Indiana
FURNITURE

Being over a century old hasn't slowed us down! Sure, we are still the reliable, ethical company that was born in southern Indiana, steeped in quality, craftsmanship, and service. But have you seen our latest introductions? We are making a splash with design and challenging the concept of modern offices. Go ahead. Take a look. You know you want to.

Our Pledge to People + Our Planet.

We've been making wood furniture longer than just about anyone...and we want to be doing so for a long time to come. That's a large part of why we take a stewardship approach to our resources. We believe that environmental sustainability and business profits need not be mutually exclusive. They can and should exist side by side in a mutually beneficial relationship. And for more than a century, we've been showing how it's done.

We've proven our commitment to a sustainable future by supporting the standards and programs that protect our home planet and human health. Whether it's local sourcing, reducing contaminants, implementing wellness and safety programs, or diverting waste from landfills, social responsibility is a part of every decision we make at Indiana Furniture.

One of the surest ways to reduce our impact on the planet is to make and buy things that last. And this one's a natural for us. Our products are made with craftsmanship and attention to detail that are a part of our more than a century-long legacy in wood manufacturing. And our products are backed by our 12-year warranty, which facilitates maintenance, servicing and reassembly.

All of our product lines:

- Are manufactured and assembled in the USA,
- Meet or exceed Indoor Air quality standards*,
- Meet or exceed BIFMA level® Sustainability standards and certification*,
- Conform to the BIFMA Compliance standards*,
- Comply with TSCA Title VI (CARB) standards,
- and can contribute to U.S. Green Building's LEED Program.

COM/COL & Graded-In Programs

COM - CUSTOMER'S OWN MATERIAL

All Indiana Furniture seating is available with material furnished by the customer. Refer to grade 1 for list prices. Refer to individual model number for COM yardage requirements. The listed COM yardage requirement is based on the use of non-directional upholstery 54" wide for a quantity of one chair. Extra upholstery is required to match any pattern with a repeat, either vertically or horizontally. Use the chart below as a guide to add to plain COM yardage requirements listed in the price list.

For multiple chair quantities, contact customer service to optimize the yardage per chair at 800-422-5727.

Upholstery	Plain	2"- 14"	15"- 27"	28"- 36"
Width	Upholstery	Repeat	Repeat	Repeat
54"	0%	10%	25%	30%

Upholsteries less than 54" wide will not be accepted.

Due to the upholstering process used by Indiana Furniture, some COM upholsteries are considered directional that may not be considered directional by the upholstery supplier. All Upholstery COM's are cut "up the roll" and all vinyls are cut "across the roll" by Indiana Furniture unless otherwise directed by the customer (see below). All directional upholsteries on Indiana Furniture frames match both vertically and horizontally. If you do not desire repeat match, please specify on order.

Note: Directional upholsteries, such as stripes, patterns and plaids may not meet your satisfaction due to contoured shapes and tufting of some models. Should you require such a selection, we will upholster as perfect as possible, but such orders are not subject to return. If in doubt, contact your Indiana Furniture Customer Service Representative prior to placing the order.

COM/COL ORDERING INSTRUCTIONS:

Fill out the form below and attach sample according to instructions on reverse side of form. **COM's/COL's must meet and include written confirmation from the supplier verifying CALTB 117-2013 compliance and you must designate the flammability materials within for the TB 117-2013 label.** Check the box above to comply with California Business and Professions Code Section 19094. Failure to complete these forms and supply samples will delay the scheduling of the purchase order. Orders will not be scheduled until upholstery is received from the supplier. Upholstery should not be ordered until Indiana Furniture has verified the yardage required.

COL - CUSTOMER'S OWN LEATHER

Indiana Furniture is pleased to accommodate COL selections whenever this special need arises. Refer to grade 1 for list prices. To calculate COL requirements, multiply the COM yardage required times 18 (1 yard of upholstery = 18 sq. ft. of usable leather). Customer's own leather specifications for Indiana Furniture seating shown within the price list are based on an average hide size of 45-50 square feet.

All square footage requirements are based on usable footage. The shape of a hide and the usable, clean footage may make it necessary for us to request more leather after COL is received.

Please note leather is a natural product, and variation in texture is a pleasing quality belonging exclusively to high grade, full top grain leathers.

Indiana Furniture reserves the right to inspect, approve, or reject any COM/COL upholstery. Once approved, Indiana Furniture cannot assume responsibility for the durability or tailoring quality of COM/COL material.

COM/COL Ordering Instructions:

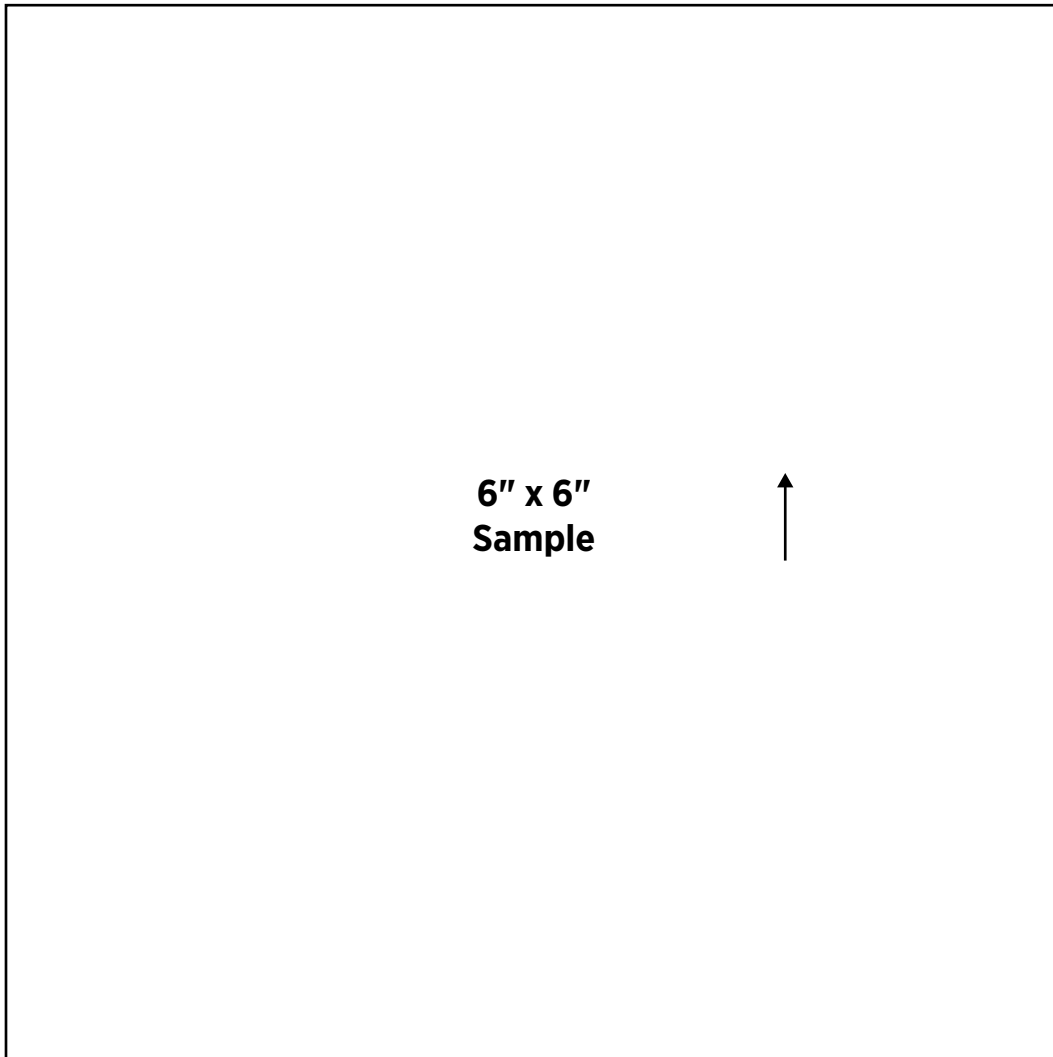

1. Include a 6" sample of the upholstery stapled to the order indicating which side is to be exposed.
2. If COM has a pattern or stripe, indicate whether to apply vertically or horizontally. All stripes will be applied vertically unless specified otherwise.
3. Specify the upholstery supplier's name, upholstery pattern, pattern color, and pattern number.

For TB 117-2013, the upholstery materials in this product (check one):

The effective date will be 14 calendar days after the acknowledged ship date. Further, the prices applied to the order will be those in effect at the time of shipment.

DAMAGED MERCHANDISE

The consignee is responsible for filing claims with the carrier for damage and shortages. Claims for both obvious and concealed damage must be filed within 15 calendar days, and the damaged merchandise must not have been moved from the original receiving location. All damaged merchandise, including the cartons and packing materials, must be retained for inspection by either the carrier or by an Indiana Furniture Sales Representative. Indiana Furniture reserves the right to select the most cost effective way to repair or replace the damaged item. Once you have notified the carrier, please contact Customer Service for further assistance.

GENERAL INFORMATION & CONDITIONS OF SALE

Obvious Damage/Missing Cartons — Do not refuse merchandise damaged in transit. Indiana Furniture recommends the consignee inspect all merchandise upon arrival. If a shipment is received damaged or short, note all information on carrier's copy and your copy of freight bill and delivery receipt. Notify the delivering carrier and file a claim immediately. Pending the results of your claim, either Indiana Furniture or the carrier will cover 100% of the cost to repair or replace the damaged or missing item.

Concealed Damage — If concealed damage is discovered, notify the delivering carrier at once and request an inspection. This must be done within 15 calendar days of delivery. If the carrier will not perform the inspection, you should prepare an affidavit that you contacted them, noting the time and date, and that they failed to comply with your request. This, along with the other papers in your possession, will support the claim. Pending the results of your claim, the cost to repair or replace the item will be covered 1/3 by the carrier and 2/3 by Indiana Furniture for shipments less than a full truckload and 100% by Indiana Furniture for shipments of full truck loads.

RETURN MERCHANDISE

Merchandise will not be accepted for return without a RGA (Return Goods Authorization) issued by Indiana Furniture. We will consider issuing RGA's for the following reasons:

1. Manufacturing defect (inspected by Indiana Furniture representative)
2. Indiana Furniture order processing error
3. Shipping error
4. Mis-marked cartons
5. Duplicated shipments

If you have any questions as to whether your reason for return qualifies for consideration, please contact your Customer Service Representative. Merchandise must be returned within 60 days of the RGA issued date, or within 60 days upon receipt of replacement product to receive credit. Returns due to mis-marked cartons must also be returned in the original cartoning, with shipping labels intact, to receive credit.

All merchandise being returned must be properly packed and protected to ensure no further damage is incurred during transportation back to an Indiana Furniture facility. Upon receipt, all returned merchandise will be thoroughly inspected and the results compared to the reason for return stated on the RGA. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

DELIVERY AND FREIGHT CHARGES

All shipments are F.O.B. Point of Origin, Jasper, IN, freight prepaid and allowed dock to dock on 53' trailer. Ownership and responsibility of the merchandise becomes that of the buyer upon delivery to the freight company. Shipments into Alaska, Hawaii, Canada, Mexico, Puerto Rico and other exports are freight prepaid and allowed to port of exit.

Indiana Furniture reserves the right to select the most appropriate carrier and routing on all shipments. Indiana Furniture will attempt to accommodate requests for favored carriers and delivery times. Deliveries requested Monday through Thursday, after 3pm, will be assessed a \$300 per truck after hours fee. Deliveries requested after 3pm on Friday or on weekends, will be assessed a \$600 per truck weekend delivery fee.

Inside delivery and installation services are not included in the pricing shown. Any deviation from dock-to-dock delivery, such as but not limited to, non-dock, residential, or inside delivery must be specified on the order. Should these services be requested or required, all charges incurred will be charged to the "Sold To" of the order.

Shipments totaling less than \$3000 (net value, product only) will be assessed a small order fee of \$300 net per shipment. This fee will be reduced for items shipped via small package carriers. For order shipments of \$100 or less, shipped by small package carrier, the fee is \$18. For order shipments over \$100, shipped by small package carrier, the fee is \$40. All shipping fees will be added at the time of invoicing.

PHOTOGRAPHIC FABRIC CARDS

The fabrics represented on Indiana Furniture photographic cards were reproduced using the finest technology available. Each Indiana Furniture photo card has an 800 phone # for your use while ordering free fabric swatches or samples. Please verify your desired fabric before ordering as such orders are not subject to return to Indiana Furniture.

FABRIC REPEATS

Indiana Furniture will make every attempt to match obvious patterns within a single chair from the seat to the back, vertically and horizontally.

Matching fabric patterns from chair to chair may require extra yardage and must be noted on the order to avoid delays in shipments. If the order will require COM to be matched from chair to chair, please contact Customer Service at 800-422-5757 to optimize the yardage for multiple quantities and pattern matching.

FRAMES & GLIDES

All wood frame chairs feature kiln-dried hardwoods which are double-doweled, securely glued, and screwed for maximum joint stability.

Guest chairs ship with nylon glides as standard. Felt glides (FELT) are also available on many of our wood Guest Chairs at no additional charge. Must be specified on the order.

UPHOLSTERY FOAM

All Indiana Furniture chairs consist of a high grade polyurethane foam that meets CAL 117-2013.

FINISH

Indiana Furniture standard seating finishes correspond to casegoods and conferencing finishes and laminates. Minor variations in finish color and value may occur due to the natural characteristics of wood. Consult this price list for specific finish availability within each series.

Special Finishes: Indiana Furniture is able to accommodate our customer's needs for specific finish matches. Please submit a 3"x5" sample panel to Customer Service for quotation and lead time.

FINISH CONTINUED

All Indiana Furniture Chairs feature a catalyzed varnish finish which offers lasting beauty and resistance to normal wear.

Tables will feature our UVAdvantage finish or a catalyzed varnish finish. See individual series for specific information.

An overview of our finishes and laminate options can be found on the inside of the back cover of this price list.

CASTERS & NAIL TRIM

Indiana Furniture contemporary swivel chairs are standard with black hooded dual wheel carpet casters.

All Indiana Furniture traditional seating has brass accents (casters and nail trim) where applicable. Silver accents are available. Please specify (SLVR) at no additional charge.

In addition, some of our traditional seating is available with no nail trim as requested (NONT) at no additional charge. Must be specified on order.

CONTROL OPTIONS

See individual series within this price list for control options and pricing.

Knee-Tilt Control

The Knee-Tilt control features a heavy-duty torsion bar or a spring tension control which allows variable tension for different body sizes and weights, and minimal rise of the seat's front edge. This allows the user's feet to remain planted while reclining to a relaxing position.

CAL 133 CERTIFICATION

California Technical Bulletin 133 (TB133 or CAL133) is a composite fire test for fully-assembled seating manufactured for use in certain public buildings. As such, the certification is specific to the fabric that is used in conjunction with the frame and the barrier. Many Indiana Furniture seating products, in combination with some of our standard fabrics, can be manufactured to meet the requirements for certification. Depending on the frame style, a fire-retardant barrier or fire-retardant foam will be incorporated in the chair construction to provide the best opportunity for a successful CAL133 burn test.

The cost of the test is \$1122 (net) which includes the test, freight to the test facility and the fully-assembled test sample. Once payment has been made, please allow approximately 6-8 weeks for the production of the chair and the completion of the test. Once we receive the successful certification, the order may be placed allowing for 1 week extra lead time using the "CAL" prefix on the model number with an upcharge of \$170 list per chair. Please contact Customer Service at 800.422.5727 to order the test.

If you do not need the actual Certification, but wish to have the chairs manufactured to meet the regulation, we can upholster the chair using the fire-retardant components at the \$154 list upcharge per chair. Please order the appropriate frame allowing for 1 week extra lead time, using the "CAL" prefix in front of the model number.

CAL	California Test Cost (NET)	\$ 1122
	Up Charge Per Chair	\$ 170

Please note that if you wish to have Certification on a COM material, Indiana Furniture must approve the fabric according to the COM policy as well.
