Indiana Furniture Partners with GOVMVMT for Streamlined Cooperative Purchasing.

Jasper, IN, Mar 6, 2023 – Indiana Furniture announced today a partnership with **GOVMVMT**, a not-for-profit cooperative purchasing program focused on providing public agencies with the most value—saving time and money—while also supporting and giving back to the communities in which Indiana Furniture operates.

GOVMVMT provides a powerful, streamlined procurement tool developed specifically to meet and comply with the needs of local, state, and federal agencies. With competitively bid contracts, **GOVMVMT** delivers value-added programs with best-in-class products and services at the lowest prices, while reinvesting fees generated from their programs back into the community. The partnership creates a credible, collaborative environment where public agencies and Indiana Furniture can work together to provide quality offerings for a true public benefit.

"With their commitment to ethical standards, focus on value, and social responsibility, our partnership was a natural fit," stated Mike Blessinger, Vice President of Sales & Marketing. "**GOVMVMT** allows us to support our distribution network and their private sector clients in a simplified manner while living up to our commitment to help our partners serve their communities."

"As all cooperatives are not created equal, this contract provides public agencies and Indiana Furniture's distribution partners a true non-profit purchasing program that is focused on bringing back the value in cooperative procurement. As a leader in the contract furniture industry, we are excited about the addition of Indiana Furniture to the **GOVMVMT** family," shared Tyler McCall, Program Manager for **GOVMVMT** Cooperative.

Public agencies in need of a dependable procurement process can work with Indiana Furniture and **GOVMVMT** to successfully complete their projects. Examples of public agencies include state, county, city, special district, and local governments, school districts, private K-12 schools, technical or vocational schools, higher education institutions, community colleges, private or public colleges and universities, other government agencies, and non-profit organizations, among others.

ABOUT GOVMVMT/IGSA

GOVMVMT, developed by Innovative Government Services (IGSA), is a national public procurement cooperative founded on one basic principle: creating a true, not-for-profit, public-focused program that is

centered around providing dependable programs and services with the public's interest at the forefront of everything we do. IGSA was founded in 2020 to develop and implement programs and services that benefit state and local governments, public schools and universities, special districts, and nonprofits. IGSA looks for opportunities to facilitate public and private sector collaboration in ways that best serve constituent needs and effectively use taxpayer dollars. Our programs and services are designed to facilitate cooperation, benefit from economies of scale, and give back to the communities we live and work in.
