FURNITURE

FIND JOY AT WORK.

Find joy at work no matter how hectic the schedule looks. Joy Task Chairs and Work Stools are both stylish and highly adjustable. Choose from breathable mesh or contoured upholstered backs, a range of five arms or armless models, standard black fabric or vinyl, graded-in fabrics, or select any contract textile to suit the décor. Contrasting fabrics, an optional stitching detail, and a choice of polished or black bases complete the look.

Find the perfect fit with a back height adjustment, adjustable lumbar support, adjustable foot rings, optional height and width adjustable arms, seat slider, and synchro-tilt controls. Rated up to 400lbs, Joy Task Chairs and Stools are the natural go-to for a diverse range of users and environments.

Joy is responsible too. It considers the environment by using renewable and recyclable materials, allowing it to achieve indoor air quality and BIFMA level® certifications, and complies with the mechanical standards that focus on safety and durability to meet BIFMA Compliant® certification.

PRESNT SOLUTION - YOUR SOLUTION
INTRODUCE YOURSELF - WHY YOU ARE BEST

Joy Brings Happiness.

With the choice of an adjustable mesh back, standard with a 4-position lumbar adjustment, or adjustable, upholstered back, a range of fixed and adjustable arm options, recline with tension control, pneumatic height adjustment, a choice of control mechanisms and casters, seat slider, and support up to 400lbs, Joy allows every user to personalize the features.

Optimize comfort or, as some may say, happiness with Joy's customizable ergonomics.

Welcomed Versatility.

Joy's comprehensive range of options provides style, comfort, ergonomics, and support up to 400lbs, making it ideal for everyone in every application.

Add Joy to conference and training rooms, collaboration areas, team settings, private offices, and more. Its versatility allows for the perfect fit in any space.

Heighten Your Comfort.

Raise your ability to work in style and comfort. Joy Work Stools provide the same support and ergonomics as its complementary task seating, allowing you to effectively work and collaborate at taller worksurfaces, like counter and bar heights.

The Joy Family works in conjunction to outfit every application within a facility. Create a cohesive look and provide high performance in all types of work zones.

Options to Dial In Your Joy.

Whether you need task seating or work stools, or both, Joy's comprehensive options allow you to accommodate a diverse range of users. Communicate style with the optional upholstery detail and boost productivity with adjustable arms and the optional seat slider.

- Task Chairs or Work Stools, all supporting users up to 400lbs
- Black or white breathable, mesh backs featuring a 4-position lumbar adjustment
- Contoured upholstered backs with optional stitch detailing
- Pre-selected black fabric on the seats, and the same or contrasting graded-in fabrics or a full spectrum of COM options on the back and seat
- Six types of arm options, ranging from armless to T arms to Cantilever
- Fixed or adjustable back height
- Pneumatic height adjustment
- Recline with tension control and tilt lock
- Multiple control options to fit performance needs
- Black or polished aluminum 5-Star base
- Three types of casters, including dual-wheel, non-marring soft, or hard surface casters
- Adjustable chrome foot ring on Work Stools
- Optional seat slider on mesh Task Chairs, standard on upholstered back Task Chairs

Rated for users up to 400lbs, Joy Task Chairs and Stools are the natural go-to for a diverse range of people and environments.
