SEATING + TABLE SOLUTIONS

Indiana  
FURNITURE

## CONTEMPORARY & OH SO COMFORTABLE.

The flexibility to accommodate today's ever-changing spaces coupled with clean styling and an unexpected, enjoyable sit make Isla the go-to lounge solution.

Create conversation settings, private areas, or anything in between by mixing Isla's components to fit the space and needs of the environment. Select from armless, 1-arm, or 2-arm club chairs, settees, and sofas. Mix it up with armless swivels or angled settees to foster conversation. Add on ottomans, benches, bistro tables, and freestanding or ganging tables to create a cohesive and functional gathering spot. Optional powder-coated metal legs and arm caps of wood or solid surface are perfect for high-traffic areas, while power and data options keep everyone working on-the-go.

Our Isla Collection is responsible too. It considers the environment by using renewable and recyclable materials, allowing it to achieve indoor air quality and BIFMA level® certifications, and complies with the mechanical standards that focus on safety and durability to meet BIFMA Compliant® certification.

## Collective Usability.

Isla lounge combines modern lines and expansive functionality through a complete collection of freestanding and modular lounge components that seamlessly configure and reconfigure to create reception areas, private nooks, and open plan, shared environments.

Use bistro/stadium tables to provide multi-layer seating. Add power and data ports to keep users connected. Specify arm caps for high-traffic areas. The options abound.

## Bring The Workplace Together.

Isla's strength is in the flexibility and broad range of usage. Outfit a private office with soft seating. Connect a team to foster productivity. Delineate space in collaborative areas. Create a small meeting or huddle spot. Or simply add extra seating, and comfort, to shared spaces.

### Enhance Your Space with Cush Pillows.

The perfect pillow can help to make any lounge a little more stylish, a private nook a little cozier, and the overall room a little brighter.

## Brainstorm. Chat. Take A Break.

With options like Armless Club Chairs that swivel, Angled Settees that gang, Bistro/Stadium Tables, and more, it's simple to create spaces that give employees comfort while brainstorming, collaborating, touching down, or simply working on their own.

Add tablet arms, ottomans, pouffes, stools, and marker boards to provide a fully functioning space that keeps employees productive and business moving.

Details & Options

**Cap It Off:** Arms can be fully upholstered or accented with solid wood or solid surface arm caps.

**Work Away:** Pivoting tablets in melamine, veneer, or solid surface are available on task arms to keep you working on-the-go. Specify left or right arm.

**Power Up:** All chair components can be specified with ports that include one electrical and two USB charging ports. Specify black or aluminum in left arm, right arm, or left front location.

**More Power:** All tables have an optional aluminum port with one electrical and two USB charging ports.

**Personalized Look:** Contrasting fabrics help to create a style that's all your own.

**Connect:** All chair components ship with high grade, metal ganging brackets installed. The unique design slides together and holds tight until released by simply lifting up on the receiving chair unit. Don't want to gang units together? No problem. Each ganging bracket pivots and folds under to be concealed for later use.
