Indiana  
FURNITURE

Being over a century old hasn't slowed us down! Sure, we are still the reliable, ethical company that was born in southern Indiana, steeped in quality, craftsmanship, and service. But have you seen our latest introductions? We are making a splash with design and challenging the concept of modern offices. Go ahead. Take a look. You know you want to.

## Our Pledge to People + Our Planet.

We've been making wood furniture longer than just about anyone...and we want to be doing so for a long time to come. That's a large part of why we take a stewardship approach to our resources. We believe that environmental sustainability and business profits need not be mutually exclusive. They can and should exist side by side in a mutually beneficial relationship. And for more than a century, we've been showing how it's done.

We've proven our commitment to a sustainable future by supporting the standards and programs that protect our home planet and human health. Whether it's local sourcing, reducing contaminants, implementing wellness and safety programs, or diverting waste from landfills, social responsibility is a part of every decision we make at Indiana Furniture.

One of the surest ways to reduce our impact on the planet is to make and buy things that last. And this one's a natural for us. Our products are made with craftsmanship and attention to detail that are a part of our more than a century-long legacy in wood manufacturing. And our products are backed by our 12-year warranty, which facilitates maintenance, servicing and reassembly.

All of our product lines:

- Are manufactured and assembled in the USA,
- Meet or exceed Indoor Air quality standards\*,
- Meet or exceed BIFMA level® Sustainability standards and certification\*,
- Conform to the BIFMA Compliance standards\*,
- Comply with TSCA Title VI (CARB) standards,
- and can contribute to U.S. Green Building's LEED Program.

To learn more, simply go to [www.IndianaFurniture.com/resources](http://www.IndianaFurniture.com/resources).

## Ease of Specification

Whether you're looking to specify your office spaces or simply to visualize them in the options and surface materials you are desiring, we make it easy. You can find the entire Indiana Furniture portfolio on the following third-party, space-planning platforms.

\* Recently launched or new products may still be in testing; Cush Pillows is currently not BIFMA Compliant due to no available compliance test.

Designers Jim Contois and Ramsey Madsen complement existing products with the Tri-One Table Collection. A full offering of training, meeting, and modular tables are available in flexible models that is sure to meet every expectation with integrated power and data capabilities.

**CONSTRUCTION**

**LAMINATE**

- Thermally-Fused Laminate (TFL) and High-Pressure Laminate (HPL) are made of woodgrain and solid color laminates fused to particleboard core; each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

**VENEER**

- Surfaces feature select-grade, plain-sliced hardwood Cherry, Maple, American Black Walnut, White Oak, and composite veneers; Veneers are carefully selected and matched to assure proper balance and consistency
- Veneer features UVAdvantage, an ultra-violet finish, on all exposed surfaces by utilizing roll-coat UV technology

**TOPS**

- Tops with the Square (Y) edge profile are 1" thick TFL or 1 3/16" HPL with a 3mm PVC rim; or 1 3/16" Veneer with 1.5mm edge banding
- Tops with the Knife (K) edge profile are 1 3/16" HPL with a 3mm PVC rim or 1 3/16" Veneer with 1 1/2 mm edge banding
- Laminate colors Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Training and Modular tops feature shaped profiles on the user side while Meeting tops are shaped on all four sides
- Tops are pre-drilled for the specified base assembly and for ganging where applicable
- Grain direction runs left-to-right, unless noted

Knife (K)

Square (Y)

**LEGS/BASES**

- The Envy and Vantage leg/base styles are powder-coated Aluminum and include a 5mm steel mounting plate
- Envy style legs are aluminum extrusions while Vantage style legs are welded steel
- All legs and bases come standard with adjustable glides

**GANGING**

- All Modular and Training tops are pre-drilled with threaded inserts for ganging applications
- Ganging brackets include quick release thumb screws for ease of use; No tools required

**NESTING**

- Training tables offer an exclusive flip mechanism which can be accessed from any position to allow easier nesting of tables
- Optional flip mechanisms are factory installed and must be specified at the time of order

**POWER/DATA/CORD MANAGEMENT**

- Grommets are available in tops, where noted
- Grommets are 2 3/8" in diameter and available in black or silver
- Power/Data units available for under-surface mount, routed into tops, or for use in standard grommet holes (e.g., Sand Dollar)
- Power/Data Units comply with FCC Part 15A and UL
- Standard Power/Data plugs and daisy-chain connections are available; daisy chains are non-sequential; connect up to 8 modules

**HOW TO ORDER EXAMPLES**

MODULAR TABLE	QTY	MODEL NO.	EXAMPLE

HW	Harvest Walnut	WTA	Weathered Ash*
HNW	Henna Walnut	WC	Williamsburg Cherry
LW	Legacy Walnut		

\* Finish is Low Sheen

### GROMMET OPTIONS & POWER/DATA UNIT LOCATIONS

Grommets are available in modular, meeting, and training tops. Tops may also be ordered without grommets at no additional charge. Please specify NO GROMMET on order.

Power/Data units must be specified separately with surface mount location. Specify location on order, as well as the power/data unit. Routed for field placement at no additional charge.

Grommets are available in standard locations. Please specify using info below. Multiple locations may be selected. Only one grommet/power/data unit per location.

#### GROMMET LOCATIONS (Black = BLK and Silver = SLV)

GC	Grommet, Center - Must Specify BLK or SLV	\$	52
GL	Grommet, Left - Must Specify BLK or SLV	\$	52
GR	Grommet, Right - Must Specify BLK or SLV	\$	52

#### DUO/TRIO BEZEL LOCATIONS (Starting on Page 200)

PDC-C	Bezel, Center
PDC-L	Bezel, Left
PDC-R	Bezel, Right

*Grommets and Power/Data Units may be ordered in non-standard locations. Call Customer Service to assist with specification and/or please attach a drawing to the PO showing the location of the grommet. Note additional charges and lead times may apply.*

#### 24" Modular Tops

GL/GR: Located 10" from end based on widest dimension, 13 3/8" from user side  
GC/PDC-C: Located 13 3/8" from user side

#### 30" Modular Tops

GL/GR: Located 10" from end based on widest dimension, 19 3/8" from user side  
GC/PDC-C: Located 19 3/8" from user side

#### Meeting Tops (Where Applicable)

PDC-C: On Center, front to back

#### 18" Training Tables

GL/GR/PDC-L/PDC-R: Located 10" from end, 12" from user side  
GC/PDC-C: Located 12" from user side

#### 24" Training Tables

GL/GR: Located 10" from end, 16 1/2" from user side  
GC: Located 16 1/2" from user side

#### 30" Training Tables

GL/GR: Located 10" from end, 20" from user side  
GC: Located 20" from user side

### CERTIFICATIONS & COMPLIANCE

- Intertek Sustainability Certified
- BIFMA level® Certified
- BIFMA Compliant® Certified
- TSCA Title VI (formerly CARB) Compliance
- Contributes to LEED®, Green Globes®, and WELL® Sustainable Programs
