

AURA

RECEPTION SOLUTIONS

Indiana
FURNITURE

SAY HELLO TO WELCOMING ENVIRONMENTS.

Welcoming environments start with furniture that's warm and inviting. Create a customized reception and work area through flexible combinations of shells, components, and work surfaces that address multiple configuration options.

Subtle details, including multiple pull styles, edge options, overlay panels, molding options, and transaction counters in a variety of materials allow for a personalized look or seamless blending with any of our standard casegood and table offerings.

Our reception products are responsible too. They consider the environment by using renewable and recyclable materials, allowing them to achieve indoor air quality and BIFMA level® certifications, and comply with the mechanical standards that focus on safety and durability to meet BIFMA Compliant® certification.

Make Lasting First Impressions.

Create a presence with our Aura Collection. Select grade cherry, walnut, maple, and composite veneers, with optional laminate, solid surface, and glass features.

Modular components, like desks, returns, bridges, and storage units, a broad range of pull and edge profile options, transaction counters, tack boards, and matching or contrasting overlay panels, make personalizing your function and aesthetics easy.

Pair with Aura Tables or Gesso Casegoods for a seamless look across spaces.

Statement of Line
