## WHAT LEGENDS ARE MADE OF.

With a nod to the '50s and '60s, Iconic's clean lines, tapered legs, and unexpected details present a timeless, approachable quality while being suited to outfit a multitude of areas, including private office, open plan/benching, storage components, small meeting areas, and ancillary spaces.

Make Iconic your own with:

- A choice of three edge profiles—square, knife, and illusion (a unique style found only on Iconic)
- Contrasting components, like the top, chassis, modesty, accents, and legs, to create a signature look
- Integrated feature accents within modesty panels, pulls, and cabinets to allow for a truly personalized specification
- A holistic surface materials palette—veneer finishes, woodgrain and solid laminate tops and accents, black and chrome metal accents, and a nearly endless range of graded-in and contract upholsteries

Iconic is responsible too. It considers the environment by using renewable and recyclable materials, allowing it to achieve indoor air quality and BIFMA level® certifications, and complies with the mechanical standards that focus on safety and durability to meet BIFMA Compliant® certification.

## Signature Styling.

We strived to break-through the everyday...while providing for everyday. The outcome is an offering that exudes signature styling coupled with functional form. The outcome is Iconic.

Select from a variety of table, double, and single pedestal desks, run-off surfaces, returns, bridges, credenzas, storage dividers, bookcases, and hutches, along with a wide variety of options and accessories to personalize a broad range of applications.

Veneer and Laminate Options

Our veneer options feature our UV topcoat finish, UVAdvantage. The result is a low-emitting finish that provides exceptional depth, clarity, durability, and chemical resistance throughout the life of the product. 3D laminate surfaces eliminate the need for edge banding, visible seams, and special edge treatments. Our Matte White and Matte Black options are not only durable, they leave no fingerprints. The matte, soft touch finish will add a sense of luxury, beauty, and style to any interior space. Our Concrete option features a city-inspired, grey concrete surface with an embossed texture that is real to the touch and feel.
