

TABLES + SPACE DIVISION

PRICING EFFECTIVE MAY 13, 2024

Being over a century old hasn't slowed us down! Sure, we are still the reliable, ethical company that was born in southern Indiana, steeped in quality, craftsmanship, and service. But have you seen our latest introductions? We are making a splash with design and challenging the concept of modern offices. Go ahead. Take a look. You know you want to.

Our Pledge to People + Our Planet.

We've been making wood furniture longer than just about anyone...and we want to be doing so for a long time to come. That's a large part of why we take a stewardship approach to our resources. We believe that environmental sustainability and business profits need not be mutually exclusive. They can and should exist side by side in a mutually beneficial relationship. And for more than a century, we've been showing how it's done.

We've proven our commitment to a sustainable future by supporting the standards and programs that protect our home planet and human health. Whether it's local sourcing, reducing contaminants, implementing wellness and safety programs, or diverting waste from landfills, social responsibility is a part of every decision we make at Indiana Furniture.

One of the surest ways to reduce our impact on the planet is to make and buy things that last. And this one's a natural for us. Our products are made with craftsmanship and attention to detail that are a part of our more than a century-long legacy in wood manufacturing. And our products are backed by our 12-year warranty, which facilitates maintenance, servicing and reassembly.

All of our product lines:

- Are manufactured and assembled in the USA,
- Meet or exceed Indoor Air quality standards*,
- Meet or exceed BIFMA level® Sustainability standards and certification*,
- Conform to the BIFMA Compliance standards*,
- Comply with TSCA Title VI (CARB) standards,
- and can contribute to U.S. Green Building's LEED Program.

To learn more, simply go to www.IndianaFurniture.com/resources.

Ease of Specification

Whether you're looking to specify your office spaces or simply to visualize them in the options and surface materials you are desiring, we make it easy. You can find the entire Indiana Furniture portfolio on the following third-party, space-planning platforms.

* Recently launched or new products may still be in testing; Cush Pillows is currently not BIFMA Compliant due to no available compliance test.

ORDERING INFORMATION

All orders should be emailed to neworders@indianafurniture.com. Orders can be faxed to 812-482-9035 or mailed to:

Indiana Furniture
P.O. Box 270, 1919 Hospitality Dr., Ste A
Jasper, IN 47547-0270

ORDER PROCEDURE

All orders must include purchase order number, billing address, ship-to address and phone number, and any special instructions.

When ordering casegoods or tables, give complete quantity, model number, finish and any other options.

When ordering seating, give complete quantity, model number, finish, fabric and any other options.

Within each series, an example of "How to Order" is illustrated at the beginning of each series section. For further clarification of order procedure, contact Customer Service.

PRICING

All prices shown are suggested retail prices F.O.B. Point of Origin, freight prepaid and allowed to one continental US destination. Prices, specifications and materials are subject to change without notice. Possession and/or distribution of this price list does not in itself constitute an offer to sell. Orders can be received only from authorized Indiana Furniture dealers. Orders will be billed at prices prevailing at time of shipment, unless acknowledged prior to the effective date of the price change, in which case billing will be at the price acknowledged.

ACKNOWLEDGMENT

All orders will be acknowledged promptly, showing how the order was entered, its approximate shipping date and other pertinent information. This acknowledgment is the final agreement between the customer and Indiana Furniture and is the exclusive statement of the terms thereof. Please examine this acknowledgment carefully and advise Indiana Furniture immediately of any discrepancies. Note: Shipping fees will not be listed on the acknowledgment.

BUYER'S OBLIGATION: RIGHTS OF SELLER

If Indiana Furniture shall at any time doubt Buyer's financial responsibility, Indiana Furniture may decline to make shipments hereunder except upon receipt of cash payment in advance or security or other proof of responsibility satisfactory to Indiana Furniture. If buyer fails in any way to fulfill the terms and conditions set forth herein, Indiana Furniture may defer shipments until such default is corrected. Remedies provided herein shall be in addition to, and not in lieu of other remedies. Buyer agrees to abide by payment terms as listed on invoice. Buyer shall pay all reasonable costs and expenses, including attorney and collection fees, and late fees, incurred by Seller in connection with any amounts due for goods ordered.

CANCELLATIONS AND CHANGES

Due to immediate production on build-to-order items, all orders are considered firm and are not subject to cancellation or change without approval from Indiana Furniture. All approved changes are subject to additional charges and revised lead times.

PRODUCT DESIGN AND SPECIFICATION CHANGES

Indiana Furniture reserves the right to make changes in design and construction or discontinue products without prior notice.

REPAIR CHARGES

Indiana Furniture will only pay repair charges if Customer Service gives prior written authorization. No repair charge will be paid without advance approval at which time you will be issued a repair authorization number that will allow you to invoice Indiana Furniture for the completed work.

WAREHOUSE STORAGE CHARGES

If a shipment is held beyond 14 calendar days at your request, a **.084% per calendar day** (2.52% per month) storage charge will be assessed. The effective date will be 14 calendar days after the acknowledged ship date. Further, the prices applied to the order will be those in effect at the time of shipment.

DAMAGED MERCHANDISE

The consignee is responsible for filing claims with the carrier for damage and shortages. Claims for both obvious and concealed damage must be filed within 15 calendar days, and the damaged merchandise must not have been moved from the original receiving location. All damaged merchandise, including the cartons and packing materials, must be retained for inspection by either the carrier or by an Indiana Furniture Sales Representative. Indiana Furniture reserves the right to select the most cost effective way to repair or replace the damaged item. Once you have notified the carrier, please contact Customer Service for further assistance.

Obvious Damage/Missing Cartons — Do not refuse merchandise damaged in transit. Indiana Furniture recommends the consignee inspect all merchandise upon arrival. If a shipment is received damaged or short, note all information on carrier's copy and your copy of freight bill and delivery receipt. Notify the delivering carrier and file a claim immediately. Pending the results of your claim, either Indiana Furniture or the carrier will cover 100% of the cost to repair or replace the damaged or missing item.

Concealed Damage — If concealed damage is discovered, notify the delivering carrier at once and request an inspection. This must be done within 15 calendar days of delivery. If the carrier will not perform the inspection, you should prepare an affidavit that you contacted them, noting the time and date, and that they failed to comply with your request. This, along with the other papers in your possession, will support the claim. Pending the results of your claim, the cost to repair or replace the item will be covered 1/3 by the carrier and 2/3 by Indiana Furniture for shipments less than a full truckload and 100% by Indiana Furniture for shipments of full truck loads.

RETURN MERCHANDISE

Merchandise will not be accepted for return without a RGA (Return Goods Authorization) issued by Indiana Furniture. We will consider issuing RGAs for the following reasons:

1. Manufacturing defect (inspected by Indiana Furniture representative)
2. Indiana Furniture order processing error
3. Shipping error
4. Mis-marked cartons
5. Duplicated shipments

If you have any questions as to whether your reason for return qualifies for consideration, please contact your Customer Service Representative. Merchandise must be returned within 60 days of the RGA issued date, or within 60 days upon receipt of replacement product to receive credit. Returns due to mis-marked cartons must also be returned in the original cartoning, with shipping labels intact, to receive credit.

All merchandise being returned must be properly packed and protected to ensure no further damage is incurred during transportation back to an Indiana Furniture facility. Upon receipt, all returned merchandise will be thoroughly inspected and the results compared to the reason for return stated on the RGA. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

DELIVERY AND FREIGHT CHARGES

All shipments are F.O.B. Point of Origin, Jasper, IN, freight prepaid and allowed dock to dock on 53' trailer. Ownership and responsibility of the merchandise becomes that of the buyer upon delivery to the freight company. Shipments into Alaska, Hawaii, Canada, Mexico, Puerto Rico and other exports are freight prepaid and allowed to port of exit.

Indiana Furniture reserves the right to select the most appropriate carrier and routing on all shipments. Indiana Furniture will attempt to accommodate requests for favored carriers and delivery times. Deliveries requested Monday through Thursday, after 3pm, will be assessed a \$300 per truck after hours fee. Deliveries requested after 3pm on Friday or on weekends, will be assessed a \$600 per truck weekend delivery fee.

Inside delivery and installation services are not included in the pricing shown. Any deviation from dock-to-dock delivery, such as but not limited to, non-dock, residential, or inside delivery must be specified on the order. Should these services be requested or required, all charges incurred will be charged to the "Sold To" of the order.

Shipments totaling less than \$3000 (net value, product only) will be assessed a small order fee of \$300 net per shipment. This fee will be reduced for items shipped via small package carriers. For order shipments of \$100 or less, shipped by small package carrier, the fee is \$18. For order shipments over \$100, shipped by small package carrier, the fee is \$40. All shipping fees will be added at the time of invoicing.

BIFMA AND ANSI TESTING

Indiana Furniture is a member of the Business and Institutional Furniture Manufacturer's Association (BIFMA). Tests developed by the BIFMA and approved by the American National Standards Institute (ANSI) determine the strength and durability of casegoods and seating in its everyday use. Although this testing does not serve as a warranty or guarantee, Indiana Furniture products within this price list have been tested by an independent verifying body and meet or exceed applicable BIFMA and ANSI standards.

Subject to the limitations set forth in this warranty, Indiana Furniture Industries, Inc. (“**Indiana Furniture**”) warrants to the original purchaser all product in this price list (“**Product**”) to be free from defects in material and workmanship given normal use for a 12-year period from the date of manufacture. During the applicable warranty period, Indiana Furniture, as its sole obligation, will repair or replace (in Indiana Furniture’s sole discretion) any Product, part, or component covered by this warranty and sold after May 13, 2024, which fails under normal use as a result of a defect in material or workmanship. Normal use is defined as the equivalent of a single shift, 40-hour work week. Indiana Furniture will repair or replace the defective Product, part, or component with a comparable Product, part, or component.

Warranty periods are limited for certain Products and parts as follows:

12-year Warranty (from the date of manufacture)

- Seating Mechanisms
- Veneers
- Laminates
- Casters and Glides

5-year Warranty (from the date of manufacture)

- Triple Play Series
- Electrical Components
- Pneumatic Cylinders
- Textiles, Foam, and Decorative Trim
- Swivel Arm Pads
- Keyboard Kits
- Lighting
- All Height Adjustable Mechanisms

3-year Warranty (from date of shipment)

- Dock 950 Wireless Charger
- Dock 150 Wireless and USB Charger

THIS WARRANTY DOES NOT COVER:

- Damage caused by a carrier or third party
- Normal or routine wear and tear
- Appearance, durability, quality, behavior, colorfastness, or any other attribute of customer’s own materials or any non-standard Indiana Furniture material (including CF Stinson, Maharam, Momentum, Mayer, UltraFabrics, Architex, and other alliance programs) specified by the customer and applied to a Product
- Color, grain or texture of wood, laminate and other covering materials
- Changes in wood or fabric color due to aging or exposure to light

As the manufacturer of the Product, Indiana Furniture stands behind its craftsmanship and pledges to do everything it can to reasonably resolve, as quickly as possible, any problems you may have with the Product within the terms and conditions of this warranty.

If you encounter a defect covered by the foregoing warranty, contact the dealer from whom you purchased the Product. If the dealer is unable to resolve your warranty issues, you should contact Indiana Furniture. Please ensure that you have all of the pertinent facts when contacting the dealer or Indiana Furniture, including the model number and factory order number from the inspection label attached to the Product.

INDIANA FURNITURE IS NOT PROVIDING, AND SPECIFICALLY DISCLAIMS, ANY OTHER WARRANTIES FOR THE PRODUCTS, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. INDIANA FURNITURE SHALL NOT BE LIABLE TO THE PURCHASER OR ANY THIRD PARTY FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, OR SPECIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING OUT OF OR RESULTING IN ANY MALFUNCTIONS, DELAYS, LOSS OF PROFIT, INTERRUPTION OF BUSINESS, PERSONAL INJURY, BODILY INJURY, DEATH, DISMEMBERMENT, OR PROPERTY DAMAGE.

Tables+Storage

Arlington offers all the grace and embellishments associated with traditional styling with an added emphasis on value. Finely crafted in select solids with walnut and cherry veneers and high pressure laminate worksurfaces, Arlington ensures quality and expert craftsmanship with a selection of configurations for today's functional workspaces.

CONSTRUCTION

Arlington features a Veneer chassis with your choice of a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEER

- Exposed surfaces feature select grade, plain sliced American Black Walnut or Cherry veneers, carefully selected and matched to assure proper balance and consistency

TOPS

- Veneer tops are 5-ply balanced construction and 1³/₁₆" thick with solid hardwood rims with butt corners
- High Pressure Laminate (HPL) tops are 3-ply balanced construction and 1³/₁₆" thick with solid hardwood rims with butt corners
- Grain direction runs left to right unless noted

CHASSIS

- Chassis is securely fastened using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- Bases are solid hardwood with mitered corners
- Construction offers tight tolerances and long term durability
- Vertical grain direction on chassis

DRAWERS

- Drawer fronts standard with matched veneer faces
- Drawer sides, back and front are woodgrain vinyl-wrapped, and are 1/2" thick
- 5-sided drawer construction for easy removal of drawer front
- Box and file drawers have 1/8" thick hardboard bottoms and tested for 100lb capacity
- Lateral file drawers feature 1/4" thick bottoms and tested for 200lb capacity
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- All suspensions have a limited lifetime warranty

FILING

- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front to back and legal filing side to side
- Lateral file drawers provide legal or letter filing front to back or side to side

STORAGE

- All hinged doors include soft close hinges, unless noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING

- See [locking details](#) for locking door and drawer options
- Lock core available in black or silver and will coordinate with pull selection; See [locking details](#)
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.

CORD MANAGEMENT

- Grommets are available in black or silver, please specify color
- See [optional grommet locations](#)
- Undersurface Wire Managers available for additional cord management; See [Accessories](#)

Traditional components echo history and create timeless foundations for meeting rooms that complement our Jefferson and Arlington casegoods collections, and Cameo and Jefferson Reception options. Facilitate presentations with lecterns and visual presentation boards. Mobile serving carts and buffet height credenzas provide additional in-room utility.

CONSTRUCTION

Cameo Tables and Components feature your choice of either a Veneer or HPL top, Veneer bases, and Veneer chassis (where applicable).

VENEERS

- Exposed surfaces are select grade sliced American Black Walnut and **Cherry** veneers carefully selected and matched to assure proper balance and consistency

LAMINATES

- Exposed surfaces are produced from wood grained laminates fused to a particle-board core
- Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

TOPS

- Wood Veneer tops are 5-ply balanced construction and High Pressure Laminate (HPL) tops are 3-ply balanced construction
- Tops are $1\frac{3}{16}$ " thick with solid hardwood rims
- All buffets, credenzas, serving carts, video cabinets, and storage/wardrobe cabinets are shaped on user side only
- Grain direction runs left to right unless otherwise noted
- All Veneer tops, as well as Laminate tops up to 144" (12 feet), will have matching woodgrain. Laminate tops sized 156" (13 feet) and longer will have non-matching woodgrain**

CHASSIS

- Tops and end panels are securely fastened using high quality European fastening systems to ensure maximum strength
- All units are equipped with heavy-duty, adjustable glides to ensure proper leveling and compensation for uneven floors

DRAWERS

- All drawer fronts are standard with elegant vertically matched walnut veneer faces
- Drawers feature 5-sided construction with $\frac{3}{4}$ " 3-ply fronts, $\frac{7}{16}$ " thick hardwood sides and $\frac{5}{32}$ " hardboard bottoms
- Units with 36" wide file drawers feature $\frac{1}{4}$ " thick drawer bottoms for maximum storage strength
- Drawer interiors are sanded, sealed, and finished to provide for a smooth, quality feel and appearance
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box and file drawers are tested for 100lb capacity
- Lateral files are tested for 200lb capacity
- All suspensions have a limited lifetime warranty

STORAGE

- All hinged doors include soft close hinges, unless otherwise noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING

- All units with file drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.
- Keyed alike units available upon request at no additional charge
- Lock cores match pull color

Standard Cutout Types & General Location Information

- Grommets can be specified, at an upcharge, add \$11 for a field installed grommet cover or add \$52 for a factory installed grommet (unless otherwise noted).
- Power/Data Modules can be specified in standard locations at no additional charge.
- The selection of both the Power/Data Module and Base will determine cutout locations for each table size, as well as placement over or between bases.
- [See exact measurements of Module locations.](#)
- For specific locations available by table size see series pages, [see Cameo locations.](#)

Cutout Locations Available

OC = On Center

[See Cameo Overview For Ordering Options](#)

Catalyst Tables blend desired aesthetics, functionality, and technology to deliver a comprehensive solution for all types of meeting needs and spaces. The line boasts a broad selection of veneers, laminates, and glass with a variety of top shapes, and a vast range of sizes spanning from 36”D to 60”D and 36”W to 240”W, integrated power/data, and a variety of heights, including work, counter, and bar. Buffets, Credenzas, Waste Bins, and more will help to complete your space.

CONSTRUCTION

veneer

- Exposed surfaces feature select grade plain-sliced hardwood veneers in Cherry, Maple, American Black Walnut, or composite veneers. Veneers are carefully selected and matched to assure proper balance and consistency
- Veneer features UVAdvantage, an ultra-violet finish, on all exposed surfaces by utilizing roll-coat UV technology

LAMINATE

- Thermally-Fused Laminate (TFL) and High-Pressure Laminate (HPL) are made of woodgrain and solid color laminates fused to particleboard core; each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

TOPS

- Veneer (W) or HPL (P) Tops available in five shapes: Rectangle, Boat, Modern Rectangle, Square and Round with woodgrain patterns following the depth (short) of Veneer (W) table tops while grain patterns follow the width (long) of HPL (P) table tops
- Tops are shaped on all four sides and are available in two thicknesses and five edge profiles
- Double Kerf (F), Duo (G) and Square (Y) available in Veneer (W) and HPL (P) tops with 3-ply balanced construction, 1 $\frac{3}{16}$ ” thick and matching 3mm wood or PVC edge bands on profiled edges; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Knife (K) edge profile tops are 1 $\frac{3}{16}$ ” thick with solid wood rims available on both Veneer (W) or HPL (P) tops
- Vertical Square (H) edge profile tops are 1 $\frac{1}{2}$ ” thick with 1.5mm wood edge band on Veneer (W) tops and 1mm PVC edge band on HPL (P) tops; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Credenzas, buffets, and other ancillary support models are available in Square (Y), Double Kerf (F), Duo (G), and Vertical Square (H) edge profiles and profiled on approach side only
- All Veneer tops, as well as Laminate tops up to 144” (12 feet), will have matching woodgrain. Laminate tops sized 156” (13 feet) and longer will have non-matching woodgrain
- All surfaces feature reverse slip matched pattern
- Back Painted, Tempered Glass Tops are 1/4” thick and are attached to a substrate topped with black paper covering
- Tempered glass top has a 1/16” overhang from the sub-top

LOCKING

- All box drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date, if required
- Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge
- Lock core is predetermined by pull color. Black lock cores are used with black and gold pulls while silver lock cores are used with chrome and aluminum pulls
- Optional locking doors available on buffets and credenzas

BASES

- All rectangle bases are available in TFL (T) or Veneer (W), feature vertical grain direction and include L-bracket hardware for easy installation

BASES CON’T

- Rectangle box bases include removable access panel and wire management and support trough
- Rectangle Accent bases feature 5/16” metal accent available in four colors including Aluminum, Black, Gold, and Platinum
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors

CHASSIS

- All credenzas are available in TFL (T) or Veneer (W) with vertical grain direction
- Chassis for storage units are securely fastened using high quality European fastening systems and heavy-duty 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors

DRAWERS

- Drawers feature 5-sided drawer construction allowing for easy removal of drawer fronts; All drawer fronts are standard with elegant vertically matched faces
- Drawer sides, back, and front are woodgrain vinyl-wrapped 1/2” thick with 1/8” thick hardboard bottoms
- Drawer interiors are dovetail construction with 7/16” thick hardwood sides and backs, and 5/32” thick hardboard bottoms
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box drawers are tested for 100lb capacity
- All suspensions have a limited lifetime warranty

STORAGE

- All hinged doors are soft-close with one piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure
- All Credenzas feature a 2”W wire management channel along back of the interior cabinet for easy accessibility to wall outlets

2”W wire management channel

PULL OPTIONS

Buffets and Credenzas available with pulls on doors. Must specify and select color.

Lock core color is predetermined by pull color.

AST	Studio, Aluminum	CST	Studio, Chrome
BST	Studio, Black	GST	Studio, Gold

Studio (AST) Aluminum - 13" Studio (BST) Black - 13" Studio (CST) Chrome - 13"

Studio (GST) Gold - 13"

GLASS OPTIONS ON TOPS

Back painted tempered glass tops are 1/4" thick and available in Black or White with Gloss or Acid Etched finish. Glass top sits 1/16" on top of substrate top. Must specify color and finish.

GWHG	White Gloss	GBLG	Black Gloss
GWHA	White Acid Etched	GBLA	Black Acid Etched

White Gloss (GWHG) White Acid Etched (GWHA) Black Gloss (GBLG) Black Acid Etched (GBLA)

LOCK CORE COLOR OPTIONS

BLK	Black (Used with Black and Gold Pulls)
SLV	Silver (Used with Aluminum and Chrome Pulls)

Black (BLK) Silver (SLV)

GROMMET & POWER UNIT OPTIONS

Power units and grommets are available on Rectangle, Modern Rectangle, and Boat shaped tops. Each unit is sold separately and must be specified separately with surface mount location. Multiple locations may be selected. Only one unit per location.

Power units and Grommets Available in Table Surfaces (See Units)

Grommet	\$ 52
Specify Color: Black = BLK and Silver = SLV	

DUO/TRIO BEZEL

01-DUOBEZEL	Available in Black (B), Silver (S), or White (W)
01-TRIOBEZEL	Available in Black (B), Silver (S), or White (W)

DOCK 950, DOCK 800 and DOCK 150

DOCK950	Available in Black or White
DOCK150	Available in Black or White
DOCK800	Available in Black or Silver

Other Power Units

DPORT4	Available in Aluminum or Black
ELLORA	Available in Aluminum or Black
E2X	Available in Aluminum or Black
INTERACTG	Available in Aluminum or Black
OASISM	Available in Aluminum or Black

Power/Data Location Information:

- Designate unit and location when specifying the top model. Power/Data Module need to be ordered separately.
- Power/Data Modules specified at the time of order will be routed for field installation.

E1	Unit on One End
E2	Unit on Each End
OC	Unit on Center

- All power units available **On Center (OC) only** when paired with two (2) or more of the following bases:

Cylinder Base	Square Base
X-Base	Disc
Tubular X-Base	

Grommets and Power Units may be ordered in non-standard locations. Call Customer Service to assist with specification and/or please attach a drawing to the PO showing the location of the grommet. Note additional charges and lead times may apply.

Top Locations

Power units available on Each End (E1 and E2) and On Center (OC) unless otherwise noted, when paired with any Rectangle Panel Base, Rectangle Box Base or Rectangle Accent Box Base.

Power units centered at locations below:

36" Tops	Centered 18"D	54" Tops	Centered 27"D
42" Tops	Centered 21"D	60" Tops	Centered 30"D
48" Tops	Centered 24"D

Example: 60x204 Modern Rectangle

DRAWER TRACK OPTIONS

Soft close tracks are available on box drawers. Soft close drawer tracks have many benefits including reduced stress on the unit, extends the life of the drawer, and ensures a gentle close so fingers don't accidentally get pinched. Must specify when ordering.

Pricing is per Drawer, not per Model/Unit

SFTCL	Soft Close Drawer Track	\$ 34
-------	-------------------------	-------

VENT OPTION FOR CREDENZAS

Buffets and Credenzas feature optional ventilation grommets. Includes one vent per compartment.

Vents are 10" Down from top surface on Buffet Credenzas and 2 7/8" on Credenzas.

NONE	No Vent Grommet	
VENT	Vented back panel	\$ 68

Number of vents per unit:

36"	1 vent
72" / 48"	2 vents
96" / 84" / 60"	3 vents

WASTE BIN OPTIONS

Buffet and 24" Credenzas are available with two (2) 41-quart beige waste bins in a pull out cabinet with silver hardware and divider panel. Adjacent cabinet features one (1) adjustable shelf. Studio pulls applied centered on doors when waste bin is selected. Locking not available.

WBL	Waste Bin on Left	\$ 510
WBR	Waste Bin on Right	\$ 510

Shown as Left

LOCKING DOORS

Locking doors are available on Buffets and Credenzas. You must specify WITH LOCKING when ordering and add upcharge.

Note: When locking is selected with optional waste bin, locking will not apply to waste bin door.

Wire Management Channel

Description

- 6" Rectangle Bases with Trough, Stretcher Rails, and L-Bracket Hardware Included
- Available with TFL (T) or Veneer (W)
- Vertical Grain Direction on Bases
- Bases Include Interior Removable Panel for Wire Management Access; Removable Panel is 15¾"W for 24" Bases and 11⅞"W for 20" Bases
- Wire Management Channel Included; Two (2) Base Units Include One (1) Wire Management Channel and Three (3) Base Units Includes Two (2) Wire Management Channel
- Removable Panels Attached with Z Brackets.
- Bases Require Some Assembly; Attachment Hardware Included
- Tops Sold Separately, [See Multiple Unit Details](#)

Wire Management Channel

Description

- 10" Rectangle Bases with Trough and Stretcher Rails
- Available with TFL (T) or Veneer (W)
- Vertical Grain Direction on Bases
- Bases Include Interior Removable Panel for Wire Management Access; Removable Panel is 15⅞"W for 24" Bases and 11⅞"W for 20" Bases
- Wire Management Channel Included; Two (2) Base Units Include One (1) Wire Management Channel and Three (3) Base Units Includes Two (2) Wire Management Channel
- Removable Panels Attached with Z Brackets.
- Bases Require Some Assembly; Attachment Hardware Included
- Tops Sold Separately, [See Multiple Unit Details](#)

Madera creates a variety of looks from rich, refined transitional to fresh, modern contemporary by offering an abundance of options, including premium veneer. Finely crafted in select Cherry, Maple, Walnut, and Oak veneers, Madera features a UV topcoat on all exposed surfaces adding unsurpassed hardness and extreme durability for long lasting office applications.

CONSTRUCTION

Madera features a Veneer chassis with your choice of either a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEER

- Choose from premium veneer or select veneer on exposed surfaces in American Black Walnut, White Oak, Cherry, or Maple species
- The American Black Walnut, White Oak, and Cherry veneers are book matched veneer faces, while the Maple is a slip-matched veneer face
- These veneers are carefully selected and matched to assure proper balance and consistency

TOPS

- Wood Veneer tops have a 5-ply balanced construction while High Pressure Laminate (HPL) tops have a 3-ply balanced construction, 1³/₁₆" thick, with hardwood rims
- Tops featuring the Bullnose (D), Tri-Round (E), Flute (X), and Square (Y) edge profiles have vertical profiles
- Tops featuring the Radius (A) and Bevel (B) edge profiles have the same construction, but provide a matching reverse profile on connecting edge
- Grain direction runs left to right unless otherwise noted

CHASSIS

- Tops, end panels, and modesty panels are securely fastened using high quality European style fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units are equipped with heavy-duty, adjustable glides to ensure proper leveling and compensation for uneven floors

DRAWERS

- All drawer fronts are standard with matched faces
- All drawers feature 5-sided construction allowing for easy removal of drawer fronts
- Fronts are 3-ply construction and are 3/4" thick with matched grain
- Drawer interiors are dovetail construction with 7/16" thick hardwood sides and backs and 5/32" thick hardboard bottoms
- The drawer interiors are sanded, sealed, and finished to provide a smooth, quality feel and appearance
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box and file drawers are tested for 100lb capacity
- Lateral files are tested for 200lb capacity
- All suspensions have a limited lifetime warranty

FILING

- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front to back and legal filing side to side
- Lateral file drawers provide legal or letter filing front to back or side to side

STORAGE

- All hinged doors include soft close hinges, unless noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING

- All credenzas feature locking file drawers; optional locking doors is available on select units
- Removable lock cylinders allow for units to be re-keyed at a later date, if required
- Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge
- Lock core will match pull color

CORD MANAGEMENT

- Grommets are available in black or silver, please specify color

TABLE GROMMET & POWER UNIT OPTIONS

Power units and grommets are sold separately and must be specified separately with surface mount location. Multiple locations may be selected. Only one unit per location.

Power units and Grommets Available in Table Surfaces (See Units)

Grommet Specify Color: Black = BLK and Silver = SLV

DUO/TRIO BEZEL

01-DUOBEZEL	Available in Black (B), Silver (S), or White (W)
01-TRIOBEZEL	Available in Black (B), Silver (S), or White (W)

DOCK 950, DOCK 800 and DOCK 150

DOCK950	Available in Black or White
DOCK150	Available in Black or White
DOCK800	Available in Black or Silver

TABLE GROMMET & POWER UNIT OPTIONS CONTINUE

Other Power Units

DPORT4	Available in Aluminum or Black
INTERACTG	Available in Aluminum or Black
OASISM	Available in Aluminum or Black

Power/Data Location Information:

- Designate unit and location when specifying the top model. Power/Data Module need to be ordered separately.
- Power/Data Modules specified at the time of order will be routed for field installation.

E1	Unit on One End
E2	Unit on Each End
OC	Unit on Center

- All power units available **On Center (OC) only** when paired with two (2) or more of the following bases:

Cylinder Base	Square Base
X-Base	Disc
Tubular X-Base	

Grommets and Power Units may be ordered in non-standard locations. Call Customer Service to assist with specification and/or please attach a drawing to the PO showing the location of the grommet. Note additional charges and lead times may apply.

Top Locations

Power units available on Each End (E1 and E2) and On Center (OC) unless otherwise noted, when paired with any Rectangle Panel Base, Rectangle Box Base or Rectangle Accent Box Base. ([See Unit Details](#))

Power units centered at locations below:

36" Tops	centered 18"D	48" Tops	centered 24"D
42" Tops	centered 21"D		

72: OC 36" from end (available with OC Only)

96: OC 48" from end; E1/E2 29" from end

120: OC 60" from end; E1/E2 29" from end

144: OC 72" from end; E1/E2 29" from end

LOCKING DOORS

Locking doors are available on select units. You must specify WITH LOCKING when ordering and add upcharge.

[See Madera Overview For Ordering Options](#)

Natta offers an agile solution for a variety of community spaces and meeting applications. With its simplicity of form, it can achieve a subtle effect and still provide an excellent solution for any meeting and breakout environment.

CONSTRUCTION

TOPS

- NAT-1 and NAT-2 Tops are High Pressure Laminate (HPL) and 3-ply balanced construction, 1½" thick with 1 mm PVC edge band and vertical square edge profile
- NAT-3 and NAT-4 Tops have 1½" thick HPL surface with 1mm PVC edge band Square edge profile
- Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Grain direction runs left to right unless otherwise noted

CHASSIS

- All frames are made of solid European Beech with double-doweled or mortised and tenoned joints
- NAT-3 and NAT-4 Frames are individually hand assembled and sanded prior to being finished; Legs are 9¾"H on the rectangular table and 14"H on the square table and include non-marring nylon glides
- NAT-1 and NAT-2 units are equipped with heavy-duty, adjustable glides to ensure proper leveling and compensation for uneven floors
- All table units ship fully assembled with tops installed

One10 Conference provides a scalable aesthetic with a versatile range of tables that provide solutions for casual to formal meetings that can support individual technology, the sharing of personal technology, or communal technology equipment. From conference tables, meeting tables, and TV stands, the collection provides flexibility for tailored applications, virtually anywhere.

CONSTRUCTION

VENEER

- Exposed surfaces feature select grade plain-sliced hardwood veneers in Cherry, Maple, American Black Walnut, or composite veneers. Veneers are carefully selected and matched to assure proper balance and consistency
- Veneer features either our UVAdvantage, an ultra-violet finish, or our Catalyzed finish (where noted)

LAMINATE

- High-Pressure Laminates (HPL) are made of woodgrain and solid color laminates fused to particleboard core; each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

TOPS

- Tops with the Block Edge are 1½" thick while tops with the Knife Edge are 1¾" thick
- Veneer tops offer 3-ply balanced construction with 1.5mm wood edge band; Laminate tops offer 3-ply balanced construction with 1mm PVC edge band; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Credenza tops are ¾" thick, 3-ply balanced construction with 0.5mm wood edge-banded rims on Veneer options and 1mm PVC edge-banded rims on Laminate options
- Veneer accent tops are ¾" thick, 3-ply construction with 0.5mm wood edge band while Laminate accent tops are ¾" thick, 3-ply construction with 1mm PVC edge band; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Grain direction runs left-to-right, unless noted
- The Block Edge profile will be used with Block Bases only, while the Knife Edge profile will be used with Blade Bases only

Block Edge Profile

Knife Edge Profile

CHASSIS

- Chassis for storage units are securely fastened using high quality European fastening systems and heavy-duty 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors

DRAWERS

- All drawer fronts are ¾" thick, 3-ply construction with vertical grain direction
- Drawer sides, back, and front are woodgrain vinyl-wrapped ½" thick with ⅛" thick hardboard bottoms
- 5-sided drawer construction allows for easy removal of drawer fronts; All drawer fronts are standard with elegant vertically matched faces
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box and file drawers are tested for 100lb capacity
- All suspensions have a limited lifetime warranty

STORAGE

- All hinged doors are soft-close, unless otherwise noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

POWER/DATA UNITS & LOCATIONS

Square & Round Shaped Tops with Blade Bases

Models:

Modules Available ([See Unit Details](#)):

01-DUOBEZEL	Available in Black (B), Silver (S), or White (W)
01-TRIOBEZEL	Available in Black (B), Silver (S), or White (W)
01-PDUOBEZEL	Available in Black (B), Silver (S), or White (W)
01-PTRIOBEZEL	Available in Black (B), Silver (S), or White (W)

Note: Only one Power/Data Module Per Top.

Power/Data Location:

- All Power/Data Modules will be placed **On Center (OC)** of top.
- Designate "OC" when specifying the top model. Power/Data Module will need to be ordered separately.
- Power/Data Modules specified at the time of order will be routed for field installation.

Square & Rectangular Tops for Single and Dual Column Bases

Models:

Modules Available ([See Unit Details](#)):

01-DUOBEZEL	Available in Black (B), Silver (S), or White (W)
01-TRIOBEZEL	Available in Black (B), Silver (S), or White (W)

Note: Only one Power/Data Module Per Top. Must Order Two (2) Power/Data Modules for Dual Column Tables.

Power/Data Location:

- All Power/Data Modules will be placed **On Center (OC)** of each top and installed directly over the base.
- Designate "OC" when specifying the top model. Power/Data Module will need to be ordered separately.
- Power/Data Modules specified at the time of order will be routed for field installation.

Rectangular 1 or 2 Piece Tops with Block or Blade Bases

Models:

Modules Available ([See Unit Details](#)):

Available in Table Surface:

01-DUOBEZEL	Available in Black (B), Silver (S), or White (W)
01-TRIOBEZEL	Available in Black (B), Silver (S), or White (W)
01-PDUOBEZEL	Available in Black (B), Silver (S), or White (W)
01-PTRIOBEZEL	Available in Black (B), Silver (S), or White (W)

Available Under Table Surface:

01-DUO	Available in Black (B), Silver (S), or White (W)
01-TRIO	Available in Black (B), Silver (S), or White (W)
01-PDUO	Available in Black (B), Silver (S), or White (W)
01-PTRIO	Available in Black (B), Silver (S), or White (W)

Power/Data Location:

- Power/Data Modules specified at the time of order will be routed for field installation.
- Modules to be mounted under the table surface may be placed anywhere during field installation - No need to specify location when ordering top.

E1	29" Off One End
ELR	29" Off Each End
OC	On Center
OCELR	29" Off Each End and On Center

OCELR Not Available on Tables 96"W or Less

Rectangular and Boat Shaped Tops with Center Inlay

Modules Available (See Unit Details):

01-DUO	Available in Black (B), Silver (S), or White (W)
01-TRIO	Available in Black (B), Silver (S), or White (W)

Power/Data Location:

- All troughs, included as standard with the tops, have pre-drilled peck-hole locations from the bottom side of the trough for easy field installation. No need to specify location when ordering top.
- Desired Power/Data Modules will need to be ordered separately.
- Field install Power/Data Modules by selecting any or all of the desired pre-marked locations and drill the hole through.

Locations For: 48"x192" & 60"x192" Models with Center Inlay

31", 52", and 73" off each end

Locations For: 48"x168" & 60"x168" Models with Center Inlay

37" and 58" off each end

Locations For: 48"x144" & 60"x144" Models with Center Inlay

29" and 50" off each end

Locations For: 48"x120" & 60"x120" Models with Center Inlay

39" and 60" off each end

Locations For: 48"x108" & 60"x108" Models with Center Inlay

33" and 54" off each end

Locations For: 48"x96" & 60"x96" Models with Center Inlay

37½" off each end

CERTIFICATIONS & SUSTAINABILITY

- Intertek Sustainability Certified
- BIFMA level® Certified

- Base is 5" Tall

[See One10 Overview For Ordering Options](#)

Crafted in select solids and American veneers, Phoenix's clean, transitional styling is at ease in both contemporary and traditional settings. It is a perfect choice for value-minded companies who want a sophisticated, yet uncomplicated, furniture solution.

CONSTRUCTION

Phoenix features a Veneer chassis with your choice of a Veneer or HPL top.

VENEER

- Exposed surfaces feature select grade sliced American Black Walnut or Cherry veneers carefully selected and matched to assure proper balance and consistency

TOPS

- Veneer tops are 5-ply balanced construction and 1½" thick with solid hardwood rims
- High Pressure Laminate (HPL) tops are 3-ply balanced construction and 1½" thick with solid hardwood rims
- Grain direction runs left to right unless noted

CHASSIS

- Chassis is securely fastened using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- Units feature finished backs unless otherwise noted
- All units equipped with heavy-duty, adjustable glides to ensure proper leveling and compensate for uneven floors

DRAWERS

- Drawer fronts standard with matched veneer faces
- Drawer sides, back and front are woodgrain vinyl-wrapped, and are ½" thick
- 5-sided drawer construction for easy removal of drawer fronts
- Lateral file drawers feature ¼" thick bottoms and tested for 200lb capacity
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- All suspensions have a limited lifetime warranty

FILING

- File drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front to back and legal filing side to side

STORAGE

- All hinged doors include soft close hinges, unless noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING

- Storage credenzas feature standard locking; optional locking on wardrobe/storage cabinets
- Lock core will coordinate with pull selection unless otherwise noted
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.

TABLE GROMMET & POWER UNIT OPTIONS

Power units and grommets are sold separately and must be specified separately with surface mount location. Multiple locations may be selected. Only one unit per location.

Power units and Grommets Available in Table Surfaces (See Units)

Grommet Specify Color: Black = BLK and Silver = SLV

DUO/TRIO BEZEL

- 01-DUOBEZEL Available in Black (B), Silver (S), or White (W)
- 01-TRIOBEZEL Available in Black (B), Silver (S), or White (W)

DOCK 950, DOCK 800 and DOCK 150

- DOCK950 Available in Black or White
- DOCK150 Available in Black or White
- DOCK800 Available in Black or Silver

Other Power Units

- DPORT4 Available in Aluminum or Black
- INTERACTG Available in Aluminum or Black
- OASISM Available in Aluminum or Black

TABLE GROMMET & POWER UNIT OPTIONS CONTINUED

Power/Data Location Information:

- Designate unit and location when specifying the top model. Power/Data Module need to be ordered separately.
 - Power/Data Modules specified at the time of order will be routed for field installation.
- E1 Unit on One End
E2 Unit on Each End
OC Unit on Center

- All power units available **On Center (OC) only** when paired with two (2) or more of the following bases:

- Cylinder Base Square Base
- X-Base Disc
- Tubular X-Base

Grommets and Power Units may be ordered in non-standard locations. Call Customer Service to assist with specification and/or please attach a drawing to the PO showing the location of the grommet. Note additional charges and lead times may apply.

Top Locations

Power units available on Each End (E1 and E2) and On Center (OC) unless otherwise noted, when paired with any Rectangle Panel Base, Rectangle Box Base or Rectangle Accent Box Base. (See Unit Details)

Power units centered at locations below:

- 36" Tops centered 18"D 48" Tops centered 24"D

[See Phoenix Overview For Ordering Options](#)

Dress up a casual drop-in meeting room or add prestige to an executive suite. Strut Tables are designed with precision minimalist lines and angles to establish modern sensibility in any space. With tops available in round, square, rectangle, modern rectangle, and boat shapes, in a range of veneer, laminate, and glass options, and in sizes ranging from 3.5 square feet to 5 by 20 feet, Strut can accommodate small meeting spaces, cafes, private offices, or even large board rooms.

CONSTRUCTION

veneer

- Exposed surfaces feature select grade plain-sliced hardwood veneers in Cherry, Maple, American Black Walnut, or composite veneers. Veneers are carefully selected and matched to assure proper balance and consistency
- Veneer features UV Advantage, an ultra-violet finish, on all exposed surfaces by utilizing roll-coat UV technology

laminate

- Thermally-Fused Laminate (TFL) and High-Pressure Laminate (HPL) are made of woodgrain and solid color laminates fused to particleboard core; each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance,

tops

- Veneer (W) or HPL (P) Tops available in five shapes: Rectangle, Boat, Modern Rectangle, Square and Round with woodgrain patterns following the depth (short) of Veneer (W) table tops while grain patterns follow the width (long) of HPL (P) table tops
- Tops are shaped on all four sides and are available in two thicknesses and six edge profiles
- Double Kerf (F), Duo (G), **Fluted (X)** and Square (Y) available in Veneer (W) and HPL (P) tops with 3-ply balanced construction, 1 $\frac{1}{16}$ " thick and matching 3mm wood or PVC edge bands on profiled edges; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Knife (K) edge profile tops are 1 $\frac{1}{16}$ " thick with solid wood rims available on both Veneer (W) or HPL (P) tops
- Vertical Square (H) edge profile tops are 1 $\frac{1}{2}$ " thick with 1.5mm wood edge band on Veneer (W) tops and 1mm PVC edge band on HPL (P) tops; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Tops will include with holes bored on bottom to ensure proper leg placement
- Credenzas, buffets, and other ancillary support models are available in Square (Y), Double Kerf (F), Duo (G), and Vertical Square (H) edge profiles and profiled on approach side only
- All Veneer tops, as well as Laminate tops up to 144" (12 feet), will have matching woodgrain. Laminate tops sized 156" (13 feet) and longer will have non-matching woodgrain**
- All surfaces feature reverse slip matched pattern
- Back Painted, Tempered Glass Tops are $\frac{1}{4}$ " thick and are attached to a substrate topped with black paper covering
- Tempered glass top has a $\frac{1}{16}$ " overhang from the sub-top

locking

- All units with file drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date, if required Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge Lock core is predetermined by pull color. Black lock cores are used with black and gold pulls while silver lock cores are used with chrome and aluminum pulls
- Optional locking doors available on buffets and credenzas

legs

- Available in aluminum (ALUM) or black (BLK)
- Integrated wire management inside of leg to keep your space clean and free of wires
- Each leg has adjustable glides

chassis

- All credenzas are available in TFL (T) or Veneer (W) with vertical grain direction
- Chassis for storage units are securely fastened using high quality European fastening systems and heavy-duty 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors

drawers

- Drawers feature 5-sided drawer construction allowing for easy removal of drawer fronts; All drawer fronts are standard with elegant vertically matched faces
- Drawer sides, back, and front are woodgrain vinyl-wrapped $\frac{1}{2}$ " thick with $\frac{1}{8}$ " thick hardboard bottoms
- Drawer interiors are dovetail construction with $\frac{7}{16}$ " thick hardwood sides and backs, and $\frac{5}{32}$ " thick hardboard bottoms
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box drawers are tested for 100lb capacity
- All suspensions have a limited lifetime warranty

storage

- All hinged doors are soft-close with one piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure
- All Credenzas feature a 2" W wire management channel along back of the interior cabinet for easy accessibility to wall outlets

2" wire management channel

BST	Studio, Black	GST	Studio, Gold

Studio (AST)
Aluminum - 13"

Studio (BST)
Black - 13"

Studio (CST)
Chrome - 13"

Studio (GST)
Gold - 13"

GLASS OPTIONS ON TOPS

Back painted tempered glass tops are 1/4" thick and available in Black or White with Gloss or Acid Etched finish. Glass top sits 1/16" on top of substrate top.

GWHG	White Gloss	GBLG	Black Gloss
GWHA	White Acid Etched	GBLA	Black Acid Etched

White Gloss (GWHG)

White Acid Etched (GWAH)

Black Gloss (GBLG)

Black Acid Etched (GBLA)

LOCK CORE COLOR OPTIONS

BLK	Black (Used with Black and Gold Pulls)
SLV	Silver (Used with Aluminum and Chrome Pulls)

GROMMET & POWER UNIT OPTIONS

Power units and grommets are available on Rectangle, Modern Rectangle, and Boat shaped tops. Each unit is sold separately and must be specified separately with surface mount location. Multiple locations may be selected. Only one unit per location.

Power units and Grommets Available in Table Surfaces (See Units)

Grommet	\$ 52
---------	-------

Specify Color: Black = BLK and Silver = SLV

DUO/TRIO BEZEL

01-DUOBEZEL	Available in Black (B), Silver (S), or White (W)
01-TRIOBEZEL	Available in Black (B), Silver (S), or White (W)

DOCK 950, DOCK 800 and DOCK 150

DOCK950	Available in Black or White
DOCK150	Available in Black or White
DOCK800	Available in Black or Silver

Other Power Units

DPORT4	Available in Aluminum or Black
ELLORA	Available in Aluminum or Black
E2X	Available in Aluminum or Black
INTERACTG	Available in Aluminum or Black
OASISM	Available in Aluminum or Black

Power/Data Location Information:

- Designate unit and location when specifying the top model. Power/Data Module need to be ordered separately.
- Power/Data Modules specified at the time of order will be routed for field installation.

E1	Unit on One End
E2	Unit on Each End
OC	Unit on Center

- 72"W tops available with power units **On Center (OC) only**

Grommets and Power Units may be ordered in non-standard locations. Call Customer Service to assist with specification and/or please attach a drawing to the PO showing the location of the grommet. Note additional charges and lead times may apply.

Top Locations

Power units available on Each End (E1 and E2) and On Center (OC) unless otherwise noted.

Power units centered at locations below:

Example: 60x204 Modern Rectangle

DRAWER TRACK OPTIONS

Soft close tracks are available on box drawers only. Soft close drawer tracks have many benefits including reduced stress on the unit, extends the life of the drawer, and ensures a gentle close so fingers don't accidentally get pinched. Must specify when ordering.

Pricing is per Drawer, not per Model/Unit

SFTCL Soft Close Drawer Track \$ 34

WASTE BIN OPTIONS

Buffet and 24" Credenzas are available with two (2) 41-quart beige waste bins in a pull out cabinet with silver hardware and divider panel. Adjacent cabinet features one (1) adjustable shelf. Studio pulls applied centered on doors when waste bin is selected. Locking not available.

WBL Waste Bin on Left \$ 510
WBR Waste Bin on Right \$ 510

Shown as Left

VENT OPTION FOR CREDENZAS

Buffets and Credenzas feature optional ventilation grommets. Includes one vent per compartment.

Vents are 10" Down from top surface on Buffet Credenzas and 2 7/8" on Credenzas.

NONE No Vent Grommet
VENT Vented back panel \$ 68

Number of vents per unit:

36" 1 vent
72" / 48" 2 vents
96" / 84" / 60" 3 vents

LOCKING DOORS

Locking doors are available on Buffets and Credenzas. You must specify WITH LOCKING when ordering and add upcharge.

Note: When locking is selected with optional waste bin, locking will not apply to waste bin door.

LKT_BFD 96"W to 84"W Units \$ 135
LKT_BFD 72"W to 48"W Units \$ 115
LKT_BFD 36"W Units \$ 91

BASE METAL ACCENT COLOR OPTIONS

6" and 10" Rectangle Accent Bases feature 5/16" metal trim. Must specify color

The Synergy Collection has partitions, tables, and seating to create spaces in an impromptu way without the need for complex architecture. Synergy Tables are a component of this thoughtful portfolio with soft rectangle and view-shaped seated, counter, and standing height tables, available as freestanding or with casters.

CONSTRUCTION

TABLES

- Table legs are 2”D, crafted from European Beech, and individually hand sanded prior to being finished with non-marring fixed nylon glides when casters are not selected
- Table tops have 1” thick Thermally-Fused Laminate (TFL) or High Pressure Laminate (HPL) surface with 3mm PVC edge band and Square edge profile; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands

Square (Y)

- Tables require some assembly

POWER/DATA/CORD MANAGEMENT

- Table top grommets and power/data units are available on center
- Table tops feature undersurface a 2”H metal accent to conceal wires and additional cord management is available for order; [See Accessories](#)
- Power/Data units available for in-surface mounting and comply with FCC Part 15A and UL
- Partitions with TV mount include a black grommet below TV mount, center wire channel, and grommet in bottom of unit for a clean and easy access to power.

SYNERGY

MULTI-USE TABLES (8200 SERIES)

Synergy is a collection of partitions, tables, and seating to create spaces in an impromptu way without the need for complex architecture.

Synergy promotes flexibility to adapt to different interactions, forming areas to gather, separate, and then gather again...all in personalized ways, and all within the same open space.

See the entire [Synergy Collection](#) under Space Division in this Price List.

Designers Jim Contois and Ramsey Madsen complement existing products with the Tri-One Table Collection. A full offering of training, meeting, and modular tables are available in flexible models that is sure to meet every expectation with integrated power and data capabilities.

CONSTRUCTION

LAMINATE

- Thermally-Fused Laminate (TFL) and High-Pressure Laminate (HPL) are made of woodgrain and solid color laminates fused to particleboard core; each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

VENEER

- Surfaces feature select-grade, plain-sliced hardwood Cherry, Maple, American Black Walnut, White Oak, and composite veneers; Veneers are carefully selected and matched to assure proper balance and consistency
- Veneer features UVAdvantage, an ultra-violet finish, on all exposed surfaces by utilizing roll-coat UV technology

TOPS

- Tops with the Square (Y) edge profile are 1" thick TFL or 1 3/16" HPL with a 3mm PVC rim; or 1 3/16" Veneer with 1.5mm edge banding
- Tops with the Knife (K) edge profile are 1 3/16" HPL with a 3mm PVC rim or 1 3/16" Veneer with 1 1/2 mm edge banding
- Laminate colors Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Training and Modular tops feature shaped profiles on the user side while Meeting tops are shaped on all four sides
- Tops are pre-drilled for the specified base assembly and for ganging where applicable
- Grain direction runs left-to-right, unless noted

Knife (K)

Square (Y)

LEGS/BASES

- The Envy and Vantage leg/base styles are powder-coated Aluminum and include a 5mm steel mounting plate
- Envy style legs are aluminum extrusions while Vantage style legs are welded steel
- All legs and bases come standard with adjustable glides

GANGING

- All Modular and Training tops are pre-drilled with threaded inserts for ganging applications
- Ganging brackets include quick release thumb screws for ease of use; No tools required

NESTING

- Training tables offer an exclusive flip mechanism which can be accessed from any position to allow easier nesting of tables
- Optional flip mechanisms are factory installed and must be specified at the time of order

POWER/DATA/CORD MANAGEMENT

- Grommets are available in tops, where noted
- Grommets are 2 3/8" in diameter and available in black or silver
- Power/Data units available for under-surface mount, routed into tops, or for use in standard grommet holes (e.g., Sand Dollar)
- Power/Data Units comply with FCC Part 15A and UL
- Standard Power/Data plugs and daisy-chain connections are available; daisy chains are non-sequential; connect up to 8 modules

Occasional Tables

SURFACE MATERIAL DIGITAL IMAGES & BROCHURE

The finishes represented on Indiana Furniture's Surface Material Finish Brochure were reproduced using the finest technology available. Samples of our finishes and laminates are available for order through our Collateral Store. Please verify your desired finish before ordering as such orders are not subject to return to Indiana Furniture.

Contact your local Indiana Furniture Sales Representative or our Customer Service team should you need assistance.

GLIDES

All tables ship with non-marring glides, some series offering leveling glides as standard. See pricing pages for each series for more information.

FINISH

Indiana Furniture standard occasional table finishes correspond to casegoods and conferencing finishes and laminates. Minor variations in finish color and value may occur due to the natural characteristics of wood. Consult this price list for specific finish availability within each series.

Special Finishes: Indiana Furniture is able to accommodate our customer's needs for specific finish matches. Please submit a 3"x5" sample panel to Customer Service for quotation and lead time.

An overview of our finishes and laminate options can be found on the inside of the back cover of this price list.

Arlington offers all the grace and embellishments associated with traditional styling with an added emphasis on value. Finely crafted in select solids with walnut and cherry veneers and high pressure laminate worksurfaces, Arlington ensures quality and expert craftsmanship with a selection of configurations for today's functional workspaces.

CONSTRUCTION

- Veneers on exposed surfaces feature select grade, plain sliced American Black Walnut or Cherry veneers, carefully selected and matched to assure proper balance and consistency
- Veneer tops have a 5-ply balanced construction, 1 $\frac{3}{16}$ " thick with solid hardwood rims with butt corners
- HPL tops have a 3-ply balanced construction, 1 $\frac{3}{16}$ " thick, with solid hardwood rims with butt corners
- Grain direction runs left to right
- All units ship with heavy duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- Some Assembly Required

HOW TO ORDER EXAMPLE

Model No.	Description	Example
29-2124ET	Top Material Finish	W CO

VENEER (W) OPTIONS

Veneer features UVAdvantage, an ultra-violet finish, on all exposed surfaces by utilizing roll-coat UV technology. Apron rails and table legs use a multi-step, hand finished process with a catalyzed finish

From lounge areas, to private office, to conference settings, the Bailey Collection can make a statement. Bailey tables are offered in square and rectangular cocktail tables, as well as end tables, in a wide range of veneers and laminates with two edge profiles. Pair Bailey tables with the collection's chairs, settees, sofas, and ottomans.

CONSTRUCTION

- Bases for tables are manufactured using steel frames with a chrome finish
- The wood veneer tops are made of select grade sliced Black Walnut, Cherry, Maple, or composite veneers for maximum grain and color consistency
- Veneer tops are 1" with 1mm veneer edge bands
- Laminate tops are 1" with 1mm PVC edge bands laminate tops are ¾" with 1mm PVC edge bands; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Ships fully assembled

The Britta Collection showcases a Mid-Century Scandinavian aesthetic with an appealing contemporary feel. Available in two edge styles and a broad range of finishes to create an inviting space with warm and energetic sensibility. Pair Britta tables with the collection's guest, single lounge, and settee options, which all feature a wall-saver design, to create an entire setting.

CONSTRUCTION

- The wood veneer table tops are 1" thick and are made of select grade sliced Walnut, Cherry, or Maple veneers for maximum grain and color consistency
- The knife edge profile features a 5-ply balanced construction with a solid hardwood rim; the square edge profile features a 3-ply balanced construction with a 3mm veneer edge band
- The aprons and legs are solid maple hardwood and ship with adjustable glides
- Ships fully assembled

Discover the perfect table collection that goes anywhere. With a mix of materials, Jot complements a diverse range of interiors from ultra modern to classic. Its metal base, available in five refreshed colors, supports tops in solid surface, veneer, or laminate. Scaled for a perfect fit, Jot makes a great first impression front and center or corner-tucked for convenient storage. Jot's UV Advantage finish features a crystal clear topcoat developed for durability in high traffic areas.

CONSTRUCTION

- Veneer tops are 3/4" thick with veneer edge bands; made of select grade, sliced Black Walnut, Cherry, Maple, or Composite species
- TFL tops are 3/4" thick with a 1mm PVC edge band; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Solid surface tops are 3/4" thick and are available in six colors and two edge profiles
- Bases are manufactured using 3/4" steel frames and powder coated in your choice of five standard colors
- Joints on bases are mitered and fully welded for maximum strength and durability
- Tops are securely fastened to the bases with metal screws
- Ships fully assembled

In partnership with Edge Design, a UK-based company, we welcome Spirit.

Spirit has a refined and inviting form, and capitalizes on versatility and comfort. Complete your waiting area, welcoming lobby, or office space with Spirit tables.

CONSTRUCTION

- Non-marring nylon glides included in each leg at floor level
- Tables have 1" TFL or 1½" HPL surface thickness with 1mm PVC edge band and Square edge profile; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Bases are comprised of bent wire frames or hardwood legs securely attached to a metal substructure.
- Black or Aluminum Powder Coat, and Chrome wireframes
- Ships fully assembled

PLEDGE

Space Division

Our functional range of screens and dividers make it easy to create space division within any environment, on nearly any product. Simply add screens to your worksurface, training table, and/or reception desk to create privacy, add protection, or further define personal space.

CONSTRUCTION

ACRYLIC PANELS/SCREENS/DIVIDERS

- Clear and Frosted Acrylics are ¼" thick, while High Gloss Acrylics are ¾" thick; cut to size and machined for a clean finish

TFL PANELS/SCREENS/DIVIDERS

- Made of woodgrain and solid color laminates fused to particle-board core
- Privacy Panels and Above/Below Screens are ¾" thick
- Gallery Screens are 1" thick
- Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

VENEER PANELS/SCREENS/DIVIDERS

- Made of select-grade, plain sliced hardwood Cherry, Maple, American Black Walnut, White Oak, or composite veneers; selected and matched to assure proper balance and consistency
- Privacy Panels and Above/Below Screens are ¾" thick
- Gallery Screens are 1" thick
- Veneers feature Indiana Furniture's sustainable UVAdvantage, an ultra-violet topcoat finish, on all exposed surfaces by utilizing roll-coat UV technology

WIRE MANAGEMENT

- Grommets may be specified for 51"H Straight Floorstanding Gallery Screens, and are available in black or silver

CERTIFICATIONS & COMPLIANCE

- CAL 117-2013 Compliance
- Intertek Sustainability Certified
- BIFMA level® Certified
- BIFMA Compliant Certified
- TSCA Title VI (CARB) Compliance
- Contributes to LEED®, Green Globes®, and WELL® Sustainable Programs

[For ordering options, see overview at the beginning of section.](#)

STEP 1: PLANNING FOR SQUARE ONE

Planning for Square One is based on configuring 12"x24" and 24"x24" blocks in nearly any manner to create space dividing walls, coves, work zones, and more within open environments.

Idea Starters/Typicals:

When you select one of our pre-configured Typicals, everything you need comes specified together, including the blocks, caps and posts, hardware, glides, and more.

- Select the typical number (e.g., 17-4), then specify the finish and hardware color.
- Add optional accessories (see Step #5).

Make Your Own Typicals:

There are endless opportunities with Square One, giving you the ability to create unique setups to meet the specific needs of your customers.

- We recommend utilizing our Specification/Drawing Services team, who can help in bringing your vision to life and ensure all the necessary components are included. To get started, just send us a drawing. You can use our easy online request form: [Design Request Form](#)
- Steps #2 - #5 outline the process for specifying your own typical. Please provide a drawing with the order to ensure accuracy.

STEP 2: SPECIFYING BLOCKS

When making your own typical, choose the quantity of blocks needed to create your design. We offer single blocks in two styles: 24"x24" and 12"x24".

- Blocks can go up to four high (8') and do runs of five wide (10') without a supporting wall or anchor to create stability.
- We recommend using single 12" x 24" blocks on the top or ends. If placing on the bottom or in the center of the design, using two of them together will ensure alignment with the holes bored on attachment items like End Caps, Corner Posts, etc.
- When creating an "L" or "T" design, we suggest going a minimum of three blocks wide to ensure stability without additional support.

STEP 3: CAPS, POSTS, CONNECTORS, AND SPANNERS

Next, determine what Caps, Posts, Connectors, and Spanners are needed to complete the design.

- End and Top Caps are necessary to ensure a clean and balanced aesthetic (as they hide the attachment hardware/ensure no empty holes are showing where attachments would have been).
- Square One offers connection beams to create 90° turns (Corner Posts), three walls (T-Connectors), four walls (X-Connectors), and span doorways or other openings (Horizontal Beam Spanners).
- End Caps, Posts, and Connectors should always be specified to run longer (taller) than the unit so that the end of the top cap or horizontal rail will not be seen (there are only a few exceptions).

STEP 4: HARDWARE, LEVELING, AND GENERAL ASSEMBLY

Whether connecting square to square or square to post, individual components come with the necessary hardware. Should you need more, we offer separate Bolt Kits to provide proper installation.

We offer heavy-duty, adjustable leveling glides to compensate for uneven floors. A tool (6mm allen driver bit) is also available to insert the glide nuts. The glides must be ordered separately from the blocks.

We do not offer connection methods to anchor to the floor or wall. We recommend discussing this with the building's facility manager for proper connection. Indiana Furniture will not be liable for wall or floor mounts that are not properly installed.

Assembly Instructions may be found on our website.

STEP 5: ACCESSORIES

Add function without sacrificing beauty. Acrylic Inserts, Tackable and Acoustical Panels, Dry Erase Boards, and TV mounts can give your space the ability for more privacy, collaboration, or brainstorming.

- Dry Erase Boards and Tackable Panels have onset installation.
- Dry Erase Boards can be mounted either vertically or horizontally.
- Acoustical Panels are either specified onset or inset, and Acrylic Inserts are inset.
- Tackable Panels are fully upholstered, so a clean aesthetic is seen from both sides of the blocks.
- Acrylic Inserts lock into insert retainers which are installed on top of the hardware, inside of the block, allowing for a quick and tight-fitting installation.
- Frosted Acrylic Inserts can be customized with a logo or image, giving you freedom to create a personal touch. Provide a .CDR, .AI, or .EPS file. Extended lead times may apply.
- We offer the Vesta Power Data Center and other similar items to add power within your Square One spaces created.

**Space Division.

Space Division. Redefined.

Square One is the clean, simple way to provide space division, functionality, and architectural design to any zone within the working environment. With individual building blocks that securely connect to one another and accessories like dry erase boards, barn doors, planter boxes, acrylic inserts, and tackable and acoustical panels, your personalization of Square One is only limited to your imagination. Square One is made of solid wood, providing a sustainable material for the workplace and bringing warmth and beauty to any space.

CONSTRUCTION

BLOCKS

- Blocks are manufactured using kiln-dried, solid European Beech and are attached using hardware, available in your choice of nickel or black, for durability and strength

FINISH

- Indiana Furniture uses a multi-step hand finishing process
- Blocks are pre-sanded for smoothness, then stained and finished with a catalyzed varnish finish which offers durability, lasting beauty, and resistance to normal wear
- Square One finishes were selected to complement casegoods, tables, and seating finishes which allows for easy blending of furniture components

END & TOP CAPS

- Measure 1¼"W and 1¼"D and come in a variety of lengths
- Used vertically and horizontally to provide a clean, balanced aesthetic by hiding the attachment hardware
- Caps are constructed of kiln-dried, solid European Beech and include blind threaded inserts for installation

CORNER POSTS

- Measure 1¼"W and 1¼"D and come in a variety of heights
- Used to create 90° turns
- Corner posts are constructed of kiln-dried, solid European Beech and include blind threaded inserts for installation

T-CONNECTORS

- Measure 1¼"W and 1¼"D and come in a variety of heights
- Used vertically and horizontally to create an intersection for three wall runs
- T-Connectors are constructed of kiln-dried, solid European Beech and include blind threaded inserts for installation

X-CONNECTORS

- Measure 1¼"W and 1¼"D and come in a variety of heights
- Used vertically to create an intersection for four wall runs
- X-Connectors are constructed of kiln-dried, solid European Beech and include blind threaded inserts for installation

HORIZONTAL BEAM SPANNERS

- Measure 1¼"D and 1¼"H and come in a variety of widths
- Used horizontally to provide structural support for doorways and other designed openings
- Spanners are constructed of kiln-dried, solid European Beech and include blind threaded inserts for installation

DRY ERASE BOARDS

- Available in 22½" or 46½" heights and multiple widths
- Installed onset, either vertically or horizontally
- Installation brackets are included; longer bolts for installation on-site are also included

ACOUSTICAL PANELS

- Constructed of 100% polyester made from up to 50% recycled materials without the use of adhesive or other bonding agents, Acoustical Panels are 100% recyclable
- Panels are ½" (12mm) thick and are available in multiple widths and lengths
- Sound absorption is average NRC 0.75 (50mm air gap) 1.0 NRC in mid-high frequencies
- Panels are installed inset with tabs or onset with dual-lock connectors

TACKABLE PANELS

- Tackable Panels are constructed of 7/16" corkboard and then covered, on both sides, in the textile of your choice
- Highly-skilled upholsterers hand tailor each unit to meet individual specifications
- Upholstery options include a broad range of styles, all pre-graded in this price list for ease of use
- Panels are installed onset with dual-lock connectors

ACRYLIC INSERTS

- Acrylic inserts are manufactured using high performance engineering resins and provide translucency, strength, clarity, and versatility
- Inserts are 20½"W and are available in 8½" and 20½" lengths
- Inserts are inset within the blocks with retainers for a tight-fitting installation
- Frosted acrylic options can be customized with logos and other designs as requested

LEVELING GLIDES

- Heavy-duty, adjustable leveling glides are available in black or nickel and are recommended to ensure proper leveling and compensation for uneven floors
- A tool (6mm allen driver bit) to install glides is also available to ensure proper installation

BARN DOOR HARDWARE

- Sliding system tracks are constructed of black powder coated steel
- Hardware includes tracks, hangers, track stops, screws, inserts, bracket, and sliding system
- Installation hardware will be shipped attached to components

PLANTER BOXES

- The planter box is made of ¾" thick thermally-fused laminate (TFL) fused particle-board core
- Grain direction runs horizontal
- Planter boxes are fastened together with screws and heavy-duty metal fasteners
- Optional insert is made of lightweight, fade-resistant, recyclable plastic

HOW TO ORDER EXAMPLES

PLANTER BOXES

Model No.	Description	Example
01-1909PL	TFL Color	AS
	Hardware Color	BLK
	Optional Insert	PBI

VENEER (W) OPTIONS

Indiana Furniture uses a multi-step, hand finishing process on all exposed wood frames.

Square One models feature a catalyzed varnish finish which offers durability, lasting beauty, and resistance to normal wear.

Synergy is a collection of partitions, tables, and seating to create spaces in an impromptu way without the need for complex architecture. This line promotes flexibility to adapt to different interactions, forming areas to gather, separate, and then gather again...all in personalized ways, and all within the same open space.

CONSTRUCTION

PARTITIONS

- Internal wood components are manufactured using plywood
- Partitions require some assembly including 75mm casters that are field installed
- Partitions Chassis consists of TFL frame, shelves (if applicable) and bottom panel

TABLES

- Table legs are 2"D, crafted from European Beech, and individually hand sanded prior to being finished with non-marring fixed nylon glides when casters are not selected
- Table tops have 1" thick Thermally-Fused Laminate (TFL) or High Pressure Laminate (HPL) surface with 3mm PVC edge band and Square edge profile; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands

Square (Y)

- Tables require some assembly

SEATING

- All bench and stool joints are precisely fit with lag bolt connections for maximum strength and durability
- Stools and benches are rated for users up to 275lbs, ship fully assembled and feature 1½" thick High Grade Polyurethane Foam on the stools and bench seats
- Stool legs are 2"D, crafted from European Beech, and individually hand sanded prior to being finished with non-marring fixed nylon glides when casters are not selected

STORAGE

- Media Low Storage Partition on Casters includes soft close, touch latch hinged doors
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure
- Media Low Storage and Open Storage Partitions feature two (2) black grommets within the storage

PLANTER BOXES

- The planter box is made of ¾" thick thermally-fused laminate (TFL) particle-board core
- Grain direction runs horizontal
- Planter boxes are fastened together with screws and heavy-duty metal fasteners
- Optional Planter Insert is made of lightweight, fade-resistant, recyclable plastic

POWER/DATA/CORD MANAGEMENT

- Table top grommets and power/data units are available on center
- Table tops feature undersurface a 2"H metal accent to conceal wires and additional cord management is available for order; [See Accessories](#)
- Power/Data units available for in-surface mounting and comply with FCC Part 15A and UL
- Partitions with TV mount include a black grommet below TV mount, center wire channel, and grommet in bottom of unit for a clean and easy access to power.

PARTITION PANEL OPTIONS

Each side of a partition with panels can be personalized to meet the needs of your space; referred to as Side A Panel and Side B Panel. Select from TFL, Tackable Upholstery, or Dry Erase. Dry Erase Partitions also offer Glass Magnetic Marker Board Panels.

When a TFL Panel or Tackable Upholstery Panel is selected for both Side A and Side B, the same TFL color, or the same upholstery, will be used on both sides for a cohesive aesthetic.

Must specify Side A and Side B panel selection on order.

TFLP	TFL Panel
TKBP	Tackable Upholstered Panel
WHBP	Dry Erase Panel
BLMMB	Black Glass Magnetic Marker Board (82-4872PDE Only)
WHMMB	White Glass Magnetic Marker Board (82-4872PDE Only)

CONTRASTING TFL OPTIONS

Chassis, door fronts, and TFL panels available in contrasting colors. Must specify color of each component with order.

Colors represented are high-resolution reproductions and may vary slightly from the actual product. To order samples, please contact our Customer Service team or order online at www.indianafurniture.com. Graining and finish colors may vary, yet will continue to complement, across Veneer, HPL, TFL, and Seating products due to the inherent differences of these materials.
