VERSATILE GREATNESS.

Fifteen Lounge and Fifteen Pods provide a spectrum of options to create linear and curved configurations, individual settings, and everything in between. From casual to sophisticated spaces, easily balance the need for openness and privacy throughout the workday across your entire facility.

Select from one, two, and three seat lounge and pod models, straight or corner lounge pieces, with high or low backs and with or without arms, giving you complete flexibility to design the space you need. Add panels to create booths, tables, and power/data to give users total versatility to work their way.

Bring your vision to life with a holistic surface materials palette—beautiful and durable veneer finishes, complementing woodgrain and solid laminate tops, aluminum, black, and chrome metal accents, and a nearly endless range of graded-in and contract upholsteries.

Fifteen Lounge and Fifteen Pods are responsible too. They both consider the environment by using renewable and recyclable materials, allowing them to achieve indoor air quality and BIFMA level® certifications, and they comply with the mechanical standards that focus on safety and durability to meet BIFMA Compliant® certification.

Flexibility For Today's Needs.

With Fifteen Lounge, you can select from straight or corner models, high or low backs, and with or without arms, giving you complete flexibility to design the space you need.

Combine and gang models to create large configurations or utilize single units to provide individual settings. Then add our optional power/data modules to keep users connected.

All-Around Applicability.

Create a welcoming lobby, personal getaways, private meeting areas, or collaboration spaces throughout a facility. With the design simplicity of Fifteen Lounge and Fifteen Pods, it's easy to integrate them into any interior concept to give users increased comfort and functionality.

Use Fifteen Lounge and Fifteen Pods by themselves or pair them together for expanded applicability.

Balancing Open and Private.

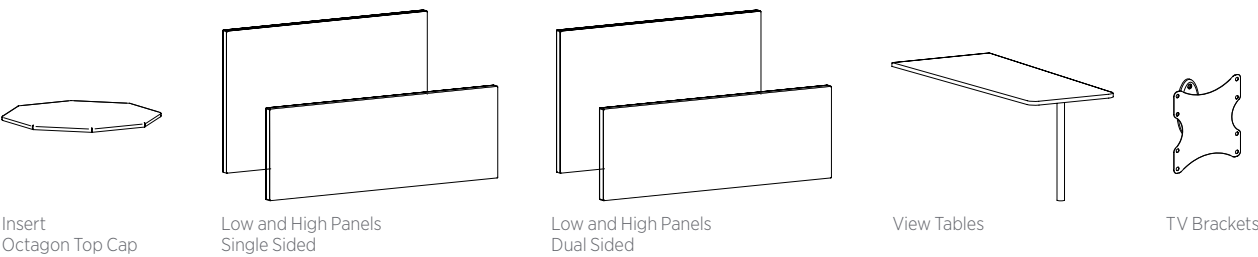

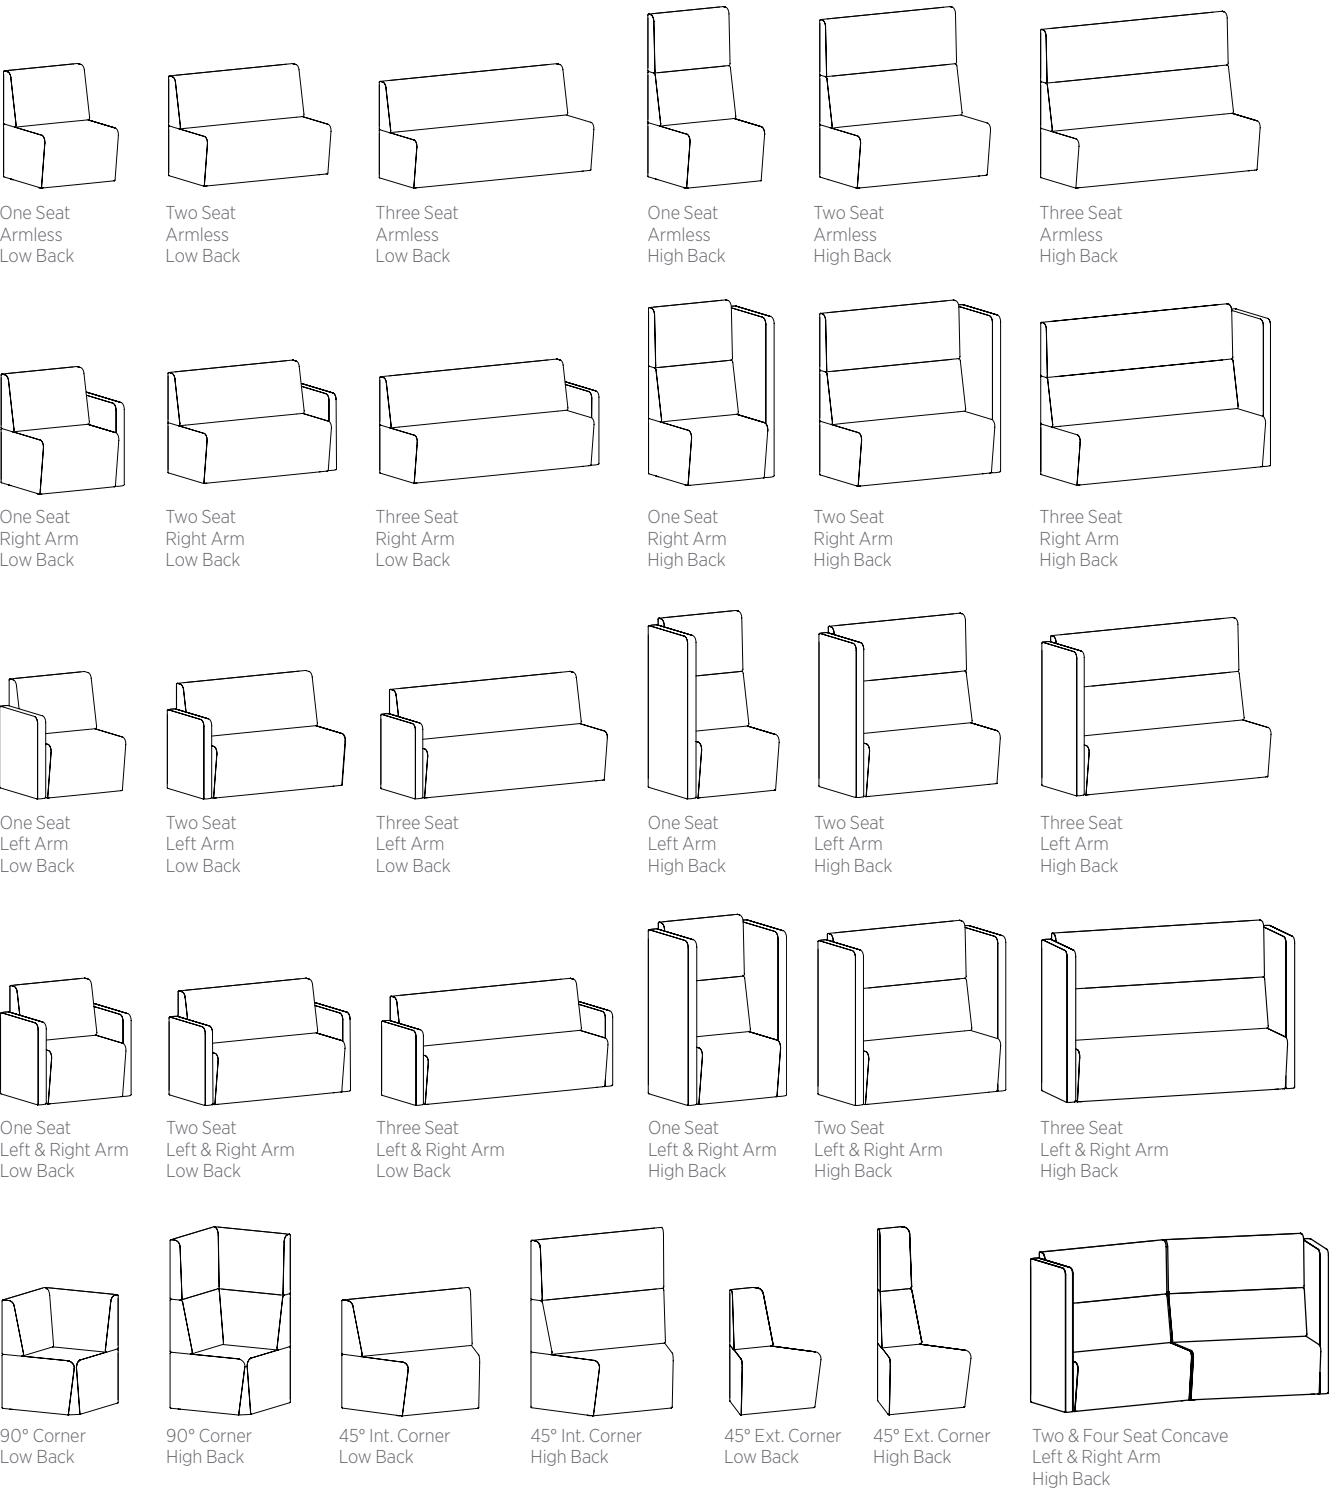

With today's need to balance openness and privacy, Fifteen Lounge and Fifteen Pods provides the versatility to do both.

Low and High Panels, in single or dual-sided, easily connect to delineate space, create booths, and provide privacy. Add tables, TV mounts, power/data units, and more to provide a multi-use, functional setting.

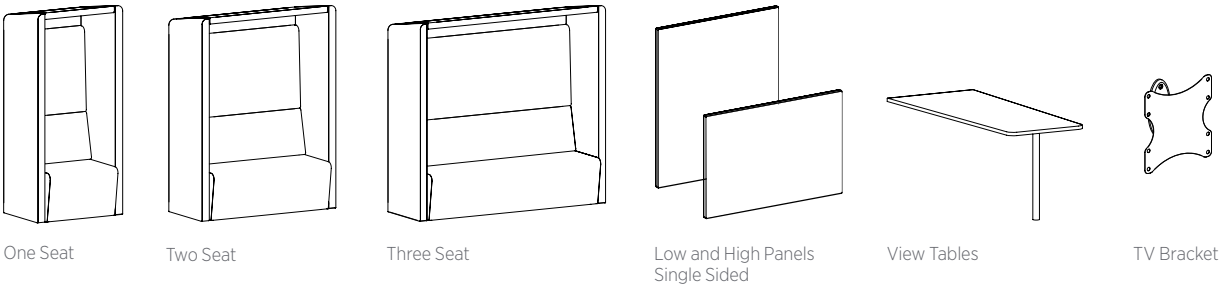

Designed around the science of acoustics, Fifteen Pods helps to keep conversations contained within and external noises out.

Veneer and Laminate Options

Fifteen Table models come standard with a Veneer, HPL, or TFL worksurface and a square profile. Our veneer casegoods feature our UV top finish, UVAdvantage. The result is a low-emitting finish that provides exceptional depth, clarity, durability and chemical resistance throughout the life of the product.
