Indiana Furniture Expands Canvas with New Options.

Jasper, IN, August 5, 2019 – Indiana Furniture continues to set new standards for affordable, design-friendly products. Today the company will begin taking orders on an expanded range of options for the already-popular Canvas laminate casegoods platform. New reception models have been added to the line, allowing Canvas to provide a cohesive design in facilities from the entrance to the back office to executive suites.

Canvas Reception extends simple sophistication with an offering of functional and distinctive design options to welcome customers in an inviting and forward-thinking space. Choose from waterfall transaction counters, matching or contrasting overlays, backlighting, extended gallery returns with storage, ADA returns, and more.

“Expanding Canvas to reception continues our ongoing direction to allow our customers to have a one-stop solution for their casegood needs,” says Mike Blessinger, VP of Sales & Marketing at Indiana Furniture. “The breadth of the Canvas reception line was thoughtfully created to meet multiple needs and diverse levels of style, all while seamlessly working with our current offering. Selections are available for an assortment of models, sizes, and premium details to heighten function and design for the user, the environment, and all of your visitors.”

Canvas Reception also considers the environment by using renewable and recyclable materials, allowing it to achieve indoor air and BIFMA level[®] certifications. To learn more, visit www.indianafurniture.com.
