Indiana
FURNITURE

Being over a century old hasn't slowed us down! Sure, we are still the reliable, ethical company that was born in southern Indiana, steeped in quality, craftsmanship, and service. But have you seen our latest introductions? We are making a splash with design and challenging the concept of modern offices. Go ahead. Take a look. You know you want to.

Our Pledge to People + Our Planet.

We've been making wood furniture longer than just about anyone...and we want to be doing so for a long time to come. That's a large part of why we take a stewardship approach to our resources. We believe that environmental sustainability and business profits need not be mutually exclusive. They can and should exist side by side in a mutually beneficial relationship. And for more than a century, we've been showing how it's done.

We've proven our commitment to a sustainable future by supporting the standards and programs that protect our home planet and human health. Whether it's local sourcing, reducing contaminants, implementing wellness and safety programs, or diverting waste from landfills, social responsibility is a part of every decision we make at Indiana Furniture.

One of the surest ways to reduce our impact on the planet is to make and buy things that last. And this one's a natural for us. Our products are made with craftsmanship and attention to detail that are a part of our more than a century-long legacy in wood manufacturing. And our products are backed by our 12-year warranty, which facilitates maintenance, servicing and reassembly.

All of our product lines:

- Are manufactured and assembled in the USA,
- Meet or exceed Indoor Air quality standards*,
- Meet or exceed BIFMA level® Sustainability standards and certification*,
- Conform to the BIFMA Compliance standards*,
- Comply with TSCA Title VI (CARB) standards,
- and can contribute to U.S. Green Building's LEED Program.

UPHOLSTERY OPTIONS + RECOMMENDATIONS

Available in single or contrasting upholsteries in a wide variety of graded-in or contract options, including fabric, vinyl, and leather.

When using contrasting upholstery, note that the Accent Upholstery will be shown on the front and back side of the unit.

Single Upholstery

Contrasting Upholstery

Some upholsteries are considered directional, such as stripes, patterns and plaids. Customer may specify how fabric is cut (up the roll or across the roll). If not specified, upholsteries are reviewed by production for the best application. Certain upholsteries may require the pattern to be applied up the roll, which creates additional seams in the seat and backs of select units. When contrasting upholstery is specified and any fabric direction selection is requested or deemed best applied up the roll then all fabric direction selections will be applied up the roll.

[See the COL/COM Form for additional details.](#)

Additional seams for the 15-P33 when upholstery is cut up the roll.

Shown with Accent Upholstery cut Up the Roll and applied with the seam. Primary Upholstery cut Across the Roll and applied with no seam. This will only apply to 15-P33.

FIFTEEN PODS

PODS + TABLES BY PLEDGE (15 SERIES)

CREATING A BOOTH

At the time of specifying a Pod, we ask that you also designate whether or not you'll be creating a booth.

To insure all necessary hardware is factory installed when creating a booth:

- Order the correct number of Pods to support the Center Panel specified. Single-sided Center Panels require two Pods of any combination model/width
- Each Pod specified must indicate which end will connect to the Center Panel. Left end and right end are determined as you are standing looking at the Pod. For example a single-sided Center Panel requires one Pod specified as a left connection and one Pod specified as right connection.
- Tables and TV Brackets must be ordered separately, however, the Center Panel must be ordered with the corresponding options for connection.
- Tables are not freestanding and must be supported by a Center Panel.
- Keep users connected by specifying and ordering power/data units for the Pods and Table!

CENTER PANEL DESIGNATORS

Pods will be modified to accept Center Panels as specified. We ask that all Pods designate if a Center Panel will be used and which side of the Pod will need to be attached. Left or Right location is based on facing the Pod.

Note: Center Panel must be ordered separately.

- NONE No Center Panel
- LEFT Center Panel on Left
- RIGHT Center Panel on Right

CENTER PANEL TABLE OPTIONS

When ordering a Center Panel, we ask that you also designate whether or not you plan to use a View Table with it. This will ensure that the table attachment bracket and a grommet are factory installed for your convenience.

Note: Table must be ordered separately.

- NO TBLBKT No Table Bracket
- TBLBKT Table Bracket

POD POWER/DATA OPTIONS

Note: Specified by Facing the Pod

Power ports are installed on the front of the unit 11¼" up from glide and 6½" in from the outside of the arm.

COM/COL & Graded-In Programs

COM - CUSTOMER'S OWN MATERIAL

All Indiana Furniture seating is available with material furnished by the customer. Refer to grade 1 for list prices. Refer to individual model number for COM yardage requirements. The listed COM yardage requirement is based on the use of non-directional upholstery 54" wide for a quantity of one chair. Extra upholstery is required to match any pattern with a repeat, either vertically or horizontally. Use the chart below as a guide to add to plain COM yardage requirements listed in the price list.

For multiple chair quantities, contact customer service to optimize the yardage per chair at 800-422-5727.

Upholstery	Plain	2"- 14"	15"- 27"	28"- 36"
<u>Width</u>	<u>Upholstery</u>	<u>Repeat</u>	<u>Repeat</u>	<u>Repeat</u>
54"	0%	10%	25%	30%

Upholsteries less than 54" wide will not be accepted.

Due to the upholstering process used by Indiana Furniture, some COM upholsteries are considered directional that may not be considered directional by the upholstery supplier. All Upholstery COM's are cut "up the roll" and all vinyls are cut "across the roll" by Indiana Furniture unless otherwise directed by the customer (see below). All directional upholsteries on Indiana Furniture frames match both vertically and horizontally. If you do not desire repeat match, please specify on order.

Note: Directional upholsteries, such as stripes, patterns and plaids may not meet your satisfaction due to contoured shapes and tufting of some models. Should you require such a selection, we will upholster as perfect as possible, but such orders are not subject to return. If in doubt, contact your Indiana Furniture Customer Service Representative prior to placing the order.

COM/COL ORDERING INSTRUCTIONS:

Fill out the form below and attach sample according to instructions on reverse side of form. **COM's/COL's must meet and include written confirmation from the supplier verifying CALTB 117-2013 compliance and you must designate the flammability materials within for the TB 117-2013 label.** Check the box above to comply with California Business and Professions Code Section 19094. Failure to complete these forms and supply samples will delay the scheduling of the purchase order. Orders will not be scheduled until upholstery is received from the supplier. Upholstery should not be ordered until Indiana Furniture has verified the yardage required.

COL - CUSTOMER'S OWN LEATHER

Indiana Furniture is pleased to accommodate COL selections whenever this special need arises. Refer to grade 1 for list prices. To calculate COL requirements, multiply the COM yardage required times 18 (1 yard of upholstery = 18 sq. ft. of usable leather). Customer's own leather specifications for Indiana Furniture seating shown within the price list are based on an average hide size of 45-50 square feet.

All square footage requirements are based on usable footage. The shape of a hide and the usable, clean footage may make it necessary for us to request more leather after COL is received.

Please note leather is a natural product, and variation in texture is a pleasing quality belonging exclusively to high grade, full top grain leathers.

Indiana Furniture reserves the right to inspect, approve, or reject any COM/COL upholstery. Once approved, Indiana Furniture cannot assume responsibility for the durability or tailoring quality of COM/COL material.

COM/COL Ordering Instructions:

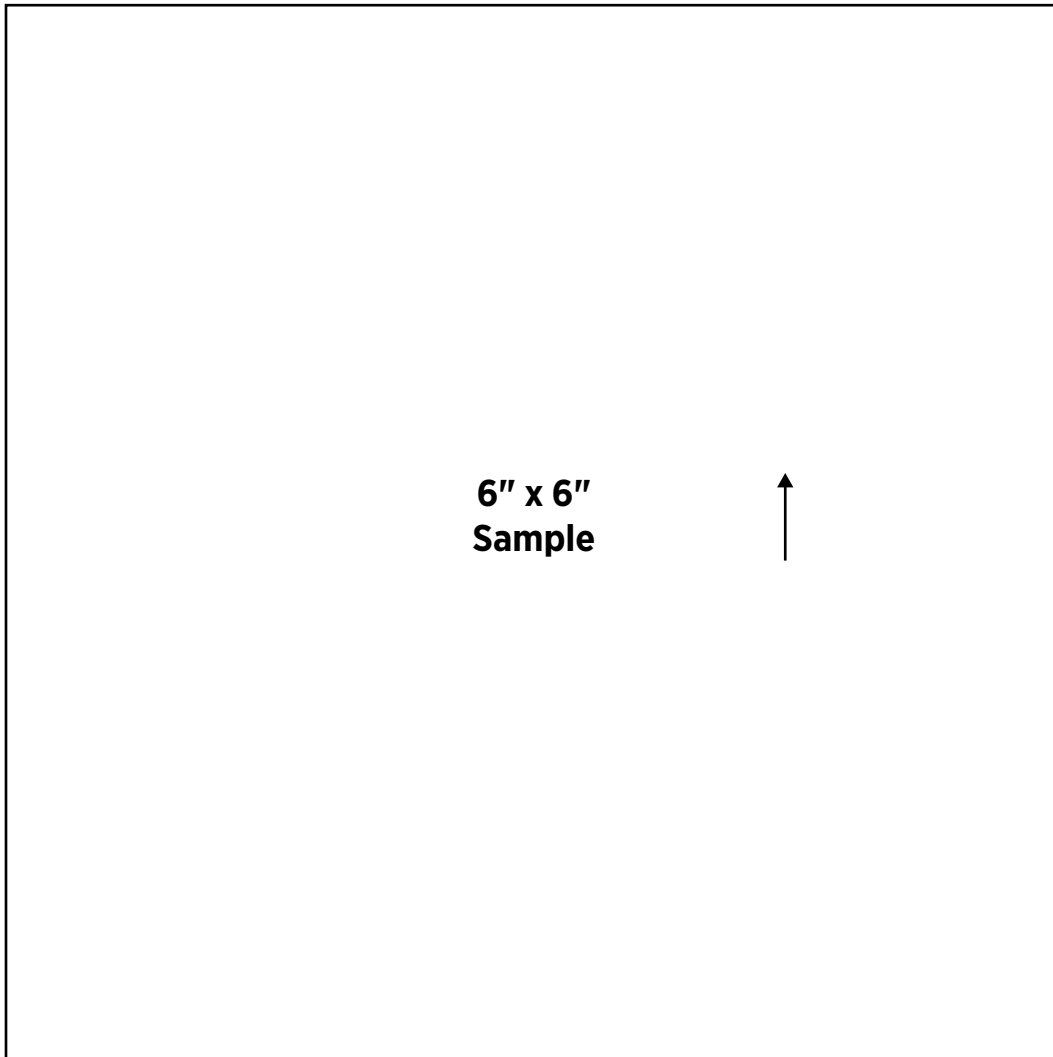

1. Include a 6" sample of the upholstery stapled to the order indicating which side is to be exposed.
2. If COM has a pattern or stripe, indicate whether to apply vertically or horizontally. All stripes will be applied vertically unless specified otherwise.
3. Specify the upholstery supplier's name, upholstery pattern, pattern color, and pattern number.

For TB 117-2013, the upholstery materials in this product (check one):

_____ contain added flame retardant chemicals

_____ contain NO added flame retardant chemicals

BUYER'S OBLIGATION: RIGHTS OF SELLER

If Indiana Furniture shall at any time doubt Buyer's financial responsibility, Indiana Furniture may decline to make shipments hereunder except upon receipt of cash payment in advance or security or other proof of responsibility satisfactory to Indiana Furniture. If buyer fails in any way to fulfill the terms and conditions set forth herein, Indiana Furniture may defer shipments until such default is corrected. Remedies provided herein shall be in addition to, and not in lieu of other remedies. Buyer agrees to abide by payment terms as listed on invoice. Buyer shall pay all reasonable costs and expenses, including attorney and collection fees, and late fees, incurred by Seller in connection with any amounts due for goods ordered.

CANCELLATIONS AND CHANGES

Due to immediate production on build-to-order items, all orders are considered firm and are not subject to cancellation or change without approval from Indiana Furniture. All approved changes are subject to additional charges and revised lead times.

PRODUCT DESIGN AND SPECIFICATION CHANGES

Indiana Furniture reserves the right to make changes in design and construction or discontinue products without prior notice. Note: All dimensions listed in price list are nominal.

WAREHOUSE STORAGE CHARGES

If a shipment is held beyond 7 calendar days at your request, a **.084% per calendar day** (2.52% per month) storage charge will be assessed. The effective date will be 7 calendar days after the acknowledged ship date. Further, the prices applied to the order will be those in effect at the time of shipment.

DAMAGED MERCHANDISE

The consignee is responsible for filing claims with the carrier for damage and shortages. Claims for both obvious and concealed damage must be filed within 15 calendar days, and the damaged merchandise must not have been moved from the original receiving location. All damaged merchandise, including the cartons and packing materials, must be retained for inspection by either the carrier or by an Indiana Furniture Sales Representative. Indiana Furniture reserves the right to select the most cost effective way to repair or replace the damaged item. Once you have notified the carrier, please contact Customer Service for further assistance.

GENERAL INFORMATION + CONDITIONS OF SALE

Obvious Damage/Missing Cartons — Do not refuse merchandise damaged in transit. Indiana Furniture recommends the consignee inspect all merchandise upon arrival. If a shipment is received damaged or short, note all information on carrier's copy and your copy of freight bill and delivery receipt. Notify the delivering carrier and file a claim immediately. Pending the results of your claim, either Indiana Furniture or the carrier will cover 100% of the cost to repair or replace the damaged or missing item.

Concealed Damage — If concealed damage is discovered, notify the delivering carrier at once and request an inspection. This must be done within 15 calendar days of delivery. If the carrier will not perform the inspection, you should prepare an affidavit that you contacted them, noting the time and date, and that they failed to comply with your request. This, along with the other papers in your possession, will support the claim. Pending the results of your claim, the cost to repair or replace the item will be covered ½ by the carrier and ½ by Indiana Furniture for shipments less than a full truckload and 100% by Indiana Furniture for shipments of full truck loads.

RETURN MERCHANDISE

Merchandise will not be accepted for return without a RGA (Return Goods Authorization) issued by Indiana Furniture. We will consider issuing RGA's for the following reasons:

1. Manufacturing defect (inspected by Indiana Furniture representative)
2. Indiana Furniture order processing error
3. Shipping error
4. Mis-marked cartons
5. Duplicated shipments

If you have any questions as to whether your reason for return qualifies for consideration, please contact your Customer Service Representative. Merchandise must be returned within 60 days of the RGA issued date, or within 60 days upon receipt of replacement product to receive credit. Returns due to mis-marked cartons must also be returned in the original cartoning, with shipping labels intact, to receive credit.

All merchandise being returned must be properly packed and protected to ensure no further damage is incurred during transportation back to an Indiana Furniture facility. Upon receipt, all returned merchandise will be thoroughly inspected and the results compared to the reason for return stated on the RGA. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

DELIVERY AND FREIGHT CHARGES

All shipments are F.O.B. Point of Origin, Jasper, IN, freight prepaid and allowed dock to dock on 53' trailer. Ownership and responsibility of the merchandise becomes that of the buyer upon delivery to the freight company. Shipments into Alaska, Hawaii, Canada, Mexico, Puerto Rico and other exports are freight prepaid and allowed to port of exit.

Indiana Furniture reserves the right to select the most appropriate carrier and routing on all shipments. Indiana Furniture will attempt to accommodate requests for favored carriers and delivery times. Deliveries requested Monday through Thursday, after 3pm, will be assessed a \$300 per truck after hours fee. Deliveries requested after 3pm on Friday or on weekends, will be assessed a \$600 per truck weekend delivery fee.

Inside delivery and installation services are not included in the pricing shown. Any deviation from dock-to-dock delivery, such as but not limited to, non-dock, residential, or inside delivery must be specified on the order. Should these services be requested or required, all charges incurred will be charged to the "Sold To" of the order.

Shipments totaling less than \$3000 (net value, product only) will be assessed a small order fee of \$300 net per shipment. This fee will be reduced for items shipped via small package carriers. For order shipments of \$100 or less, shipped by small package carrier, the fee is \$22. For order shipments over \$100, shipped by small package carrier, the fee is \$40. All shipping fees will be added at the time of invoicing.

CONTROL OPTIONS

See individual series within this price list for control options and pricing.

Knee-Tilt Control

The Knee-Tilt control features a heavy-duty torsion bar or a spring tension control which allows variable tension for different body sizes and weights, and minimal rise of the seat's front edge. This allows the user's feet to remain planted while reclining to a relaxing position.

CAL 133 CERTIFICATION

California Technical Bulletin 133 (TB133 or CAL133) is a composite fire test for fully-assembled seating manufactured for use in certain public buildings. As such, the certification is specific to the fabric that is used in conjunction with the frame and the barrier. Many Indiana Furniture seating products, in combination with some of our standard fabrics, can be manufactured to meet the requirements for certification. Depending on the frame style, a fire-retardant barrier or fire-retardant foam will be incorporated in the chair construction to provide the best opportunity for a successful CAL133 burn test.

The cost of the test is \$1122 (net) which includes the test, freight to the test facility and the fully-assembled test sample. Once payment has been made, please allow approximately 6-8 weeks for the production of the chair and the completion of the test. Once we receive the successful certification, the order may be placed allowing for 1 week extra lead time using the "CAL" prefix on the model number with an upcharge of \$170 list per chair. Please contact Customer Service at 800.422.5727 to order the test.

If you do not need the actual Certification, but wish to have the chairs manufactured to meet the regulation, we can upholster the chair using the fire-retardant components at the \$154 list upcharge per chair. Please order the appropriate frame allowing for 1 week extra lead time, using the "CAL" prefix in front of the model number.

CAL	California Test Cost (NET)	\$ 1122
	Up Charge Per Chair	\$ 170

Please note that if you wish to have Certification on a COM material, Indiana Furniture must approve the fabric according to the COM policy as well.
