PRICING EFFECTIVE JUNE 1, 2026

Indiana
FURNITURE

Our Pledge to People + Our Planet.

We've been making wood furniture longer than just about anyone...and we want to be doing so for a long time to come. That's a large part of why we take a stewardship approach to our resources. We believe that environmental sustainability and business profits need not be mutually exclusive. They can and should exist side by side in a mutually beneficial relationship. And for more than a century, we've been showing how it's done.

We've proven our commitment to a sustainable future by supporting the standards and programs that protect our home planet and human health. Whether it's local sourcing, reducing contaminants, implementing wellness and safety programs, or diverting waste from landfills, social responsibility is a part of every decision we make at Indiana Furniture.

One of the surest ways to reduce our impact on the planet is to make and buy things that last. And this one's a natural for us. Our products are made with craftsmanship and attention to detail that are a part of our legacy in wood manufacturing. And our products are backed by our 12-year warranty, which facilitates maintenance, servicing, and reassembly.

100% of our product lines:

- Are manufactured and assembled in the USA,
- Meet or exceed Indoor Air quality standards*,
- Meet or exceed BIFMA level® Sustainability standards and certification*,
- Conform to the BIFMA Compliance standards and certification*,
- Comply with TSCA Title VI (CARB) standards,
- and can contribute to LEED®, Green Globes®, and WELL® Sustainable Programs.

Specification Made Easy.

Whether you're looking to specify your office spaces or simply to visualize them in the options and surface materials you are desiring, we make it easy. You can find the entire Indiana Furniture portfolio on the following third-party, space-planning platforms.

To learn more, simply go to IndianaFurniture.com/resources.

A foundational suite of casegoods primed to evolve with your needs. Gesso allows you to combine luxurious veneers, top grade laminates, metal accents, and other materials to create stylish, reconfigurable work spaces and storage options. With integrated height adjustable units, white and black glass door options on hutch and storage units as well as a full line of white and black glass marker boards provide opportunities for more elegant and clean aesthetic.

CONSTRUCTION

Gesso Casegoods feature a Veneer chassis with your choice of either a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEERS

- Exposed surfaces feature select grade plain sliced hardwood Cherry, Maple, American Black Walnut, White Oak, or composite veneers
- Veneers are carefully selected and matched to assure proper balance and consistency

TOPS

- Veneer and standard High Pressure Laminate (HPL) tops are 3-ply balanced construction and 1 $\frac{3}{16}$ " thick, with 3mm wood edge-banded rims contoured to the selected profile
- Optional 1 $\frac{1}{2}$ " thick HPL worksurfaces are available in select colors. Please contact Customer Service or your local Sales Rep for pricing and lead times. Sugar Maple and Williamsburg Cherry feature ABS edge bands
- Tops are shaped on user and approach sides
- Grain direction runs left to right unless otherwise noted

CHASSIS

- Chassis is securely fastened using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- All desks, non-lateral credenzas, and returns have wire management access from pedestal to kneespace

DRAWERS

- Drawers feature 5-sided construction allowing for easy removal of drawer fronts
- Drawer fronts are 3-ply construction, $\frac{3}{4}$ " thick with matched grain
- Drawer sides, back, and front are $\frac{1}{2}$ " thick, woodgrain vinyl wrapped construction with mitered corners
- Box and file drawers feature full extension, progressive action slides with precision steel ball bearings allowing side-to-side and front-to-back
- Optional soft close on box and file drawers allows front-to-back filing in file drawers
- Optional wood dovetail construction with $\frac{7}{16}$ " thick hardwood sides and backs, and $\frac{5}{32}$ " thick hardboard bottoms
- Box and file drawers have $\frac{1}{8}$ " thick hardboard bottoms and tested for 100lb capacity
- Lateral files feature $\frac{1}{4}$ " thick bottoms. Drawers are tested for 200lb of equally distributed weight (ex: hanging file folders) and 65lbs of bottom load weight (ex: stacked catalogs)
- All suspensions have a limited lifetime warranty

FILING

- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Optional soft close on box and file drawers allows front-to-back filing in file drawer
- Letter width file drawers provide letter filing front-to-back and legal filing side-to-side
- Lateral file drawers provide legal or letter filing front-to-back or side-to-side

STORAGE

- All hinged doors include soft close hinges, unless noted
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING

- All units with file drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date, if required
- Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge
- Lock core is predetermined by pull color. Black lock cores are used with black and gold pulls while silver lock cores are used with chrome and aluminum pulls

CORD MANAGEMENT

- Grommets may be ordered in the tops of all assembled desks, returns, bridges, credenzas, and component worksurfaces
- All desks, returns, and credenzas (except lateral pedestals) have standard wire openings from inside the pedestal to the kneespace allowing quick access to technology below
- Additionally, returns, bridge units, kneespace credenzas, and hutch units have standard grommets in back panels
- Grommets are also standard in the tops of corner units and extended corner units
- Grommets are 2 $\frac{3}{8}$ " and are available in black or silver, must specify color
- [See all grommet options](#)
- Undersurface Wire Manager (01-WMGR4) is available for additional cord management; See Accessories

HEIGHT ADJUSTABLE MECHANISMS

- Optional center drawer, Dock 950 and Dock 150, $\frac{3}{4}$ modesty panels, and kneespace options are not available with height adjustable units
- Height adjustment range 30"H-47"H
- 5-year warranty
- [See Height Adjust Information and Options](#)
- Height Adjustable units begin [here](#)

STUDIO LEGS

- For each of the Studio models, standard or shared legs will need to be specified
- Choose to use four standard, a combination of standard or shared, or all shared legs on each unit
- The below images will provide a guide to the aesthetics of single, double, and shared legs
- Studio components begin [here](#)

Single Standard Leg

Shared Leg (used between two models)

Double Standard Leg (standard legs used on each model)

DRAWER CONSTRUCTION OPTIONS

Drawers come standard with woodgrain vinyl-wrapping and mitered corners. Optional wood dovetail construction for all box, file, and lateral file drawers is available. Must Specify when ordering.

Pricing is per Drawer, not per Model/Unit

MITER	Mitered Fold Construction	STD
DOVE	Wood Dove Tail Construction	\$ 49

DRAWER TRACK OPTIONS

Soft close tracks are available on box and file drawers only. Soft close drawer tracks have many benefits including reduced stress on the unit, extends the life of the drawer, and ensures a gentle close so fingers don't accidentally get hurt. File drawers with the soft close option feature front-to-back filing. Must specify when ordering.

Pricing is per Drawer, not per Model/Unit

GROMMET OPTIONS + POWER UNIT LOCATIONS

Note: Wire Management Options for Integrated and Modular Height Adjustable Models may be found in their specific area within this section.

Grommets are standard in the back panels of returns, bridges, and credenzas, and may be ordered without grommets at no additional charge. Please specify NO GROMMET on order.

Grommets are available on hutches in standard locations for task light management at no additional charge. Please specify WMHUBL (Black) or WMHUSV (Silver).

Power units, Dock 950 and Dock 150 must be specified separately with surface mount location. Dock 950 and Dock 150 are available on Modular Benching Desk Tops, Modular Cabinet Tops, Work Tables, and Media Peninsula Tops, and where otherwise noted.

Grommets are available in standard locations. Please specify using info below. Multiple locations may be selected. Only one unit per location.

PURL™ DAISY CHAIN SYSTEM

The PURL™ daisy chain system adapts to your unique space, allowing you to configure the ideal power setup based on your specific room layout and application.

PURL™ Daisy Chain System includes the following components:

Your choice of Power Units with PURL™ Daisy Chain Plug

PURL™ Daisy Chain Power Infeed

PURL™ Daisy Chain H-Block connects Power Infeed, Power Units, and Jumper Cord

PURL™ Daisy Chain Jumper Cords connects to H-Blocks and Power Units

GREAT SPACES START WITH A PLAN

Before you get started specifying, we have a few helpful recommendations and component guidelines.

We recommend you determine the following:

- Setup of the room
- Number of tops needed
- Number of Power Units per top

With multiple Power Unit locations available, understanding how your table tops will be used ensures you specify every component needed to seamlessly stay connected.

Components Guidelines:

- The Power Infeed and Power Units must connect to an H-Block
- When the Power Infeed plugs into the H-Block, two Power Units and a Jumper Cord may be used. Additional H-Blocks can be used with either two Power Units and two Jumper Cords or two Power Units and one Jumper Cord

Five (5) Power Unit System Example:

Shown with Duo Clamp. Also available with Duo Air, Duo Bezel and Trio Bezel with PURL™ Daisy Chain Plug

HEIGHT ADJUSTABLE UNITS (6500/6700 SERIES)

HEIGHT ADJUSTABLE

HEIGHT ADJUSTABLE MECHANISMS

Height Adjust method that increases user kneespace, offers more stability for overall unit and top construction, and two worksurfaces can move from sitting to standing simultaneously with or without moving modesty panel.

- Height adjustable units are available as stand-alone height adjustable models or synchronized models (STS3) for connected tops
- Intuitively designed, all desks are compatible with either 2-channel or 3-channel returns and bridges
- Height adjustment range 30"-47"H, with a load capacity of more than 200lbs
- Gently adjust worksurface with a 1 second stop at each memory position
- The standard control switch is factory installed on all units; 3-channel returns/bridges will link to the desk control and 2-channel bridges are field installed for left/right application
- An optional advanced switch with Bluetooth capabilities, position memory, and stand-up reminders is available
- Grommets are optional in the back panels of bridges, returns, and credenzas
- Wire management mesh wrap included when worksurface grommet is selected
- One wire management channel provided to route wires from switch and control box

Studio Components

Boutique-inspired options to give all your working environments a fresh look with a subtle touch of home. Integrated into our ever-popular Canvas and Gesso Casegood lines, Studio models build upon simplicity and flexibility while allowing you to create eye-catching spaces. Whether you're looking to outfit an executive's office, team space, collaborative area, or anything in between, our Studio desk and storage components have the look and feel you desire.

Studio components work with existing Canvas Tops, Peninsula Tops, and accessories such as Tackboards, Work Walls, Marker Boards, and Cushions to build the perfect workspace. The slim leg design provides an upscale feel for all of the Studio components. Storage units such as standard height pedestals offer the flexibility to build single or double pedestal desks or credenzas and low height pedestals allow you to create bench style credenzas.

The Studio pull features a clean application.

Studio (AST)
Aluminum - 13"

Studio (BST)
Black - 13"

Studio (CST)
Chrome - 13"

Studio Pulls are attached on the back side of the drawer front and installed in the left aligned position giving it a clean and sophisticated finish.

How to Use Studio

Start with a Modular Top to build a Desk, Peninsula Desk, Benching or Credenza ([See Modular Tops](#))

Next, choose from a number of Studio Pedestals options in Standard or Low Height. ([See Next Page for Studio Peds](#))

Kneespace Modesty Panels are available in standard height in TFL or High Gloss Acrylic or low height in TFL ([See Modesty Panels](#))

Add additional storage with Studio Storage Cabinets and the full door storage cabinet features high gloss acrylic and dry erase door options ([See Storage Cabinets](#))

Studio Single and Shared Legs images below provide a simple and clean aesthetic. See below for a guide to the aesthetics of single, double, and shared legs ([See Leg Options](#))

Single Standard Leg

Shared Leg (used between two models)

Double Standard Leg (standard legs used on each model)

Height Adjustable Components

We've enhanced our height adjustable options to include a better integrated and easier to specify solution. These new models coupled with our existing modular height adjustable, and all of our standard models and storage options, provide you with the ultimate flexibility to meet the needs of your space and, more importantly, the needs of the user. And, we've made these new models more cost effective for you and more functional and spacious for the user.

Some Highlights of Our Integrated Solutions:

- Adjustable from 30"H-47"H, with a load capacity of more than 200lbs
- Gently adjust one worksurface or multiple worksurfaces with a 1 second stop at each memory position
- All Desks and Credenza units are compatible with 2-channel and 3-channel returns and bridges. Two-channel models allow workspaces to work independently of each other. Three-Channel models connect to 2-channel models to raise worksurfaces simultaneously.
- Two height adjustable control switches available. Standard up/down switch (SWCH) and advanced switch features Bluetooth capabilities, three stand-up reminder intervals and four height memory positions (MSWCH)
- Moving Modesty (MOVMOD) option creates a clean aesthetic when seated or standing
- Height adjust control switch is factory installed on all units except Desk Shells, Bridges or 3-Channel units
- Bridges, returns, and credenzas have an optional grommet on the back panel
- New black wire management mesh wrap included when worksurface grommet is selected
- Grommets and one Latch Duct wire management channel provided within kneespace to manage wires from switch and control box. Two Latch Duct wire management channels will be shipped with Desk Shells

Black wire management mesh sleeve included with worksurface grommet

Standard 2-Channel Height Adjustable

2-Channel Height Adjustable with Box

Bring the Open Plan and Shared Spaces to Life!

Modular Height Adjustable components make it easy to create the perfect work environment for any space. Select from an array of sizes of worksurfaces, pedestals, filing units and more to connect teams together so collaborating can be easy and productive.

If you prefer our original solution or have specified it previously, and would like to do so again, simply contact our Customer Service team for assistance. We can make that happen for you!

ORDERING INFORMATION

All orders should be placed with:

Indiana Furniture
PO Box 270, 1919 Hospitality Dr., Ste. A
Jasper, IN 47547-0270

Fax: 812.482.9035

email: neworders@indianafurniture.com

ORDER PROCEDURE

To ensure timely processing, all orders must include:

- Purchase Order Number
- Sold To and Ship To Addresses
- Call Before Delivery Phone Number and Contact Name
- Complete Model Numbers and Quantity for All Units
- Finish Selections
- Fabric Vendor/Pattern/Color, if applicable
- Other Applicable Options
- Any Special Delivery or Product Instructions

A drawing or sketch of the planned configuration in modular applications will facilitate order processing.

How to Order illustrations are located at the beginning of each Series. Each model has additional information on How to Specify. For further clarification, contact Sales Support at 800.422.5727.

PRICING

All prices are suggested retail, F.O.B. Point of Origin, freight prepaid and allowed to one continental US destination. Prices, specifications and materials are subject to change without notice. Possession and/or distribution of this price list does not in itself constitute an offer to sell. Orders can be received only from authorized Indiana Furniture dealers. Orders will be billed at prices at time of shipment, unless previously acknowledged prior to the effective date of a price change, in which case billing will be at the price acknowledged.

Indiana Furniture accepts Visa, MasterCard and American Express. Please contact Sales Support for policy details.

ACKNOWLEDGMENT

Cleanly specified orders are acknowledged in a timely manner. The acknowledgment reflects how the order was entered, the estimated ship date, and other pertinent information. This acknowledgment serves as the final agreement between the customer and Indiana Furniture, and is the exclusive statement of the terms thereof. Changes must be requested within one business day of acknowledgment; after that, all production activities begin and the order becomes firm. Please examine this acknowledgment carefully and advise Indiana Furniture immediately of any discrepancies. The customer bears sole responsibility for order correctness.

Shipping fees (see Delivery + Freight Charges) are added at the time of invoicing. Shipping charges will be listed on direct bill and GSA orders due to the nature of the contract, but not on commercial or dealer-billed orders.

BUYER'S OBLIGATION: RIGHTS OF SELLER

If Indiana Furniture shall, at any time, doubt Buyer's financial responsibility, Indiana Furniture may decline to make shipments hereunder except upon receipt of cash payment in advance or security or other proof of responsibility satisfactory to Indiana Furniture. If buyer fails in any way to fulfill the terms and conditions set forth herein, Indiana Furniture may defer shipments until such default is corrected. Remedies provided herein shall be in addition to, and not in lieu of other remedies. Buyer agrees to abide by payment terms as listed on invoice. Buyer shall pay all reasonable costs and expenses, including attorney and collection fees, and late fees, incurred by Seller in connection with any amounts due for goods ordered.

CANCELLATIONS + CHANGES

All products are built-to-order. Once acknowledged (See Acknowledgement), orders are considered firm and are not subject to cancellation or change without approval from Indiana Furniture. All approved changes are subject to additional charges and revised lead times.

PRODUCT DESIGN + SPECIFICATION CHANGES

Indiana Furniture reserves the right to make changes in design and construction or discontinue products without prior notice. Note: All dimensions listed in price list are nominal.

GENERAL INFORMATION + CONDITIONS OF SALE

REPAIR CHARGES

Indiana Furniture will only pay repair charges if Sales Support gives prior written authorization. No repair charge will be paid without advance approval at which time a repair authorization number will be issued and must appear on the invoice to Indiana Furniture for the completed work.

WAREHOUSE STORAGE CHARGES

If a shipment is held beyond 7 calendar days at your request, a **.084% per calendar day (2.52% per month) storage charge will be assessed**. The effective date will be 7 calendar days after the acknowledged ship date. Further, the prices applied to the order will be those in effect at the time of shipment.

DAMAGED/MISSING MERCHANDISE

The consignee is responsible for reporting all damage and shortages to Sales Support.

- The consignee must inspect all merchandise upon arrival.
- Do not refuse merchandise damaged in transit.
- Missing cartons and obvious damage must be noted on the freight bill at the time of delivery.
- Claims for missing cartons should be reported immediately for the best chance of recovery and to avoid delays in completing the delivery.
- Claims for both obvious and concealed damage must be filed within 15 calendar days of receipt of product
- Damaged merchandise must not have been moved from the original receiving location and must be reported prior to any attempt to install the product.
- All damaged merchandise, including the cartons and packing materials, must be retained for inspection by either the carrier or by an Indiana Furniture Sales Representative.

Be prepared to provide the following information when contacting Sales Support:

- Copy of Signed Freight Bill (with noted issues, if applicable)
- Original Order Number
- Model Number of the Damaged Item
- Photos of the Damaged Carton/Item

All damage claims are subject to review and approval. Once your damage claim has been evaluated, we will determine the best resolution, including repair or replacement where applicable. Indiana Furniture reserves the right to select the most cost effective way to resolve the claim.

DELIVERY + FREIGHT CHARGES

All shipments are F.O.B. Point of Origin, Jasper, IN, freight prepaid and allowed dock to dock on 53' trailer. Ownership and responsibility of the merchandise become that of the buyer upon delivery to the freight company. Shipments into Alaska, Hawaii, Canada, Mexico, Puerto Rico and other exports are freight prepaid and allowed to port of exit.

Shipping fees added at the time of invoicing.

- Shipments under \$3000 (net value, product only) will incur a \$300 net fee per shipment.
- Small-package carrier shipments:
 - Orders \$100 or less will receive a \$22 fee
 - Orders over \$100 will receive a \$40 fee

Carrier selection and routing are at Indiana Furniture's discretion. Requests for favored carriers and delivery times will be accommodated when possible.

After-hours delivery fees:

- Monday through Thursday after 3pm: \$300 per truck
- Friday after 3pm or weekends: \$600 per truck

Inside delivery and installation services are not included in the price shown. Any deviation from dock-to-dock delivery, such as but not limited to, non-dock, residential, or inside delivery must be specified on the order. Should these services be requested or required, please contact Sales Support regarding the availability of services and a quote. All charges incurred will be charged to the "Sold To" of the order.

BIFMA + ANSI TESTING

Indiana Furniture is a member of the Business and Institutional Furniture Manufacturer's Association (BIFMA). Tests developed by the BIFMA and approved by the American National Standards Institute (ANSI) determine the strength and durability of casegoods and seating in its everyday use. Although this testing does not serve as a warranty or guarantee, Indiana Furniture products within this price list have been tested by an independent verifying body and meet or exceed applicable BIFMA and ANSI Standards..

Subject to the limitations set forth in this warranty, Indiana Furniture Industries, Inc. ("Indiana Furniture") warrants to the original purchaser all product in this price list ("Product") to be free from defects in material and workmanship given normal use for a **12-year period from the date of manufacture**. During the applicable warranty period, Indiana Furniture, as its sole obligation, will repair or replace (in Indiana Furniture's sole discretion) any Product, Part, or Component covered by this warranty and sold after June 1, 2026, which fails under normal use as a result of a defect in material or workmanship. Normal use is defined as the equivalent of a single shift, 40-hour work week. Indiana Furniture will repair or replace the defective Product, Part, or Component with a comparable Product, Part, or Component.

Warranty periods are limited, from the date of manufacture, for certain Products, Parts, and Components as follows:

5-Year Warranty (from the date of manufacture)

- Triple Play Series
- Electrical Components Including Lighting, Power Ports (see exclusions), and Adjustable Height Components
- Pneumatic Cylinders on Caseloads, Tables, and Seating
- Textiles, Foam, and Decorative Trim
- Swivel Arm Pads
- Keyboard Kits and Monitor Arms

3-Year Warranty (from the date of manufacture)

- Dock 950 Wireless Charger
- Dock 150 Wireless and USB Charger

THIS WARRANTY DOES NOT COVER:

- Damage caused by a carrier or third party
- Normal or routine wear and tear
- Appearance, durability, quality, behavior, colorfastness, or any other attribute of customer's own materials or any non-standard Indiana Furniture material (including CF Stinson, Maharam, Momentum, Mayer, UltraFabrics, Architex, and other alliance programs) specified by the customer and applied to a Product
- Color, grain or texture of wood, laminate and other covering materials
- Changes in wood or fabric color due to aging or exposure to light
- Labor and Service not covered under warranty
- Installation Damage (Wall Panels damaged during the installation of additional Product including but not limited to Wall Panel Shelves, Tackboards, or TV Mounts)
- Products or Components attached in some manner to any other manufacturer's products or components (e.g., Indiana Furniture Conference Tops attached to another manufacturer's bases)
- Noncompliance with installation and maintenance instructions

As the manufacturer of the Product, Indiana Furniture stands behind its craftsmanship and pledges to do everything it can to reasonably resolve, as quickly as possible, any problems you may have with the Product within the terms and conditions of this warranty.

If you encounter a defect covered by the foregoing warranty, contact the dealer from whom you purchased the Product. If the dealer is unable to resolve your warranty issues, you should contact Indiana Furniture. Please ensure that you have all of the pertinent facts when contacting the dealer or Indiana Furniture, including the model number and factory order number from the inspection label attached to the Product.

INDIANA FURNITURE IS NOT PROVIDING, AND SPECIFICALLY DISCLAIMS, ANY OTHER WARRANTIES FOR THE PRODUCTS, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. INDIANA FURNITURE SHALL NOT BE LIABLE TO THE PURCHASER OR ANY THIRD PARTY FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, OR SPECIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING OUT OF OR RESULTING IN ANY MALFUNCTIONS, DELAYS, LOSS OF PROFIT, INTERRUPTION OF BUSINESS, PERSONAL INJURY, BODILY INJURY, DEATH, DISMEMBERMENT, OR PROPERTY DAMAGE.
