Indiana
FURNITURE

Being over a century old hasn't slowed us down! Sure, we are still the reliable, ethical company that was born in southern Indiana, steeped in quality, craftsmanship, and service. But have you seen our latest introductions? We are making a splash with design and challenging the concept of modern offices. Go ahead. Take a look. You know you want to.

Our Pledge to People + Our Planet.

We've been making wood furniture longer than just about anyone...and we want to be doing so for a long time to come. That's a large part of why we take a stewardship approach to our resources. We believe that environmental sustainability and business profits need not be mutually exclusive. They can and should exist side by side in a mutually beneficial relationship. And for more than a century, we've been showing how it's done.

We've proven our commitment to a sustainable future by supporting the standards and programs that protect our home planet and human health. Whether it's local sourcing, reducing contaminants, implementing wellness and safety programs, or diverting waste from landfills, social responsibility is a part of every decision we make at Indiana Furniture.

One of the surest ways to reduce our impact on the planet is to make and buy things that last. And this one's a natural for us. Our products are made with craftsmanship and attention to detail that are a part of our more than a century-long legacy in wood manufacturing. And our products are backed by our 12-year warranty, which facilitates maintenance, servicing and reassembly.

All of our product lines:

- Are manufactured and assembled in the USA,
- Meet or exceed Indoor Air quality standards*,
- Meet or exceed BIFMA level® Sustainability standards and certification*,
- Conform to the BIFMA Compliance standards*,
- Comply with TSCA Title VI (CARB) standards,
- and can contribute to U.S. Green Building's LEED Program.

Ease of Specification

Whether you're looking to specify your office spaces or simply to visualize them in the options and surface materials you are desiring, we make it easy. You can find the entire Indiana Furniture portfolio on the following third-party, space-planning platforms.

* Recently launched or new products may still be in testing; Cush Pillows is currently not BIFMA Compliant due to no available compliance test.

Triple Play can multi-task from lounge height to sitting height, and all the way up to counter height. This versatile seating line lets people choose how and where they want to work with the ability to join any group, at any height table in the room. Triple Play partners with 18” high tables, 29-30” high tables, and 36” high tables, or any range in between.

CONSTRUCTION

- Fully upholstered product that features a high density, firm polyurethane foam interior that holds its shape; shape is static at the lounge height position and at the sitting height position and has a gentle, flexible motion while sitting at the counter height position
- Foam construction can be used to sit on any of the six sides
- Handle is covered in upholstery
- Zipper included with upholstery cover for easy removal and cleaning
- Benches rated for users up to 275lbs
- Ships fully assembled

UPHOLSTERY OPTIONS + TIPS

Available in single upholstery with a matching handle, and your choice of a matching or contrasting welt cord, or no welt cord at all. Select from a wide variety of graded-in or contract options, including fabric, vinyl, and leather. We recommend avoiding the use of obvious directional patterns due to Triple Play’s multiple positions of use.

Indiana Furniture will make every attempt to have the upholstery pattern going the same direction while making the best use of the yardage supplied.

Upholstery Tips: Due to constant compression of the upholstery material, it is recommended to pick a material that does not easily fray. In most cases vinyl and vinyl-like materials will perform well. When evaluating a woven fabric material, check how easy it is to separate the woven strands. Typically, fabric materials with a thick backer or a non-linear weave pattern work best.

Contact our Sales Support Team for recommendations or evaluation of a material.

COM/COL & Graded-In Programs

COM - CUSTOMER'S OWN MATERIAL

All Indiana Furniture seating is available with material furnished by the customer. Refer to grade 1 for list prices. Refer to individual model number for COM yardage requirements. The listed COM yardage requirement is based on the use of non-directional upholstery 54" wide for a quantity of one chair. Extra upholstery is required to match any pattern with a repeat, either vertically or horizontally. Use the chart below as a guide to add to plain COM yardage requirements listed in the price list.

For multiple chair quantities, contact customer service to optimize the yardage per chair at 800-422-5727.

Upholstery	Plain	2"- 14"	15"- 27"	28"- 36"
<u>Width</u>	<u>Upholstery</u>	<u>Repeat</u>	<u>Repeat</u>	<u>Repeat</u>
54"	0%	10%	25%	30%

Upholsteries less than 54" wide will not be accepted.

Due to the upholstering process used by Indiana Furniture, some COM upholsteries are considered directional that may not be considered directional by the upholstery supplier. All Upholstery COM's are cut "up the roll" and all vinyls are cut "across the roll" by Indiana Furniture unless otherwise directed by the customer (see below). All directional upholsteries on Indiana Furniture frames match both vertically and horizontally. If you do not desire repeat match, please specify on order.

Note: Directional upholsteries, such as stripes, patterns and plaids may not meet your satisfaction due to contoured shapes and tufting of some models. Should you require such a selection, we will upholster as perfect as possible, but such orders are not subject to return. If in doubt, contact your Indiana Furniture Customer Service Representative prior to placing the order.

COM/COL ORDERING INSTRUCTIONS:

Fill out the form below and attach sample according to instructions on reverse side of form. **COM's/COL's must meet and include written confirmation from the supplier verifying CALTB 117-2013 compliance and you must designate the flammability materials within for the TB 117-2013 label.** Check the box above to comply with California Business and Professions Code Section 19094. Failure to complete these forms and supply samples will delay the scheduling of the purchase order. Orders will not be scheduled until upholstery is received from the supplier. Upholstery should not be ordered until Indiana Furniture has verified the yardage required.

COL - CUSTOMER'S OWN LEATHER

Indiana Furniture is pleased to accommodate COL selections whenever this special need arises. Refer to grade 1 for list prices. To calculate COL requirements, multiply the COM yardage required times 18 (1 yard of upholstery = 18 sq. ft. of usable leather). Customer's own leather specifications for Indiana Furniture seating shown within the price list are based on an average hide size of 45-50 square feet.

All square footage requirements are based on usable footage. The shape of a hide and the usable, clean footage may make it necessary for us to request more leather after COL is received.

Please note leather is a natural product, and variation in texture is a pleasing quality belonging exclusively to high grade, full top grain leathers.

Indiana Furniture reserves the right to inspect, approve, or reject any COM/COL upholstery. Once approved, Indiana Furniture cannot assume responsibility for the durability or tailoring quality of COM/COL material.

COM/COL Ordering Instructions:

1. Include a 6" sample of the upholstery stapled to the order indicating which side is to be exposed.
2. If COM has a pattern or stripe, indicate whether to apply vertically or horizontally. All stripes will be applied vertically unless specified otherwise.
3. Specify the upholstery supplier's name, upholstery pattern, pattern color, and pattern number.

For TB 117-2013, the upholstery materials in this product (check one):

_____ contain added flame retardant chemicals

_____ contain NO added flame retardant chemicals

Indiana Furniture strives to make as many upholsteries available as possible. However, it is not practical for us to test every offering on every chair as it is made available. If you have any concerns about our ability to upholster your selection on a particular frame please contact us and we will be glad to order a memo sample from this supplier for testing. Call Customer Service at 800.422.5727.
