The *Smart Way* To Get Furniture *Faster*.

Say hello to Indiana Furniture's Quickship Program, iQ, where you can specify some of our most popular products on a faster timeline. iQ orders will be shipped approximately two weeks after receipt of a 'clean' order and date of credit approval.

Products include Canvas Casegoods, Canvas Reception, and Chat Tables, along with Joy, Rockstar, and Dab Seating. Select from a broad range of models, options, and materials to quickly outfit offices and add to spaces without sacrificing style and functionality.

Orders must be received by Thursday at 3:00pm to meet the two-week production schedule. Some model restrictions may apply. Available factory capacity for iQ is filled by orders received on a first come, first served basis. If a product series or item is impacted by extended lead times, the iQ models may also receive an extended lead time. Cancellations or changes to iQ orders are not allowed under any circumstances. Refer to the iQ price list online for full Terms + Conditions, available models, materials, and options.
