FURNITURE

CONFIGURE YOUR OWN STORY.

Whether you move in straight lines or mix it up with some curves, Script is a people-centric line that brings together freestanding and modular forms to balance levels of privacy and collaboration, empowering users to take on any task throughout the day. With versatility that ranges from casual to sophisticated, and sizes that outfit junior to adult, it's easy to create spaces that support how people live, work, learn, and achieve.

Personalize your own configuration with:

- Freestanding/Ganging Linear + Curved Models
- Three Back Heights + Junior models
- Wood Tapered Legs, Metal Tapered Legs, or Metal Sled Bases
- Aluminum, Black, or Snow Metal Finishes
- Bistro and Ganging Tables in Veneer, HPL + TFL
- Power Options for Lounge Units and Tables
- Contrasting Fabrics

Script is responsible too. It considers the environment by using renewable and recyclable materials, allowing it to achieve indoor air quality and BIFMA level® certifications, and complies with the mechanical standards that focus on safety and durability to meet BIFMA Compliant® certification.

Comfort + Versatility.

Your style. Your design. Script is at home in a broad range of environments. And did we mention it's easy to personalize with contrasting upholsterys and optional features?

From linear models to soft curves, all in your choice of three back heights, coordinating tables, and Junior-sized models, Script has the versatility you need to configure the environment you desire. And Script is a high-occupancy option, meaning that standard units are rated for users up to 400lbs, while Junior units are rated up to 275lbs..

Bring your vision to life! Script offers single or contrasting upholsteries. Select from a broad range of textile partners to personalize your look.

Colors represented are high-resolution reproductions and may vary slightly from the actual product. To order samples, please contact our Customer Service team or order online at www.indianafurniture.com. Graining and finish colors may vary, yet will continue to complement, across Veneer, HPL, TFL, and Seating products due to the inherent differences of these materials.
