can be easily retrofitted to provide more privacy and protection.

Choose Gallery Screens and toppers to help delineate space between users.

AFTER

BEFORE

Effortless Integration.

The new screen styles, in a variety of materials, widths, and heights, make it easy to retrofit personal and shared workstations with additional privacy and protection.
