GRAB A SEAT AT THE TABLE.

Whether you need a formal conference room, a small meeting area in a private office, a collaborative work solution, or a café, our lineup of tables provides everything you need.

All the right styles, sizes, shapes, and details allow you to accommodate the changing needs of business without sacrificing function, aesthetics, or your budget.

Our tables series are responsible too. They consider the environment by using renewable and recyclable materials, allowing them to achieve indoor air quality and BIFMA level® certifications, and comply with the mechanical standards that focus on safety and durability to meet BIFMA Compliant® certification.

Feel the Presence of Aura.

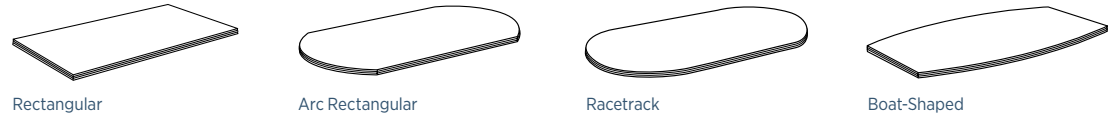

Available in standard or premium veneers, as well as HPL tops, Aura Tables and Components complement our contemporary collections like Madera, Encompass, and Allegiance, along with Aura Reception.

Add technology function with wall units that include AV cabinets, optional pull down projection screens, tabletop power centers, and hinged wire access doors.
