Indiana
FURNITURE

Being over a century old hasn't slowed us down! Sure, we are still the reliable, ethical company that was born in southern Indiana, steeped in quality, craftsmanship, and service. But have you seen our latest introductions? We are making a splash with design and challenging the concept of modern offices. Go ahead. Take a look. You know you want to.

Our Pledge to People + Our Planet.

We've been making wood furniture longer than just about anyone...and we want to be doing so for a long time to come. That's a large part of why we take a stewardship approach to our resources. We believe that environmental sustainability and business profits need not be mutually exclusive. They can and should exist side by side in a mutually beneficial relationship. And for more than a century, we've been showing how it's done.

We've proven our commitment to a sustainable future by supporting the standards and programs that protect our home planet and human health. Whether it's local sourcing, reducing contaminants, implementing wellness and safety programs, or diverting waste from landfills, social responsibility is a part of every decision we make at Indiana Furniture.

One of the surest ways to reduce our impact on the planet is to make and buy things that last. And this one's a natural for us. Our products are made with craftsmanship and attention to detail that are a part of our more than a century-long legacy in wood manufacturing. And our products are backed by our 12-year warranty, which facilitates maintenance, servicing and reassembly.

All of our product lines:

- Are manufactured and assembled in the USA,
- Meet or exceed Indoor Air quality standards*,
- Meet or exceed BIFMA level® Sustainability standards and certification*,
- Conform to the BIFMA Compliance standards*,
- Comply with TSCA Title VI (CARB) standards,
- and can contribute to U.S. Green Building's LEED Program.

To learn more, simply go to www.IndianaFurniture.com/resources.

Ease of Specification

Whether you're looking to specify your office spaces or simply to visualize them in the options and surface materials you are desiring, we make it easy. You can find the entire Indiana Furniture portfolio on the following third-party, space-planning platforms.

* Recently launched or new products may still be in testing; Cush Pillows is currently not BIFMA Compliant due to no available compliance test.

The traditional stylings of Cameo echo history and create a timeless foundation for welcoming environments that complement our Jefferson, Wilmington, and Arlington casegoods collections, as well as Cameo Conferencing. Create a customized work environment through combinations of shells, components, and work surfaces that address multiple configuration options.

CONSTRUCTION

Cameo Reception features a veneer chassis with your choice of either a Veneer or HPL transaction counter.

VENEER

- Exposed surfaces are select grade sliced American Black Walnut and Cherry veneers carefully selected and matched to assure proper balance and consistency

TOPS

- Work surface tops are 3-ply balanced construction and 1½” thick with a self-edge
- Transaction tops are 1½” thick and have a 5-ply balanced construction in Veneer or 3-ply balanced construction in High Pressure Laminate
- Transaction tops have solid hardwood rims and are profiled on all sides with mitered corners
- Grain runs left to right unless otherwise stated

CHASSIS

- Tops and end panels are securely fastened using high quality European fastening systems to assure maximum strength
- All units have finished backs unless noted
- All pedestals have wire management access from pedestal to kneespace
- Decorative moldings are hand applied
- All units are equipped with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors

DRAWERS

- Drawer fronts are 3-ply construction, ¾” thick with matched grain
- Drawer sides, back, and front are ½” thick, woodgrain vinyl wrapped construction with mitered corners
- Box and file drawers have ½” thick hardboard bottoms and tested for 100lb capacity
- Lateral files feature ¼” thick bottoms. Drawers are tested for 200lb of equally distributed weight (ex: hanging file folders) and 65lbs of bottom load weight (ex: stacked catalogs)
- 5-Sided drawer construction for easy removal of drawer fronts
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- All suspensions have a limited lifetime warranty

FILING

- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Modular component pedestals provide letter filing front to back and legal filing side to side
- Lateral file drawers provide legal or letter filing front to back or side to side

STORAGE

- All hinged doors include soft close hinges, unless otherwise noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING

- All units with file drawers feature locking
- Removable black lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge
- Keyed alike units available upon request at no additional charge

CORD MANAGEMENT

- Grommets may be ordered in the tops
- [See all grommet options and locations](#)
- Wire Managers available for additional cord management; [See Accessories](#)

Colors represented are high-resolution reproductions and may vary slightly from the actual product. To order samples, please contact our Customer Service team or order online at www.indianafurniture.com. Graining and finish colors may vary, yet will continue to complement, across Veneer, HPL, TFL, and Seating products due to the inherent differences of these materials.
