Indiana Furniture, Metro Office Solutions Awarded BPA

JASPER, Ind. — Midwest-based manufacturer Indiana Furniture and their dealer partner Metro Office Solutions have been awarded a Blanket Purchase Agreement to provide government agencies with traditional wood executive office furniture. The annual renewable contract through December 14, 2021, expands Indiana Furniture's role as an approved supplier for furniture requisitions under the National Stock Number Program at GSA Global Supply.

"Indiana Furniture has been a GSA contract holder for nearly two decades, and each award is a direct reflection of the level of quality and service we bring to the market," said Mike Blessinger, VP of Sales and Marketing.

"The consistent business the NSN contract will provide over the next five years will strengthen our manufacturing—and the role we play in the community—in southern Indiana. We will proudly produce the awarded products at our facility in Dubois, Indiana," said Max Verkamp, President and CEO.

Under the new BPA, government purchasers benefit from pre-negotiated pricing and streamlined order processing. A complete list of the newly awarded products, and pricing, is available through Metro Office Solutions and online at www.gsaadvantage.gov.

###
