Indiana
FURNITURE

Being over a century old hasn't slowed us down! Sure, we are still the reliable, ethical company that was born in southern Indiana, steeped in quality, craftsmanship, and service. But have you seen our latest introductions? We are making a splash with design and challenging the concept of modern offices. Go ahead. Take a look. You know you want to.

Our Pledge to People + Our Planet.

We've been making wood furniture longer than just about anyone...and we want to be doing so for a long time to come. That's a large part of why we take a stewardship approach to our resources. We believe that environmental sustainability and business profits need not be mutually exclusive. They can and should exist side by side in a mutually beneficial relationship. And for more than a century, we've been showing how it's done.

We've proven our commitment to a sustainable future by supporting the standards and programs that protect our home planet and human health. Whether it's local sourcing, reducing contaminants, implementing wellness and safety programs, or diverting waste from landfills, social responsibility is a part of every decision we make at Indiana Furniture.

One of the surest ways to reduce our impact on the planet is to make and buy things that last. And this one's a natural for us. Our products are made with craftsmanship and attention to detail that are a part of our more than a century-long legacy in wood manufacturing. And our products are backed by our 12-year warranty, which facilitates maintenance, servicing and reassembly.

All of our product lines:

- Are manufactured and assembled in the USA,
- Meet or exceed Indoor Air quality standards*,
- Meet or exceed BIFMA level® Sustainability standards and certification*,
- Conform to the BIFMA Compliance standards*,
- Comply with TSCA Title VI (CARB) standards,
- and can contribute to U.S. Green Building's LEED Program.

Dab is more than just a great chair. By using recycled content, this chair is all about being sustainable and reducing our carbon footprint. And with every Dab chair ordered, we will donate a percentage of the sales to The Common Thread for The Cure, a foundation dedicated to the battle against breast cancer.

DAMAGED MERCHANDISE

The consignee is responsible for filing claims with the carrier for damage and shortages. GENERAL INFORMATION & CONDITIONS OF SALE

Obvious Damage/Missing Cartons — Do not refuse merchandise damaged in transit. Indiana Furniture recommends the consignee inspect all merchandise upon arrival. If a shipment is received damaged or short, note all information on carrier's copy and your copy of freight bill and delivery receipt. Notify the delivering carrier and file a claim immediately. Pending the results of your claim, either Indiana Furniture or the carrier will cover 100% of the cost to repair or replace the damaged or missing item.

Concealed Damage — If concealed damage is discovered, notify the delivering carrier at once and request an inspection. This must be done within 15 calendar days of delivery. If the carrier will not perform the inspection, you should prepare an affidavit that you contacted them, noting the time and date, and that they failed to comply with your request. This, along with the other papers in your possession, will support the claim. Pending the results of your claim, the cost to repair or replace the item will be covered 1/3 by the carrier and 2/3 by Indiana Furniture for shipments less than a full truckload and 100% by Indiana Furniture for shipments of full truck loads.

RETURN MERCHANDISE

4. Mis-marked cartons
5. Duplicated shipments

If you have any questions as to whether your reason for return qualifies for consideration, please contact your Customer Service Representative. Merchandise must be returned within 60 days of the RGA issued date, or within 60 days upon receipt of replacement product to receive credit. Returns due to mis-marked cartons must also be returned in the original cartoning, with shipping labels intact, to receive credit.

All merchandise being returned must be properly packed and protected to ensure no further damage is incurred during transportation back to an Indiana Furniture facility. Upon receipt, all returned merchandise will be thoroughly inspected and the results compared to the reason for return stated on the RGA. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

PHOTOGRAPHIC FABRIC CARDS

The fabrics represented on Indiana Furniture photographic cards were reproduced using the finest technology available. Each Indiana Furniture photo card has an 800 phone # for your use while ordering free fabric swatches or samples. Please verify your desired fabric before ordering as such orders are not subject to return to Indiana Furniture.

FABRIC REPEATS

Indiana Furniture will make every attempt to match obvious patterns within a single chair from the seat to the back, vertically and horizontally.

Matching fabric patterns from chair to chair may require extra yardage and must be noted on the order to avoid delays in shipments. If the order will require COM to be matched from chair to chair, please contact Customer Service at 800-422-5757 to optimize the yardage for multiple quantities and pattern matching.

FRAMES & GLIDES

All wood frame chairs feature kiln-dried hardwoods which are double-doweled, securely glued, and screwed for maximum joint stability.

Guest chairs ship with nylon glides as standard. Felt glides (FELT) are also available on many of our wood Guest Chairs at no additional charge. Must be specified on the order.

UPHOLSTERY FOAM

All Indiana Furniture chairs consist of a high grade polyurethane foam that meets CAL 117-2013.

FINISH

Indiana Furniture standard seating finishes correspond to casegoods and conferencing finishes and laminates. Minor variations in finish color and value may occur due to the natural characteristics of wood. Consult this price list for specific finish availability within each series.

Special Finishes: Indiana Furniture is able to accommodate our customer's needs for specific finish matches. Please submit a 3"x5" sample panel to Customer Service for quotation and lead time.

FINISH CONTINUED

All Indiana Furniture Chairs feature a catalyzed varnish finish which offers lasting beauty and resistance to normal wear.

Tables will feature our UVAdvantage finish or a catalyzed varnish finish. See individual series for specific information.

An overview of our finishes and laminate options can be found on the inside of the back cover of this price list.

CASTERS & NAIL TRIM

Indiana Furniture contemporary swivel chairs are standard with black hooded dual wheel carpet casters.

All Indiana Furniture traditional seating has brass accents (casters and nail trim) where applicable. Silver accents are available. Please specify (SLVR) at no additional charge.

In addition, some of our traditional seating is available with no nail trim as requested (NONT) at no additional charge. Must be specified on order.

CONTROL OPTIONS

See individual series within this price list for control options and pricing.

Knee-Tilt Control

The Knee-Tilt control features a heavy-duty torsion bar or a spring tension control which allows variable tension for different body sizes and weights, and minimal rise of the seat's front edge. This allows the user's feet to remain planted while reclining to a relaxing position.

CAL 133 CERTIFICATION

California Technical Bulletin 133 (TB133 or CAL133) is a composite fire test for fully-assembled seating manufactured for use in certain public buildings. As such, the certification is specific to the fabric that is used in conjunction with the frame and the barrier. Many Indiana Furniture seating products, in combination with some of our standard fabrics, can be manufactured to meet the requirements for certification. Depending on the frame style, a fire-retardant barrier or fire-retardant foam will be incorporated in the chair construction to provide the best opportunity for a successful CAL133 burn test.

The cost of the test is \$1122 (net) which includes the test, freight to the test facility and the fully-assembled test sample. Once payment has been made, please allow approximately 6-8 weeks for the production of the chair and the completion of the test. Once we receive the successful certification, the order may be placed allowing for 1 week extra lead time using the "CAL" prefix on the model number with an upcharge of \$170 list per chair. Please contact Customer Service at 800.422.5727 to order the test.

If you do not need the actual Certification, but wish to have the chairs manufactured to meet the regulation, we can upholster the chair using the fire-retardant components at the \$154 list upcharge per chair. Please order the appropriate frame allowing for 1 week extra lead time, using the "CAL" prefix in front of the model number.

CAL	California Test Cost (NET)	\$ 1122
	Up Charge Per Chair	\$ 170

Please note that if you wish to have Certification on a COM material, Indiana Furniture must approve the fabric according to the COM policy as well.
