## A FRESH TAKE ON CLASSIC STYLING.

Britta packs good looks and comfort into a sleek silhouette. Designer Chris Carter integrates light scaling and solid wood framing in a simple and balanced contemporary collection.

Select from single guest, single lounge, and settee styles with an array of complementary occasional tables. Specify open arms or upholstered inserts in matching or contrasting fabrics, tables available with your choice of two edge profiles, and wood finishes from a comprehensive palette inspired by nature. With Britta, you have everything you need to create inviting spaces with a warm and energetic sensibility.

Our Britta Collection is responsible too. It considers the environment by using renewable and recyclable materials, allowing it to achieve indoor air quality and BIFMA level® certifications, and complies with the mechanical standards that focus on safety and durability to meet BIFMA Compliant® certification.
