CASEGOODS THAT SUPPORT YOUR IMAGINATION.

Always stylish, comfortable and effortlessly adaptable, Canvas Laminate and Gesso Veneer Caseloads enliven environments with refined aesthetics and unexpected details born from an appealing mix of materials, finishes, and components.

Canvas and Gesso establish nice-to-haves as a standard offering. Integrated adjustable height, studio components, landing tables, soft-close doors, metal, acrylic, and glass options, to name a few, elevate the style of any space.

Experience the breadth of Canvas and Gesso to find the perfect fit and level of style for your needs. Explore models, sizes, and premium details to heighten function and luxury for any user and every environment.

Canvas and Gesso are responsible too. They consider the environment by using renewable and recyclable materials, allowing them to achieve indoor air quality and BIFMA level® certifications, and they comply with the mechanical standards that focus on safety and durability to meet BIFMA Compliant® certification.

Forward-Thinking Distinction.

The private office emulates discerning taste with a clean, minimalist design. Continuity of materials combined with refined details such as metal accents, glass options, and high gloss acrylics make Canvas and Gesso the go-to standards for your private office.

Flex the function of your private office and tailor it to fit the unique needs of your business. Canvas and Gesso span a vast selection of sizes and possible configurations.

Fit and Function.

With an enhanced selection of multi-dimensional components, the creation of an ultra-functional workspace is limited only by your imagination. Work walls have optional tool rails and accessories.

Add another level of interest with contrasting hutch doors that can be specified right- or left-handed. Hutches and Storage Cabinets come in a variety of open and closed-door options, as well as surface materials like Dry Erase Boards and Glass, to customize your visual display.

Open for Business.

Clean case design, concealed wires, and warm materials all make Canvas and Gesso welcomed additions to the open plan. Functional elements such as low storage and height adjustable surfaces can be dressed up with a sophisticated blend of surface materials.

Canvas and Gesso's 2, 4, and 6-pack configurations, coupled with Privacy and Gallery Screens, easily enable workers to shift from collaborative work to focused, heads-down work.

Take a Stand.

Canvas and Gesso height adjustable models allow users to move from sitting to standing and standing to sitting seamlessly throughout the day. And the thoughtful design easily coordinates with technology to keep cords at bay so you can stay focused on the task at hand.

From personal workspaces to collaborative teaming, and everything in between, Canvas and Gesso offer height adjustable models to span every type of workstation and user.

A Boutique-Inspired Feel.

Give working environments a fresh look and a subtle touch of home. Studio models build upon simplicity and flexibility while allowing you to create eye-catching spaces. The slim leg design provides an upscale feel, while the unique Studio pull communicates sophistication.

Whether you're looking to outfit an executive's office, team space, collaborative area, or anything in between, our Studio desk and storage components have the look and feel you desire.

Details & Options:

Functional Wall Panels are available in both Canvas and Gesso in a range of options to give you complete freedom to create the space and function you need.

Gallery Screens provide space division for users, teaming areas, and collaborative spaces.

Effortlessly adaptable, Canvas allows for distinctive design details, like an appealing mix of materials, finishes, and components.

Change up the look of your design. Drawers and door fronts have the option of vertical or horizontal grain direction.

Specify fabric or dry erase work walls; then add accessory trays to assist with organization.

Provide more organization. Paper slots are an option on surface and wall mount hutches. Choose from chrome or TFL slot dividers.

For a more contemporary look, while providing ample storage and organization tools, specify an L-Shelf.

Project a fresh, polished attitude with high-gloss acrylics or glass on doors, or add function by using dry erase boards on doors.

Easy to specify wire management options allow users to route cords away from the work surface for a clean aesthetic.

Having power and data within reach has never been more important. With a range of options, Canvas and Gesso allow users to stay easily connected.

Pair Canvas Reception or Aura Reception, and Canvas and Gesso Conferencing with Canvas and Gesso Casegoods to create a consistent look and feel throughout an entire facility.

Need a full office of casegoods? Need it fast? No worries! Select from a wide range of freestanding and modular Canvas components to quickly create an office without sacrificing style or functionality.
