KICKSTART MORE CONVERSATIONS. BIGGER IDEAS. AND YOUR BUSINESS.

KickStart's flexible lounge and table offerings combine with collaborative elements to create inviting spaces for people to gather, work, re-energize, and learn.

The collection's classic forms and refined scale are enhanced through precise details, tailored upholstery, and a horizontal stitch detail. Two back styles, with or without a pillow, combine with upholstery options to create a versatile aesthetic ranging from sophisticated to casual.

Experience the breadth of this line to find the perfect fit and level of style for your needs. Explore models, sizes, and premium details to heighten function and luxury for the user, the environment, and all of your guests.

KickStart is responsible too. It considers the environment by using renewable and recyclable materials, allowing it to achieve indoor air quality and BIFMA level® certifications, and complies with the mechanical standards that focus on safety and durability to meet BIFMA Compliant® certification.

Greet Interactions in Style.

Whether you're looking to express your casual or sophisticated side, KickStart features a versatile offering of functional, yet tailored pieces that allow you to effortlessly outfit a range of design styles.

Create a welcoming front entrance, lay out a cohesive lobby, or bring coziness to a library or gathering spot. KickStart packages great looks with practicality to meet the needs of today's multi-use spaces.

Open. Private. And Everything In Between.

With the choice of low or high surround panels, providing spaces to accommodate private nooks, quick interactions, or casual conversations has never been easier.

Add function to your setting with ganging tables, tablet arms, and power ports. Optional pillow backs provide additional support and are available as a contrasting design element.

Flex the Function of Your Space.

KickStart allows you to delineate space to heighten functionality and provide a balance between openness and privacy, while adding more style and character to the overall work environment.

Support ongoing collaboration, create relaxing areas to take a break and re-energize, or bring comfort to a learning/training area. KickStart seamlessly integrates with other products to create a cohesive environment.

Statement of Line:

Standard Components

Modular Components

Showcase Your Style:

KickStart lets you personalize the application of upholsteries. Choose a single fabric or contrast multiple fabrics to create a look that’s all your own.

Surface Materials:

Upholstery Options

KickStart models are available with single or contrasting upholsteries in a wide variety of graded-in or contract options, including fabric, vinyl, and leather. The use of fabric patterns and stripes is highly discouraged as they may result in alignment issues.

To ensure a proper fit and finish on the High Surround feature of the KickStart models, we will require upholsteries to fit within a specific range of stretch. To make specification easier for you, we have pre-approved upholsteries for the High Surround feature. These are included on the Stinson Color Story Card and can be found at www.IndianaFurniture.com/textiles.

Veneer and Laminate Options

Our veneer caseloads feature our UV top finish, UVAdvantage. The result is a low-emitting finish that provides exceptional depth, clarity, durability and chemical resistance throughout the life of the product.

* Finish is Low Sheen
